

The Beauty Aliya Whiteley

Oliver K. Langmead, Aliya Whiteley

The Beauty Aliya Whiteley, 2018-01-16 Nominated for the Shirley Jackson and Saboteur awards, this game-changing story was chosen by Adam Nevill as one of his favourite horror short stories: "What a refreshing gust of tiny spores this novella explodes into, and I inhaled them all with glee". Somewhere away from the cities and towns, in the Valley of the Rocks, a society of men and boys gather around the fire each night to listen to their history recounted by Nate, the storyteller. Requested most often by the group is the tale of the death of all women. They are the last generation. One evening, Nate brings back new secrets from the woods; peculiar mushrooms are growing from the ground where the women's bodies lie buried. These are the first signs of a strange and insidious presence unlike anything ever known before... Discover the Beauty.

The Beauty: Tenth Anniversary Edition Aliya Whiteley, 2024-08-29

Arrival of Missives Aliya Whiteley, 2016-05-09 From Aliya Whiteley, author of the critically-acclaimed *The Beauty*, comes a genre-defying story of fate, free-will and the choices we make in life. In the aftermath of the Great War, Shirley Fearn dreams of challenging the conventions of rural England, where life is as predictable as the changing of the seasons. The scarred veteran Mr. Tiller, left disfigured by an impossible accident on the battlefields of France, brings with him a message: part prophecy, part warning. Will it prevent her mastering her own destiny? As the village prepares for the annual May Day celebrations, where a new queen will be crowned and the future will be reborn again, Shirley must choose: change or renewal? *The Arrival of Missives* is a unique work, deftly marrying literary and genre influences. It heralds the arrival of a major new voice in speculative fiction.

From the Neck Up and Other Stories Aliya Whiteley, 2021-09-14 "Feels like a major collection" - The Washington Post A short fiction collection to stand with Ted Chiang's *Exhalation* and Kelly Link's *Magic for Beginners*. The new collection of beautiful, strange and disarming short stories from the award-winning author of *The Beauty*, Clarke Award nominee *The Loosening Skin* and *The Arrival of Missives*, Aliya Whiteley. In 16 stories Whiteley deftly unpeels the strangeness of everyday life through beguiling gardens, rebellious bodies and journeys across familiar worlds, with her trademark wit and compassion. Witness the future of farming in a new Ice Age, or the artist bringing life to glass; the many-eyed monsters we carry and the secret cities inside our bodies; the alien invasion through our language to the Chantress and her twists on the

fairy tale. Fascinating and always unexpected, Whiteley is unlike any other writer working today.

The Beauty Aliya Whiteley, 2024-08-29 Nominated for the Shirley Jackson and Saboteur awards. The tenth anniversary edition of the critically acclaimed short novel, with an introduction by M. R. Carey. Somewhere away from the cities and towns, in the Valley of the Rocks, a society of men and boys gather around the fire each night to listen to their history recounted by Nate, the storyteller. Requested most often by the group is the tale of the death of all women. They are the last generation. One evening, Nate brings back new secrets from the woods; peculiar mushrooms are growing from the ground where the women's bodies lie buried. These are the first signs of a strange and insidious presence unlike anything ever known before... Discover the Beauty. Also includes the novella The Arrival of Missives.

Skein Island Aliya Whiteley, 2019-11-05 From the author of The Loosening Skin and The Beauty, Aliya Whiteley, Skein Island is a powerful and disturbing look at the roles we play, and how they form and divide us. This new edition features a brand new novelette set in the same world as Skein Island. Skein Island, a private refuge twelve miles off the coast of Devon, lies in turbulent waters. Few receive the invitation to stay for one week, free of charge. If you are chosen, you must pay for your stay with a story from your past; a Declaration for the Island's vast library. What happens to your Declaration after you leave the island is none of your concern. From the monsters of Ancient Greece to the atrocities of World War II, from heroes to villains with their seers and sidekicks by their sides, Skein Island looks through the roles we play, and how they form and divide us. Powerful and disturbing, it is a story over which the characters will fight for control. Until they realise the true enemy is the story itself.

City of All Seasons Oliver K. Langmead, Aliya Whiteley, 2025-04-29 A vibrant and emotional science fantasy about cousins trapped in mirrored worlds – the resplendent and verdant summer city and the ice-carved wastes of the winter city. For fans of Every Heart a Doorway and This is How You Lose the Time War. A beautifully strange and unique fable. The Guardian's Best SF of 2024 on Aliya Whiteley A unique and memorable work. The Guardian's Best SF of 2024 on Oliver K. Langmead An elegantly told meditation on how we can't leave ourselves behind. Esquire's 30 best SF Books of 2024 on Oliver K. Langmead Welcome to Jamie Pike's Fairharbour – a city stuck in perpetual winter, its windows and doorways bricked shut to keep out the freezing cold, its residents striving to survive in the arctic conditions. Welcome to Esther Pike's Fairharbour – a city stuck in constant summer, its walls crumbling in the heat, its oppressive sunlight a relentless presence. Winter and Summer alike, have both fallen under the yoke of oppressive powers, that have taken control after the cataclysm. But both Fairharbours were once a single, united city. And in certain places, at certain times, one side can catch a glimpse of the other. As Jamie and Esther find a way to communicate across the divide, they set out to solve the mystery of what split their city in two, and what, if anything, might repair their fractured worlds.

