The Bone Collector Jeffery Deaver, 2014-01-07 DON'T MISS THE NBC TELEVISION SERIES LINCOLN RHYME: HUNT FOR THE BONE COLLECTOR The first novel in the New York Times bestselling series featuring forensic detective Lincoln Rhyme—from the author of *The Never Game*. “Lightning-paced...a breakneck thrill ride.”—The Wall Street Journal Lincoln Rhyme was once a brilliant criminologist, a genius in the field of forensics—until an accident left him physically and emotionally shattered. But now a diabolical killer is challenging Rhyme to a terrifying and ingenious duel of wits. With police detective Amelia Sachs by his side, Rhyme must follow a labyrinth of clues that reaches back to a dark chapter in New York City’s past—and reach further into the darkness of the mind of a madman who won’t stop until he has stripped life down to the bone. Includes the short story “A Perfect Plan” and a chapter from *The Midnight Lock*.

The Bone Collector Jeffery Deaver, 2009-02-01 New York is thrown into uproar by the assaults of the Bone Collector, a serial killer who gives the police a chance to save his victims from death by leaving obscure notes. Ex-NYPD forensic, Lincoln Rhyme, slowly begins to narrow the noose around the Bone Collector, but he too could be in danger.

The Skin Collector Jeffery Deaver, 2014-05-13 In his classic thriller *The Bone Collector*, Jeffery Deaver introduced readers to Lincoln Rhyme—the nation's most renowned investigator and forensic detective. Now, a new killer is on the loose: a criminal inspired by the Bone Collector. And Rhyme must untangle the twisted web of clues before the killer targets more victims—or Rhyme himself. The killer's methods are terrifying. He stalks the basements and underground passageways of New York City. He tattoos his victims' flesh with cryptic messages, using a tattoo gun loaded with poison, resulting in an agonizing, painful death. When a connection is made to the Bone Collector—the serial killer who terrorized New York more than a decade ago—Lincoln Rhyme and Amelia Sachs are immediately drawn into the case. Rhyme, Sachs, and the NYPD must race against time to answer the many questions the investigation uncovers: Whom will the killer attack next? What is the message behind the victims' tattoos? Does the killer's own inking—a fanged centipede sporting a woman's face—hold any significance? And what is his ultimate mission? As time runs out, Rhyme discovers that the past has returned to haunt him in the most troubling way imaginable...

The Bone Collector Jeffery Deaver, William Jefferies, 1998-04 In his most gripping thriller yet, Jeffery Deaver takes readers on a terrifying ride into two ingenious minds—that of a physically-challenged detective and the scheming killer he must stop.

The detective was the former head of forensics at the NYPD, but is now a quadriplegic who can only exercise his mind. The killer is a man whose obsession with old New York helps him choose his next victim. Now, with the help of a beautiful young cop, this diabolical killer must be stopped before he can kill again!

The Cutting Edge Jeffery Deaver,2018-04-10 Lincoln Rhyme and Amelia Sachs return to New York City to investigate a triple murder and confront a killer terrorizing couples at their happiest--and most vulnerable in this explosive New York Times bestseller. In the early hours of a quiet, weekend morning in Manhattan's Diamond District, a brutal triple murder shocks the city. Lincoln Rhyme and Amelia Sachs quickly take the case. Curiously, the killer has left behind a half-million dollars' worth of gems at the murder scene, a jewelry store on 47th street. As more crimes follow, it becomes clear that the killer's target is not gems, but engaged couples themselves. The Promisor vows to take the lives of men and women during their most precious moments--midway through the purchase of an engagement ring, after a meeting with a wedding planner, trying on the perfect gown for a day that will never come. The Promisor arrives silently, armed with knife or gun, and a time of bliss is transformed, in an instant, to one of horror. Soon the Promiser makes a dangerous mistake: leaving behind an innocent witness, Vimal Lahori, a talented young diamond cutter, who can help Rhyme and Sachs blow the lid off the case. They must track down Vimal before the killer can correct his fatal error. Then disaster strikes, threatening to tear apart the very fabric of the city--and providing the perfect cover for the killer to slip through the cracks.

The Cold Moon Jeffery Deaver,2006-06-01 SOON TO BE A MAJOR TELEVISION EVENT FROM NBC, STARRING RUSSELL HORNSBY, ARIELLE KEBBEL, AND MICHAEL IMPERIOLI. Lincoln Rhyme, the quadriplegic detective made famous in The Bone Collector is back in a thriller from the masterful Jeffery Deaver. When a sadistic killer leaves clocks at his murder scenes, will time run out for the criminologist and his partner Amelia Sachs? On a frigid December night, an eerie pattern emerges from two equally brutal murder scenes, where a killer's calling card is a moon-faced clock that seemingly ticked away the victims' last moments. From his wheelchair, criminologist Lincoln Rhyme tracks the Watchmaker, a time-obsessed genius. With every passing second, the Watchmaker is moving with razor-sharp precision to his next act of perfectly orchestrated violence—and Rhyme can't afford to have his trusted partner Amelia Sachs distracted by a daunting homicide case of her own. Up against a brilliant madman, Rhyme and Sachs are locked in a blood-chilling race with their deadliest enemy: time itself.

The Bodies Left Behind Jeffery Deaver, 2008-11-11 The instant New York Times bestselling thriller from the “master of ticking bomb suspense” (People) who created Lincoln Rhyme and Kathryn Dance is “a tour de force...the suspense never flags” (Kirkus Reviews). When a night-time call to 911 from a secluded Wisconsin vacation house is cut short, off-duty deputy Brynn McKenzie leaves her husband and son at the dinner table and drives up to Lake Mondac to investigate. Was it a misdial or an aborted crime report? Brynn stumbles onto a scene of true horror and narrowly escapes from two professional criminals. She and a terrified visitor to the weekend house, Michelle, flee into the woods in a race for their lives. As different as night and day, and stripped of modern-day resources, Brynn, a tough deputy with a difficult past, and Michelle, a pampered city girl, must overcome their natural reluctance to trust each other and learn to use their wits and courage to survive the relentless pursuit. The deputy's disappearance spurs both her troubled son and her new husband into action, while the incident sets in motion Brynn's loyal fellow deputies and elements from Milwaukee's underside. These various forces race along inexorably toward the novel's gritty and stunning conclusion. *The Bodies Left Behind* is an epic cat-and-mouse chase, told nearly in real-time, and is filled with Deaver's patented twists and turns, where nothing is what it seems, and death lingers just around the next curve on a deserted path deep in the midnight forest.
