

Swing Like A Pro

Jim McLean

Swing Like a Pro Ralph Mann, Fred Griffin, 2024-06-04 A leading biomechanics expert and a premier golf instructor share the secrets of the perfect swing using a breakthrough learning tool—for novice and advanced golfers alike. For seventeen years, CompuSport International's biomechanics expert Dr. Ralph Mann devoted himself to studying the swings of more than 100 PGA and LPGA Tour players to uncover the keys to a better game and a lower handicap. The results: the computer-generated composite Pro, which embodies the mechanical elements of the holy grail of the golf swing—efficient, effective, and now achievable. Illustrated with 175 animated 3-D stills of the Pro that pinpoint the exact motions of a body executing the perfect swing, *Swing Like a Pro* provides accurate, consistent information about how to play the game properly, breaking down the exact steps you can take to develop and refine your skills at performing every aspect of the shot. Mann teams up with renowned golf instructor Fred Griffin to examine and explain • Setup, including how to grip and align the club properly while finding the perfect balance for your body • The seven characteristics of a great backswing, with drills for improvement • How to achieve distance with accuracy through your downswing • How to put all these elements together with both timing and tempo • And much more! With its unique cutting-edge, scientific approach, and the expertise of its authors, *Swing Like a Pro* promises to be the best golf Pro you ever consulted to help you improve your swing and shave strokes off your handicap—and proves that there is such a thing as a perfect swing.

Swing Like a Pro Ralph Mann, Fred Griffin, Guy Yocom, 1998

Swing Like a Pro Tom Haney, 2021-10-08 A golf club can only do what the player makes it do. The golf club on its own contains no special powers or abilities. Each club is meant for a selected purpose. When and only the club is applied to the ball in its wild will the club produce the effect that it had been originally designed. It is quite regrettable that the thrills of this great game and even the recreational and health benefits which may be afforded by participation during this game are out of the reach of numerous players just because the sport is so frequently misunderstood. The facts and fundamentals of any field don't change. This also remains true within the world of golf. Nevertheless, continued research and study have allowed new concepts to be cultivated and it's these concepts that have produced some rather precise conclusions which can be found in this book. Some of the great things you will learn includes: Keys to Good Golf Making the Stroke Tips and

Techniques for Approaching, Driving and Putting

Golfers Magazine ,1919

The Federal Lawyer ,1996

Golf Swing Eureka! Jonathan Barrett, Research Fellow in the Physics Department Jonathan Barrett, 2008 An amateur golfer made dramatic improvements to his golf swing when he discovered little known aspects of the professional golfers swing; some have not been seen in print before.

The Slot Swing Jim McLean, 2009-09-15 Top golfing instructor Jim McLean shares the secret to a better swing and a better game It's what every great golfer knows and every struggling player wants to know: how to find the slot, the perfect channel through which the shaft and club head can meet the ball on the downswing for a more powerful, accurate, and consistent swing. Great ball-strikers like Ben Hogan, Sam Snead, and Jack Nicklaus were slot swingers. Today, Tiger Woods, Sergio Garcia and Jim Furyk provide dramatic examples. Now leading golf instructor Jim McLean shows you how to find the slot to take your game to the next level. With step-by-step instructions and more than eighty illustrations by leading golf illustrator Phil Franke, *The Slot Swing* makes it easy. Shows you how to find the perfect channel for a more powerful and consistent swing Shares McLean's secrets from more than twenty years as a top instructor to the greatest pros Features stunning two-color art by Phil Franke and a full-color foldout showing how the dramatically different swings of Tiger Woods, Sergio Garcia, Bruce Lietzke and Jim Furyk all end up in the slot Written by the author of the classic book *The 8-Step Swing*, named one of the 20th Century's top 15 golf instructionals by Sports Illustrated This book helps you get out of a golfing rut, get locked in to your slot, and find the sweet spot in your game.