The Arrival of Missives Aliya Whiteley, 2018-11-06 From the award-winning author of The Beauty, Aliya Whiteley, comes a

genre-defying story of fate, free-will and the choices we make in life. One of the most original and haunting stories I have read in recent years. Nina Allan, author of *The Rift* In the aftermath of the Great War, Shirley Fearn dreams of challenging the conventions of rural England, where life is as predictable as the changing of the seasons. The scarred veteran Mr. Tiller, left disfigured by an impossible accident on the battlefields of France, brings with him a message: part prophecy, part warning. Will it prevent her mastering her own destiny? As the village prepares for the annual May Day celebrations, where a new queen will be crowned and the future will be reborn again, Shirley must choose: change or renewal?

The Loosening Skin Aliya Whiteley, 2021-02-23 Shortlisted for the Arthur C. Clarke Award, John W. Campbell Award, British Fantasy Awards and the Brave New Words Award. A gripping and strange story of shedding skins, love and moving on from the award-winning author of *The Beauty*. Includes an exclusive short story set in the world of *The Loosening Skin*. Rose Allington is a bodyguard for celebrities, and she suffers from a rare disease. Her moults come quickly, changing everything about her life, who she is, who she loves, who she trusts. In a world where people shed their skin, it's a fact of life that we move on and cast off the attachments of our old life. But those memories of love can be touched - and bought - if you know the right people. Rose's former client, superstar actor Max Black, is hooked on Susicutin, a new wonderdrug that prevents the moult. Max knows his skins are priceless, and moulting could cost him his career. When one of his skins is stolen, and the theft is an inside job, Max needs the best who ever worked for him - even if she's not the same person. Includes an exclusive short story set in the world of *The Loosening Skin*.

Out of the Darkness Dan Coxon, 2021-09-16 *Out of the Darkness*, in collaboration with mental health charity Together for Mental Wellbeing, challenges some of the most exciting voices in horror and dark fantasy to bring their worst fears out into the light. From the black dog of depression to acute anxiety and schizophrenia, these stories prove what fans of horror fiction have long known - that we must understand our demons to overcome them. In the wake of the Covid-19 pandemic, what began as a mental health crisis has rapidly become an unprecedented tsunami. The Centre for Mental Health has estimated that 10 million people will need mental health support in the UK as a direct consequence of Covid-19, with a staggering 1.5 million of those being under eighteen. Edited by Dan Coxon (*This Dreaming Isle*) and featuring exclusive stories by Alison Moore, Jenn Ashworth, Tim Major and Aliya Whiteley, this collection harnesses the power of fiction to explore and explain the darkest moments in our lives. Horror isn't just about the chills - it's also about the healing that comes after. All royalties and editor's fees from this collection are being donated to the mental health charity Together for Mental Wellbeing.

Gigantic Ashley Stokes, 2021-09-02 e; I wasn't sure you would get this far, so thanks a million already. You opened the mystery bag... Inside the bag, along with this letter, is a dossier that describes the whole story. e; Kevin Stubbs is a Knower. He knows life hasn't always treated him fairly. He knows he wants to be allowed access to his son again. But most of all, he knows that the London Borough of Sutton is being stalked by a nine-foot-tall, red-eyed, hairy relict hominid - the North

Surrey Gigantopithecus. Armed with a thermal imaging camera (aka the Heat Ray) and a Trifield 100XE electromagnetic field reader (aka the Tractor Beam), Kevin and his trusty comrades in the GIT (aka the Gigantopithecus Intelligence Team) set out to investigate a new sighting on the outskirts of Sutton. If real, it will finally prove to the world that the infamous Gartree-Hogg footage was genuine, and a British Bigfoot is living in suburban London: FACT. But what he discovers undermines everything he believes in - and forces Kevin to face up to his own failures, and the very real, very scary prospect that he might have got it all terribly wrong.

