Sarah Kane's *Blasted*, 2008 A comprehensive critical introduction to 'Blasted', giving students an overview of the play's significance, a brief biography of Sarah Kane and a guide to socio-political background.

Blasted Sarah Kane, 2002 A play which contains an uncompromising depiction of rape, torture and violence in a society at war with itself.

Sarah Kane's Theatre of Psychic Life Leah Sidi, 2023-03-09 Sarah Kane was one of the landmark playwrights of 1990s Britain, her influence being felt across UK and European theatre. This is the first book to focus exclusively on Kane's unique approach to mind and mental health. It offers an important re-evaluation of her oeuvre, revealing the relationship between theatre and mind which lies at the heart of her theatrical project. Drawing on performance theory, psychoanalysis and neuroscience, this book argues that Kane's innovations generate a 'dramaturgy of psychic life', which re-shapes the encounter between stage and audience. It uses previously unseen archival material and contemporary productions to uncover the mechanics of this innovative theatre practice. Through a radically open-ended approach to dramaturgy, Kane's works offer urgent insights into mental suffering that take us beyond traditional discourses of empathy and mental health and into a profound rethinking of theatre as a mode of thought. As such, her theatre can help us to understand debates about mental suffering today.

Blasted Sarah Kane, 2019-11-04 I know you want to punish me, trying to make me live. In 1995 Sarah Kane's first full-length play *Blasted* sent shockwaves throughout the theatrical world. Making front-page headlines, the play outraged critics with its depiction of rape, torture and violence in civil war. However, from being roundly condemned by the critics the play is now considered a seminal work of European theatre and has defined an entire era of stage writing. In an expensive hotel room in Leeds, Ian, a middle-aged tabloid journalist, sits with his teenage lover Cate who he attempts to seduce and eventually rapes. As reality dissipates, the room becomes embroiled in civil war as a soldier invades the space and the play descends into apocalyptic scenes of brutality. *Blasted*'s canonical status reflects the raw beauty and terror of Kane's writing. Probing the brutality people inflict upon one another, the suffering and violation, the play also looks at the role of love and

the redemption it offers. Unafraid to delve into darkness, this is a provocative, fragmenting piece full of significance and power. *Blasted* premiered at the Royal Court Theatre Upstairs in January 1995. Methuen Drama's iconic Modern Plays series began in 1959 with the publication of Shelagh Delaney's *A Taste of Honey* and has grown over six decades to now include more than 1000 plays by some of the best writers from around the world. This new special edition hardback of *Blasted* was published to celebrate 60 years of Methuen Drama's Modern Plays in 2019, chosen by a public vote and features a brand new foreword by Mel Kenyon.

Drama + Theory Peter Buse, 2001 Peter Buse illuminates the relationship between modern British drama and contemporary critical and cultural theory. He demonstrates how theory allows fresh insights into familiar drama, pairing well-known plays with classic theory texts. The theoretical text is more than applied to the dramatic text, instead Buse shows how they reflect on each other. *Drama + Theory* provides not only provides new interpretations of popular plays, but of the theoretical texts as well.

"*Blasted*", "*Phaedra's Love*" and "*Cleansed*". *Reading Love, Faith and Hope in Sarah Kane's Plays* Nicole Eismann, 2016-03-30 Seminar paper from the year 2015 in the subject English Language and Literature Studies - Literature, grade: 2.3, University of Bonn (Institut für Anglistik, Amerikanistik und Keltologie), course: Contemporary British Drama, language: English, abstract: In this paper, Sarah Kane's debut play *Blasted*, alongside her proximate plays *Phaedra's Love* and *Cleansed*, will be discussed in order to explore the nature of the plays concerning their subject matter. Among these plays, *Phaedra's Love* is the only one that is based on a model and therefore not utterly Kane's content. The story is written loosely after Seneca's version of the *Phaedra* myth, in which a tragedy arises because the title character falls in love with her royal stepson. Beyond the thematic discussion, the question whether the subjects Sarah Kane connects her plays with are presented in a positive or negative way will be issued in the paper. If there is love in the plays, in how far is it satisfying for the characters? And does strong faith really promise a hopeful ending? In order to answer these questions, the paper is divided into two parts, starting with a short theory chapter, that follows this introduction and provides a brief introduction to in-er-face theatre in general. Subsequently, one finds the main part of the paper, which consists of three sub-chapters and includes the analysis of each of the named plays. A conclusion of the findings will round the paper off.

Britain at the Turn of the Twenty-First Century, 2016-08-22 At the turn of the twenty-first century Britain is in a state of change. It is being transformed by the ongoing process of devolution as well as by its increasing multi-ethnicity. At the same time the relationship with the European Union remains controversial. This book charts these transformations in the context of the changes Britain experienced a century ago, at the turn of the twentieth century. Focusing on British politics, culture and literature the articles examine a range of topics, including models of utopian and apocalyptic thought, the contemporary

celebrity cult, the state of literary theory in Britain and the recent “boom” in lyrical poetry and the “drama of blood and sperm”.

