Confederate Sheet Music E. Lawrence Abel, 2011-06-03 During the American Civil War, songs united and inspired people on both sides. The North had a well-established music publishing industry when the war broke out, but the South had no such industry. The importance of music as an expression of the South's beliefs was obvious; as one music publisher said, The South must not only fight her own battles but sing her own songs and dance to music composed by her own children. Southern entrepreneurs quickly rose to the challenge. This reference book is distinguished by three major differences from previously published works. First, it lists sheet music that is no longer extant (and listed nowhere else). Second, it gives complete lyrics for all extant songs, a rich source for researchers. And third, a brief historical background has been provided for many of the songs. Each entry provides as much of the following as possible (staying faithful to the typography of each title page): the title as published, names of all lyricists, composers and publishers; dates of publication; cities of publication; and if applicable, the names of catalogs or magazines in which the song appeared. Music published in Southern cities under Federal occupation is excluded.

Ku Klux Klan Sheet Music Danny O. Crew, 2015-09-16 The Ku Klux Klan has received much attention for its violent activities, but comparatively little research has been done on its musical legacy. The printed music that still exists is spread throughout the nation in both public and private collections. This work presents, chronologically, the music associated with

the Klan from 1867 to 2002, thus enabling readers to sense the arguments and attitudes of the Klan as they developed and changed over time. Because of the relative scarcity of Klan-related music, non-Klan music that mentions the word Klan is included. These obscure references help place the Klan in a larger social perspective and are very important in documenting anti-Klan musical reaction. In instances where a song merely mentions the Klan, usually in only one verse or in the chorus, then only that verse containing the Klan reference, plus appropriate context, is included. The catalogue also includes Klan-related music that does not have lyrics, such as marches, waltzes, two-steps, and several Klan-related pieces that were published in Europe. Sheet music was virtually nonexistent after the 1930s, so in order to capture a feeling of Klan-related music today, a limited discography of Klan-related recordings from 1920 to 2002 is also included.

When Erik's claim on the children is questioned, he and Tessa arrange a marriage of convenience to retain custody. A scarred soldier and an agoraphobic loner make the perfect couple. But their practical arrangement quickly evolves when unexpected feelings arise. As Erik and Tessa navigate their new roles as husband and wife, they must confront their deepest fears and desires. And when the reason for the marriage is threatened, will love be enough to keep them together? **STOLEN DREAMS** Can he loosen up enough to let her in? Control is Alex Storm's middle name. Every aspect of his life is scheduled down to the minute. His routines are part of him, and he cannot deviate. Finding a woman who can put up with his strict organization has been difficult... until Gina blows back into town. A nomadic life spent with her bohemian mother made Gina Mazelli the definition of a free spirit. Inheriting her grandmother's house requires her to put down temporary roots right next door to the sexiest control freak she's ever known. Alex hopes helping Gina fix up the house will lead to a quick sale and an

end to the explosive chemistry between them. But every day they're together, Gina realizes she wants to create a home, especially if she can convince a certain uptight perfectionist that he's the key to making her dreams come true.

Edward MacDowell's European Piano Music Paul Bertagnoli, 2024-09-10 Edward MacDowell's European Piano Music is a critical study of the piano music that MacDowell composed during his European sojourn (1876-1888), steeped in reception history and with a special emphasis of programmaticism. The book expands current knowledge of MacDowell's childhood in four of the chapters based on his previously uninvestigated sheet music collection, thereby achieving a better balance among the stages of MacDowell's life than is evident in most books of the life-and-works variety. Prolific contemporaneous music criticism, meticulously preserved in MacDowell's scrapbooks, is likewise undervalued in the MacDowell literature, but it furnishes penetrating observations about the expressive and programmatic content of numerous compositions, especially as it was revealed to critics when MacDowell performed his own works. Lastly, the book offers explanations for why MacDowell immersed himself in European culture for decades and then, at a crucial juncture in his career, embraced diverse American heritages and worked toward a conception of a pluralistic music that was American "in a creative sense." The book's content and methodology would appeal most directly to specialists within the broad fields of musicology and music theory, particularly within American art music and its composers; nineteenth-century music; program music; reception history; and piano literature.

The Silent Cinema in Song, 1896-1929 Ken Wlaschin, 2009 This study begins the documentation of the lost history of songs of the silent cinema. Part one chronologically lists and describes songs about movies created between 1896 and 1929. Part two provides an alphabetical list of movie stars, including a brief biography of each. Part three reviews the recordings of these songs--Note de l'éditeur.

Language, the Singer and the Song Richard J. Watts, Franz Andres Morrissey, 2019-01-31 The relationship between

language and music has much in common - rhythm, structure, sound, metaphor. Exploring the phenomena of song and performance, this book presents a sociolinguistic model for analysing them. Based on ethnomusicologist John Blacking's contention that any song performed communally is a 'folk song' regardless of its generic origins, it argues that folk song to a far greater extent than other song genres displays 'communal' or 'inclusive' types of performance. The defining feature of folk song as a multi-modal instantiation of music and language is its participatory nature, making it ideal for sociolinguistic analysis. In this sense, a folk song is the product of specific types of developing social interaction whose major purpose is the construction of a temporally and locally based community. Through repeated instantiations, this can lead to disparate communities of practice, which, over time, develop sociocultural registers and a communal stance towards aspects of meaningful events in everyday lives that become typical of a discourse community.

The Complete Book of 1900s Broadway Musicals Dan Dietz, 2022-07-15 Broadway musicals of the 1900s saw the emergence of George M. Cohan and his quintessentially American musical comedies which featured contemporary American stories, ragtime-flavored songs, and a tongue-in-cheek approach to musical comedy conventions. But when the Austrian import *The Merry Widow* opened in 1907, waltz-driven operettas became all the rage. In *The Complete Book of 1900s Broadway Musicals*, Dan Dietz surveys every single book musical that opened during the decade. Each musical has its own entry which features the following: Plot summary Cast members Creative team Song lists Opening and closing dates Number of performances Critical commentary Film adaptations, recordings, and published scripts, when applicable Numerous appendixes include a chronology of book musicals by season; chronology of revues; chronology of revivals of Gilbert and Sullivan operettas; a selected discography; filmography; published scripts; Black musicals; long and short runs; and musicals based on comic strips. The most comprehensive reference work on Broadway musicals of the 1900s, this book is an invaluable and significant resource for all scholars, historians, and fans of Broadway musicals.
