A Step-by-Step Guide to Socio-Emotional Relationship Therapy Carmen Knudson-Martin,2023-12-19 Writing to the practicing clinician, this book offers a step-by-step practical guide to Socio-Emotional Relationship Therapy (SERT) when working with individuals, couples, and families. Most therapists know sociocultural systems influence their clients' lives, but few know how to connect the dots between what happens in the wider society, interpersonal neurobiology, relational processes, and client well-being. Written by a founder of SERT, Carmen Knudson-Martin draws on knowledge from multiple disciplines to innovatively weave together a practical step-by-step guide that demystifies the connections between micro and macro processes and relational/self-development. Divided into four parts, chapters cover how to conceptualize clinical issues through a socio-emotional lens, the therapist's role in assessment, goal-setting, clinical decision-making, the "how-to" of each of the three phases of the SERT clinical sequence, and self-of-the-therapist work and clinical research that inform the model. The clear writing style and detailed examples make complex social processes accessible, demonstrating how good practice is—and must be—equitable and socially responsible. This practical guide is essential reading for all mental health professionals, such as seasoned family therapists, counselors, psychologists, social workers, and students in training in these fields.

The Ultimate Sales Bible Todd Speciale,2024-07-19 "Add to cart folks, ADD TO CART, buy the book and get one for all

your friends! And once you've done that, add one more. Todd Speciale has knocked this one out of the park and the true secrets to sell (the right way) are all **INSIDE THIS BOOK!**" - Danelle Delgado, The Millionaire Maker "INVEST in yourself right now, get this book... absorb the information and take immediate and direct action with it! Knowledge without action is worthless." - Jason Sisneros, Chairman - Anton Jae Global Ever tried to hustle your way through a high-stakes poker game, knowing that the month's rent was on the line? Ever used the velvet touch of persuasion to angle your next pool shot or card play, ensuring the game's outcome before the final move? That's where I crafted my mastery in sales. Some get their sales savvy from polished boardrooms or prestigious MBA programs. Me, I learned the art of sales, persuasion and negotiating in the streets. Every move was calculated, and every game was a lesson in negotiation. The streets were my Ivy League, teaching me more about the human psyche and persuasive moves than any traditional classroom ever could. In this book, I reveal how the art of the hustle—from setting up poker games to guaranteeing wins in pool by sheer negotiation prowess—sculpted me into a sales titan. But this isn't just about my glory days on the streets. It's about translating that raw, unfiltered skill into a sales methodology so potent that today, I'm recognized as one of the nation's premier sales trainers, molding elite sales teams and advising the behemoths of the corporate world. While many said I was just a gambler, they didn't see the strategist within. My stories of perseverance, grit, and the raw energy of someone who's played against the house and walked away with the jackpot will prove to you that the world of sales isn't just about transactions; it's about strategy, audacity, and setting the stage for the win. Let's turn the tables on convention and beat the odds together.

Grace in Horror Modestus Ngwu, O.P.,2022-11-03 Life is filled with questions for which we struggle to find answers. Most of them tend to arise when facing uncertainty, powerlessness, or hopelessness while lying on a hospital bed. It is not infrequent to hear family members, friends, and even the clergy offering comfort by almost compulsively using phrases like, "Everything happens for a reason," or "It is God's will." While well intended, these words tend to provide little solace to the afflicted. Propelled by the fear of judgment by those whom they hold in high regard, they push down the pain of feeling abandoned by God and adrift in their faith journey. In a quest to seek some comfort, it is easy to find books on grace that are plentiful in favor, joyfulness, and merry-making advice. However, what if there were more to grace? Unapologetic about his own internal struggle while witnessing unspeakable suffering, Fr. Modestus Ngwu produced an honest, insightful, and provocative piece that provides a transformative and compassionate approach to grace. Grounded on authentic pastoral care, he invites the reader to get acquainted with and draw strength from the beautifully crafted and detailed stories derived from his many experiences. The indestructibility of God's infinite grace, hope, and love during periods of suffering are the cornerstones of his book *Grace in Horror*. Father Modestus's book reveals how grace is truly present and active in what might appear to be utter horror. Most Rev. Ronald W. Gainer, Bishop of

Harrisburg This reflection is highly recommended for anyone in health care, for anyone who asks, why does a good God allow suffering and for anyone who seeks to delve deeper into the mysteries of Grace. It is a compelling read that offers much to reflect and meditate upon. aEURElizabeth E. Frauenhoffer, MD, OCDS