Unexpected Places to Fall From, Unexpected Places to Land Malcolm Devlin, 2021-10-14 Unexpected Places to Fall From, Unexpected Places to Land crosses genres and dimensions, exploring the consequences of a rare cosmic anomaly. In the exact same moment, all possible versions of Prentis O'Rourke will cease to exist. By accident, by malice, by conflict, by illness - Prentis will not simply die. He will go extinct. These are the stories of the journeys we take and the journeys we wish we'd taken. Malcolm Devlin's second short story collection ranges from science fiction to folk horror as Prentis O'Rourke's demise echoes across the dimensions. Scientists, artists, ex-nuns, taxi drivers, time travellers and aliens - the same people living varied lives in subtly different worlds. Something unprecedented will happen, and it will colour them all. Crossing multiple realities, countless versions of ourselves, and shifting backwards and forwards through time, these are stories of forking paths and unexpected destinations - of flying and falling and getting up to try again.

Sealed Naomi Booth, 2019-07-02 Sealed is a gripping modern fable on motherhood, a terrifying portrait of ordinary people under threat from their own bodies. Heavily pregnant Alice and her partner Pete are done with the city. Alice is haunted by rumors of a skin-sealing epidemic starting to infect the urban population. She hopes their new remote mountain house will offer safety, a place to forget the nightmares and start their family. But the mountains and their people hold a different kind of danger. With their relationship under intolerable pressure, violence erupts and Alice is faced with the unthinkable as she fights to protect her unborn child. Timely and suspenseful, Sealed is a gripping modern fable on motherhood, a terrifying portrait of ordinary people under threat from their own bodies and from the world around them.

Always North Vicki Jarrett, 2019-10-07 e; The perfect blend of arctic mystery thriller, science fiction and post disaster apocalypse. You won't want to miss this one. e; - Adam Roberts, author of Bete, The Thing Itself and many more We all have to work to live, even if it is an illegal survey for oil in the rapidly melting arctic. Software engineer Isobel needs to eat like everyone, and that's how she fell into the job that leads her to the most northerly place on our planet. As part of a weathered crew of sailors, scientists and corporate officers she sails into the ice where their advanced software Proteus will map everything there is to know. A great icebreaker leads their way into the brutal environment, and the days grow longer, time ever more detached, as they pass through the endless white expanse of the ice. But they are not alone. They have attracted the attention of seals, gulls and a hungry, dedicated polar bear. The journey to plunder one of the few remaining resources

the planet has to offer must endure the ravages of the ice, the bear and time itself. This is what we find when we travel - Always North - a profound meditation on our consumption of the world, and the perception of time. For fans of Adam Robert's *The Thing Itself*, only at the farthest reaches of the world can we see the truths closest to our minds.

Dark River Rym Kechacha, 2020-02-24 Doggerland, 6200 BC. As rivers rise, young mother Shaye follows her family to a sacred oak grove, hoping that an ancient ritual will save their way of life. London, AD 2156. In a city ravaged by the rising Thames, Shante hopes for a visa that will allow her to flee with her four-year-old son to the more prosperous north. Two mothers, more than 8,000 years apart, struggle to save their children from a bleak future as the odds stack against them. At the sacred oak grove, Shaye faces a revelation that cuts to the core of who she is; in the wilderness of the edgelands, Shante finds herself unprepared for the challenges and dangers that surround them at every turn. As Shaye and Shante desperately try to hold their families together in the face of disaster, these two young mothers uncover a terrifying truth: that it is impossible to protect the ones they love.

Willow By Your Side Peter Haynes, 2018-11-26 To be young is to know magic, to see the woods for what they are and recognise visions when you see them. In the aftermath of war, a young boy tries to hold his family together, under a man who brought his nightmares back from the battlefield. As his sister recovers from a terrible assault by their father, she teaches him about the magic in the land, the tombs of ancient kings, about the treacherous Red Cap and the places where the adults don't go. When she disappears, all eyes turn to their father. They search the woods, pushing deeper into the strange spaces where myths grow among the ancient oaks. But only the boy knows the secret paths they took, and the way to the lake where wishes come true. A story of the potent and dark spaces of folklore, channelling Robert Holdstock as *Mythago Wood* and Catriona Ward as *Rawblood*, Haynes plunges deep into the landscape, revealing the darkness that hides beneath.

This Dreaming Isle Dan Coxon, 2018-11-19 Something strange is happening on British shores. Britain has a long history of folk tales, ghost stories and other uncanny fictions, and these literary ley lines are still shimmering beneath the surface of this green and pleasant land. Every few generations this strangeness crawls out from the dark places of the British imagination, seeping into our art and culture. We are living through such a time. *This Dreaming Isle* is an anthology of new horror stories and weird fiction with a distinctly British flavour. It collects together fifteen brand new horrifying or unsettling stories that draw upon the landscape and history of the British Isles for their inspiration. Some explore the realms of myth and legend, others are firmly rooted in the present, engaging with the country's forgotten spaces. Featuring new and exclusive stories from: Ramsey Campbell, multi-award winning author of over 40 novels Andrew Michael Hurley, author of *The Loney* and *Devil's Day* Catriona Ward, author of *Rawblood* and *Little Eve* Robert Shearman, World Fantasy Award, British Fantasy Award and Shirley Jackson Award winning author of four collections Jenn Ashworth, author of *Fell*, *Cold Light* and more Gareth E. Rees, author of *Marshland* and *The Stone Tide* Tim Lebbon, screenwriter and author of over 35 books