Trauma and Trauma Theory in Sarah Kane's "Blasted" Jakub Duch, 2019-12-24 Seminar paper from the year 2015 in the subject English Language and Literature Studies - Literature, grade: 2,0, University of Hamburg (Institut für Anglistik und Amerikanistik), language: English, abstract: One of Britain's most notorious plays of the 1990s, Sarah Kane's *Blasted* shocked the public and critics alike due to its graphic depiction of death and violence. Beneath this surface lies, however, a carefully thought out representation of trauma and its effects on the human soul. This paper explores the links between trauma theory and Kane's most famous work.

Rape in Sarah Kane's "Blasted". Can the play be seen as a story where rape is dealt with as an act of gendering?, 2023-06-30 Seminar paper from the year 2023 in the subject Gender Studies, , language: English, abstract: Sarah Kane's play *Blasted* shows a high amount of cruelty with the homosexual and heterosexual rape as well as the sucking out of Ian's eyes, who is one of the main protagonists. The heavy use of imagery and action in these plays combined with its focus on dialogue distinguishes Kane from other dramaturgists in the 1970s-90s. Using the depiction of violence on stage, Kane forced the audience to break through the veil of apathy created by the media's insensitive portrayal of cruelty in order to subvert gender norms and the heterosexual patriarchal authority through performance on stage. *Blasted* is not only a play about rape but also a representation of gender in the 1990s. Though, in how far can the play itself be seen as a story where rape is dealt with as an act of gendering? To answer this question in the following term paper, the term rape as portrayed in the play will be dealt with by analyzing where and what the different rapes in *Blasted* are and finally, a conclusion will be drawn about the connection of rape and gender and what consequences this entailed in the 1970s-1990s.

Morality and Justice, 2016-09-12 Performing justice for the future of our time; Whatever happened to théâtre populaire? Sublime Drama Elzbieta Iwona Baraniecka, 2013-05-28 British drama of the 1990s is most commonly associated with the term in-yer-face theatre, which was coined by Aleks Sierz to describe the shocking and provocative work of emerging playwrights such as Mark Ravenhill or Sarah Kane. Taking a cue from Sierz's own suggestion that what still remains to be researched more thoroughly in this field is the particular relationship between the stage and the audience, this monograph undertakes precisely that task. Rather than use the term offered by Sierz, however, the study proposes a different concept to account for the dynamics of communication within the particular theatre of the 1990s, namely the aesthetic category of the sublime. Coupled with elements of Reader Response Theory, the sublime proves to be a more fruitful term, as it provides

more precise tools for the analysis of the audience's aesthetic response than does in-her-face theatre. With the help of four representative plays by four key playwrights of that time, *Closer* by Patrick Marber, *Normal* by Anthony Neilson, *Faust is Dead* by Mark Ravenhill and *4.48 Psychosis* by Sarah Kane, the book details the consecutive stages in the process of the plays' reception that the members of the audience go through while forming their aesthetic response to them. Looking through the prism of the sublime, the study not only offers a detailed analysis of each play but also suggests an entirely new approach to British drama of the 1990s.

The Methuen Drama Guide to Contemporary British Playwrights Aleks Sierz, Martin Middeke, Peter Paul Schnierer, 2011-10-17 The Methuen Drama Guide to Contemporary British Playwrights is an authoritative guide to the work of twenty-five playwrights who have risen to prominence since the 1980s. Written by an international team of scholars, it will be invaluable to anyone interested in, studying or teaching contemporary drama. Among the many playwrights whose work is examined are Sarah Daniels, Terry Johnson, Martin Crimp, Sarah Kane, Anthony Neilson, Mark Ravenhill, Simon Stephens, Debbie Tucker Green, Tanika Gupta and Richard Bean. Each essay features: A biographical sketch and introduction to the playwright A discussion of their most important plays An analysis of their stylistic and thematic traits, the critical reception and their place in the discourses of British theatre A bibliography of texts and critical material

Viewers in Distress Stefka Mihaylova, 2023-07-05 Conventional notions of avant-garde art suggest innovative artists rebelling against artistic convention and social propriety, shocking unwilling audiences into new ways of seeing and living. *Viewers in Distress* tells a different story. Beginning in the tumultuous 1990s, after the fall of the Berlin Wall and in the wake of the Los Angeles riots, rebellious spectators in American and British theaters broke with theater decorum and voiced their radical interpretations of shows that were not meant to be radical. In doing so, audiences tried to understand the complex racial, gender, and religious politics of their times, while insisting that liberal societies fulfill their promise of dignity for all. Stefka Mihaylova argues that such non-conforming viewing amounts to an avant-garde of its own: a bold reimagining of how we live together and tell stories of our lives together, aimed to achieve liberalism's promise. In telling this story, she analyzes the production and reception politics of works by Susan-Lori Parks, Sarah Kane, *Forced Entertainment*, Gurpreet Kaur Bhatti, and Young Jean Lee, as well as non-theatrical controversies such as the conflict over Halloween costumes at Yale in 2015. At the core of spectators' discontent, this book suggests, is an effort to figure out how to get along with people different from ourselves in the diverse U.S. and British societies in which we live.

It covers all of Kane's major plays and productions, contains hitherto unpublished material and reviews, and looks at her continuing influence after her tragic early death.
