The Words and Music of Taylor Swift James E. Perone,2017-07-14 This scholarly analysis of the music of Taylor Swift identifies how and why she is one of the early 21st century's most recognizable and most popular stars. By the age of 13, singer-songwriter Taylor Swift had already inked a development deal with a major record label. This early milestone was an appropriate predictor of what accomplishments were to come. Now a superstar artist with an international fanbase of

millions and several critically acclaimed and commercially successful albums, Swift has established herself as one of the most important musicians of the 21st century. This accessible book serves Taylor Swift fans as well as students of contemporary popular music and popular culture, critically examining all of this young artist's work to date. The book's organization is primarily chronological, covering Taylor Swift's album and single releases in order of release date while also documenting the elements of her music and personality that have made her popular with fans of country music and pop music across a surprisingly diverse age range of listeners. The chapters address how Swift's songs have been viewed by some fans as anthems of empowerment or messages of encouragement, particularly by members of the LGBTQ community, those who have been bullied or been seen as outsiders, and emerging artists. The final chapter places Swift's work and her public persona in the context of her times with respect to her use of and relationship with technology—for example, her use of social media and songwriting technology—and her expressions of a new type of feminism that is unlike the feminism of the 1970s.

Taylor Swift - Everything Has Changed Sarah Oliver, 2016-04-07 Taylor Swift is taking over the world. Beginning to understand the depth of her mind-boggling popularity takes some doing. But let's try: In November 2014, on the release of single 'Blank Space', her name accounted for a legitimately staggering 10% of all Google searches, globally. Or in other words, she was the subject of one in ten enquiries made by the human race. Aged 25, she is one of the biggest-selling artists of all time, with 170 million units. This leaves U2, Bruce Springsteen and Paul McCartney in her dust. She has 63 million followers on Twitter (or the population of the UK) and 45 million on Instagram. For perspective, this makes her the 3rd most popular account on Instagram, and 4th on Twitter, just behind Leader of the Free World, President Barack Obama. The best metric of fan passion has always been touring revenue, and Taylor's merch and ticket sales amount to \$30 million - the highest in the music industry, by far.

Leading Lines Chantel Guertin, 2015-10-13 “Readers will experience all the joys, heartbreak and discoveries of the teenage years as Pippa continues her journey to adulthood . . . A rare treat” (CM: Canadian Review of Materials). After two drama-filled weeks at photography camp in Manhattan, Pippa Greene is back. Despite a super-swoony and über-romantic reunion with her boyfriend, Dylan, she can't seem to shake the emotional aftermath of New York. As she navigates parental drama at home and her charged dynamic with Ben Baxter at school, Pippa finds that Dylan is more wrapped up in his new post-high-school life of bands, shows, and groupies than in their relationship. Will it survive? Written with the same humor and heart that made Chantel Guertin's first two Pippa Greene novels—*The Rule of Thirds* and *Depth of Field*—instant favorites, *Leading Lines* offers a fresh and charming perspective on friendships, family, and first love. “Effortless, light and

rewarding, this is a series that readers could grasp starting with this third book, but it's worthwhile to get all three and get to know the bubbly, endearing, lovable Pippa from the beginning." —The Globe and Mail (Toronto) "Sharp dialogue, fully fleshed, interesting characters, and a believable plot add up to more than typical teen chicklit." —Quill & Quire "These novels remain relatable and sweet and are a great read for anyone looking for dynamic and honest relationships in their YA fiction." —Read My Breath Away "A really fun YA series that combines some of my favorite things: photography and cute boys. It features a determined and relatable heroine that's easy to root for!" —One More Page

There's Nothing Like This Kevin Evers, 2025-04-08 A smart, page-turning exploration of the business and creative decisions that transformed Taylor Swift into an unprecedented modern cultural phenomenon. Named one of Thirty books we're excited to read in the first half of 2025 by The Sydney Morning Herald Named to the Financial Times What to Read in 2025 list Singer-songwriter. Trailblazer. Mastermind. The Beatles of her generation. From her genre-busting rise in country music as a teenager to the economic juggernaut that is the Eras Tour, Taylor Swift has blazed a path that is uniquely hers. But how exactly has she managed to scale her success—multiple times—while dominating an industry that cycles through artists and stars like fashion trends? How has she managed to make and remake herself time and again while remaining true to her artistic vision? And how has she managed to master the constant disruption in the music business that has made it so hard for others to adapt and endure? In *There's Nothing Like This*, Kevin Evers, a senior editor at Harvard Business Review, answers these questions in riveting detail. With the same thoughtful analysis usually devoted to iconic founders, game-changing innovators, and pioneering brands, Evers chronicles the business and creative decisions that have defined each phase of Swift's career. Mixing business and art, analysis and narrative, and pulling from research in innovation, creativity, psychology, and strategy, *There's Nothing Like This* presents Swift as the modern and multidimensional superstar that she is—a songwriting savant and a strategic genius. Swift's fans will see their icon from a fresh perspective. Others will gain more than a measure of admiration for her ability to stay at the top of her game. And everyone will come away understanding why, even after two decades, Swift keeps winning.
