Words To Heal: A Collection of Thoughts, Quotes, and Poetry To Inspire and Empower The Soul Jenna Kandyce

Linch,2012-03-01 Words have the power to build us up and give us the source of encouragement, motivation and inspiration we need when facing challenges and hard times in life. Sometimes all it takes is that little bit of faith to ignite the spark of hope in our hearts as we keep the fire within us burning and the will to survive going strong. Words To Heal is a collection of quotes, thoughts, and poetry that I put together to help others heal, to empower them, to inspire them, to motivate them and to offer a positive glimpse of life as we see that there's so much more to life than we know and that anything is possible when we believe.

55 Reflections of a Searching Skeptic Rich Melcher,2019-05-31 Poetry, humor, illustrations, a personal examination of mental challenges along with a deep grasp of spiritual matters infuse this big, readable work by Rich Melcher. Comprising 55 reflections and two “postscripts,” Melcher’s collection is an enjoyable, random ramble through events of his life, showing how major issues such as bipolar disorder and Biblical truths have influenced him, along with significant encounters with people along the way. Reflection 20 introduces Melcher’s RROCKSS Code, a strategy for channeling energies and conducting one’s life more positively: Respect, Responsibility, Observation, Cooperation, Knowledge, Safety, and Service make up the Code, explained in detail with cogent examples from the author’s experience.

Dare 2 Be Yourself Gaurav Singh,2022-05-11 The whole purpose of your study, learnings, and life experiences is to know Who you are? What is your strength? What are your shortcomings, what is your weakness? And this is the only way to get ahead in life. The more you know yourself the more you will be able to know this world and the people around you. I’m upset that the narrative these days is that everyone needs to be number one, own a company, be in charge. A lot of people are going to lose in that way.

Glimpses of Freedom Katya Buchleitner, 2010 This book presents the creative approach of Theatre of the Oppressed and its liberating potential within the rigid structures of prisons. Can inner freedom be experienced in oppressive outer circumstances? Is there a kind of freedom that cannot be curtailed by external oppressors? Can a physical space that allows trust and inspires creative expression open spaces of inner freedom? The book seeks to integrate a transrational world-view with political activism, combining the understandings of freedom from spiritual teachers Osho and Krishnamurti with those of two revolutionaries of pedagogy and theatre, Paulo Freire and Augusto Boal.

American Individualisms A. Kusserow, 2017-03-15 What are hard and soft individualisms? In this detailed ethnography of three communities in Manhattan and Queens, Kusserow interviews parents and teachers (from wealthy to those on welfare) on the types of hard and soft individualisms they encourage in their children and students. American Individualisms explores the important issue of class differences in the socialization of individualism in America. It presents American individualism not as one single homogeneous, stereotypic life-pattern as often claimed to be, but as variable, class-differentiated models of individualism instilled in young children by their parents and preschool teachers in Manhattan and Queens. By providing rich descriptions of the situational, class-based individualisms that take root in communities with vastly different visions of the future, Kusserow brings social inequality back into previously bland and generic discussions of American individualism.
