

Quotes From Its The Great Pumpkin Charlie Brown

Yan Bai

Peanuts and Philosophy Richard Greene,Rachel Robison-Greene,2016-12-19 In Peanuts and Philosophy, twenty philosophers, from a diverse range of perspectives, look at different aspects of the Peanuts canon. How can the thoughts of children, who have yet to become grown-up, help us to become more grown up ourselves? Do we get good results from believing in something like the Great Pumpkin, even though we're disappointed every time? What can Linus's reactions to the leukemia of his friend Janice tell us about the stages of grief? Why don't we settle what's right and what's wrong by the simple method of asking Lucy? Is true happiness attainable without a warm puppy? Do some people's kites have a natural affinity for trees? Is Sally an anarchist, a nihilist, or just a contrarian? Does Linus's reliance on his blanket help him or hurt him? Is Charlie Brown's philosophy of life pathetic or inspirational? Other topics include: how the way children think carries general lessons about transcending our limitations; the Utopian quest as illustrated by Charlie's devotion to the Little Red-Haired Girl; Snoopy's Red Baron and history as selective memory; the Head Beagle as Big Brother. And, as we would expect, Lucy's repeated cruel removal of Charlie's football has several philosophical applications.

LIFE Peanuts LIFE Magazine,2021-09-24 No one nailed happiness like Peanuts' creator Charles Schulz. Or anger or loneliness or wonder or fear, for that matter. He was a student of the human condition and spent 50 years exploring it through the hyper-articulate Peanuts gang. It's been more than 20 years since Charles Schulz's last original strip was published, but Peanuts continues as a cultural touchstone. It regularly makes the lists of best comics ever. Snoopy and his doghouse, Charlie Brown and his zigzag shirt, Linus and his blanket are all iconic. This special edition takes a look at the characters that make Peanuts a classic and peels back the curtain to reveal the man who made them.
