Essentially, this book is a celebration of black accomplishments—over centuries and across continents—and seeks to fill a portion of that "black hole." Of the roughly 7 billion people who inhabit this planet, some 1.5 billion are classified as white, and blacks account for 1.1 billion. The remaining over 4 billion are somewhere in the middle. Yet, throughout the years, a paucity of written materials have recorded the positive influences and myriad contributions that the great number of black citizens have made toward global peace, progress, prosperity, and pleasure.

T. D. Jakes Jordan Baker,2015-11-17 T.D. JakesThe Best of T.D. Jakes - Life Lessons, Inspiration and Best QuotesT. D. Jakes has been credited as America's Next Billy Graham and it's not hard to see why. From his simple beginnings to million dollar ministry establishment, he has taken the church in America by storm. While you might recognize his face from his many best-selling books, you may be somewhat less familiar with how he grew to be so famous, and what exactly he is teaching. Well, this book covers a brief overview of his life as well as looking at some of his teachings in his own words, the role his wife Serita plays in the ministry, some of the public controversies he's been involved in with recent years, and the legacy he leaves behind to the next generation of young African American men and women looking to improve their lives.

Unknown This quote was one of the many quotes that inspired me to write my own wisdom quotes, and since fifteen years old, I have written a lot of them.