including *Dusk*, *The Silence and Relics* Alison Littlewood, author of *The Crow Garden*, *The Hidden People* and more Aliya Whiteley, author of *The Beauty*, *The Arrival of Missives* and *The Loosening Skin* (forthcoming from *Unsung Stories*) Stephen Volk, screenwriter and author of *Whitstable*, *Monsters in the Heart* and more Kirsty Logan, author of *The Gloaming*, *The Gracekeepers*, *A Portable Shelter* and *The Rental Heart* James Miller, author of *UnAmerican Activities*, *Lost Boys* and *Sunshine State* Jeannette Ng, author of *Under the Pendulum Sun* Richard V. Hirst, co-author of *The Night Visitors* Alison Moore, author of *The Lighthouse*, *Missing* and more Gary Budden, author of *Hollow Shores* Angela Readman, author of *Don't Try This at Home* and *The Book of Tides*

You Will Grow Into Them Malcolm Devlin, 2017-06-12 The world is a far stranger place than we give it credit for. There, in the things we think familiar, safe, are certain aspects. Our fears and desires given form. Moments that defy explanation. Shadows in our home. In Malcolm Devlin's debut collection, change is the only constant. Across nine stories he tackles the unease of transformation, growth and change in a world where horror seeps from the mundane. Childhood anxieties manifest as debased and degraded doppelgangers, fungal blooms are harvested from the backs of dancers and lycanthropes become the new social pariahs. The demons we carry inside us are very real indeed, but *You Will Grow Into Them*. Taking weird fiction and horror and bending them into strange and wondrous new shapes, *You Will Grow Into Them* follows in the grand tradition of Aickman, Ligotti and Vandermeer, reminding us that the mundane world is a much stranger place than it seems.

Pseudotooth Verity Holloway, 2017-03-06 The debut novel from Verity Holloway, *Pseudotooth* is an adult take on 'portal fantasy', boldly tackling issues of trauma responses, social difference and our conflicting desires for purity and acceptance. Aisling Bloom is a young woman beset by unexplained blackouts, pseudo-seizures that have baffled both the doctors and her family. Sent to recuperate in the Suffolk countryside, she seeks solace in the work of William Blake and writing her journal, filling its pages with her visions of Feodor, an East Londoner haunted by his family's history back in Russia. The discovery of a Tudor priest hole and its disturbed former inhabitant lead Aisling into a meeting with the enigmatic Chase and on to an unfamiliar town where the rule of *Our Friend* is absolute and those deemed unfit and undesirable have a tendency to disappear into *The Quiet*... This bold new work of literary fantasy blurs the lines between dream and reality, asking troubling questions about those who society shuns, and why.

Metronome Oliver Langmead, 2017-01-16 You and I, we wear our wounds. I wear my scars, you wear your tattoos, and we don't forget who we are. 'It is for the entities known as Sleepwalkers to cross the doors between dreams, and hunt the nightmares that haunt sleeping minds. Theirs is a world of impossible vistas, where reason is banished and only the imagination holds sway: the connected worlds that all sleeping minds inhabit, and the doors that lead between. But tonight, one Sleepwalker has gone rogue. Abandoning her sworn oath to protect the dreamscapes, she has devoted herself to another cause, threatening to unleash a nightmare older than man. The only chance of stopping her lies with a man named

Manderlay. Once a feted musician, William Manderlay is living his twilight years in an Edinburgh care home, riddled with arthritis and filled with a longing for his youth, for the open seas, and for the lost use of his hands and the violin he has always treasured. For too long now, Manderlay's nights have been coloured by dark, corrupted dreams: dreams of leprous men in landscapes plucked from his memory, of dark figures seeking him on city streets. His comrades in the retirement home believe Manderlay is giving in to age and senility - but the truth is much worse. For in dreams, maps are made from music - and it just might be that one of William Manderlay's forgotten compositions holds the key to unleashing the nightmare that holds the world of dreams in balance. The Sleepwalkers are zoning in on him. He might be their saviour, or his music might be their damnation... From the acclaimed author of Dark Star comes a literary fantasy like no other.

The Beauty Aliya Whiteley Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing

PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Beauty Aliya Whiteley free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The

Beauty Aliya Whiteley free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Beauty Aliya Whiteley free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The Beauty Aliya Whiteley. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Beauty Aliya Whiteley any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Beauty Aliya Whiteley Books

1. Where can I buy The Beauty Aliya Whiteley books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available?
Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Beauty Aliya Whiteley book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
