Clare K. Rothschild

The Last Days Are Left Behind James Ellis, 2008-06 Have you been wondering as a Christian, or non-Christian, what many think -- and expect -- will happen in the last days or end times with all the talk and focus in the headlines -- and some churches -- about our future? And with all the events taking place in the Middle East, especially Israel? And Iran? Are you confused because of various end-time scenarios and conflicting opinions promoted through popular books on prophecy, the Left Behind series, televangelists, preachers, and others speaking of a great tribulation, rapture, Armageddon, Apocalypse, the destruction of the earth, a new heaven and earth, a second coming, and a millennium? There has been an overload of teaching and information about these things over the last century -- however sincere and cloaked in good intentions -- yet with long-held and deep-seated traditions and doctrines, all borne of a lack of accurate knowledge (particularly the Hebrew and Greek) and information based on compelling evidence. Would you like to know what the Bible actually says about all these issues? For God's Word itself -- Let Scripture Interpret Scripture -- and the Holy Spirit are the only necessary interpreters. *The Last Days Are Left Behind* will challenge your thinking, help to erase the confusion, and provide clarity regarding the present-day purpose of God. Author James Ellis demonstrates end-time truth based logically on solid evidence after a linguistically accurate, biblically consistent, and intellectually honest examination of the Bible's prophetic passages and verses, the original languages -- Hebrew and Greek, the social, cultural, and historical context of Scripture, and the relevance of the audience spoken or written to in God's Word.

The People of the Parables R. Alan Culpepper, 2024-03-26 Drawing from Greco-Roman history, Second-Temple Jewish studies, archaeology, the social world of the New Testament, parable studies, and the burgeoning literature on Galilee, *The People of the Parables* describes life in first-century Galilee as it was experienced by the characters in Jesus' parables. R. Alan Culpepper assesses both primary literature and recent research on Galilee--including important archaeological discoveries--and fashions a new and insightful social history of Galilee, the people of the parables, and the historical context of Jesus' ministry. Culpepper builds this history by elucidating the lives of first-century Galileans featured in Jesus' parables: children, women, daughters, mothers, widows, fathers, sons, landowners, tenants, day laborers, debtors, farmers, fishermen, shepherds, merchants, travelers, innkeepers, masters, slaves, tax collectors, judges, Pharisees, priests, Levites, Samaritans, bandits, and, finally, Jesus. Who these people were--their place in Galilean society, how they lived, socialized, worshiped, and

conducted business; how they were educated--is described in straightforward, nontechnical language. Culpepper brings new meanings to the parables for today's readers by shedding light on the people of Galilee in the time of Jesus.

A Uro-Oncology Nurse Specialist's Reflection on her Practice Journey Beverley Anderson, 2022-03-22 This book provides a unique insight and background of a uro-oncology nurse's career from a personal and professional perspective, one that encapsulates the ever changing dynamics in the nursing profession over 40 years - 1970's to current, 2022. In writing this book, the objective is to devise a beneficial point of reference, one that is conducive to enlightening individuals within the healthcare profession and the wider context, on the art of reflection and acknowledging its benefits in terms of exploring their feelings and understanding their meaning. Reflection is a highly beneficial tool. In this context, the process enables the author to reflect constructively on her nursing career and practice, to highlight the positive as well as the negative aspects within that practice, and illustrate how the experiences gained have contributed to her development, personally and professionally, throughout that journey. Reflection includes deliberate reflection on experience, emotions, actions and responses and acknowledging how essential these have been to informing the author's existing knowledge base and in ensuring a higher level of learning and understanding. In the continued quest to deliver optimal healthcare, the objective of reflection is in enabling healthcare individuals e.g. nursing students, newly qualified nurses or those considering change of nursing speciality, to better understand their patients from a holistic standpoint (physical, psychological, psycho-social, spiritual, cultural and economic) and ultimately, improving the individual patient's overall experience - cancer or otherwise, as well as improving and enhancing practice outcomes. The importance of reflection and its contribution to increasing the healthcare professional's self-awareness - emotional, personal and professional, is also well underlined. Various Modules and Case Studies within the book are used to explain and highlight key issues, and to enhance content and visual acuity.

A Dictionary of Christ and the Gospels James Hastings, 2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ - His Person, Life, Work, and Teaching. It is in a sense complementary to the *Dictionary of the Bible*, in which, of course, Christ has a great place. But a dictionary of the Bible, being occupied mainly with things biographical, historical, geographical, or antiquarian, does not give attention to the things of Christ sufficient for the needs of the preacher, to whom Christ is everything. This is, first of all, a preacher's dictionary. The authors of the articles have been carefully chosen from among those scholars who are, or have been, themselves preachers. And even when the articles have the same titles as articles in the *Dictionary of the Bible*, they are written by new men, and from a new standpoint. It is thus a work which is quite distinct from, and altogether independent of, the *Dictionary of the Bible*. It is called a *Dictionary of Christ*

and the Gospels, because it includes everything that the Gospels contain, whether directly related to Christ or not. Its range, however, is far greater than that of the Gospels. It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world. There will be articles on the Patristic estimate of Jesus, the Medieval estimate, the Reformation and Modern estimates. There will be articles on Christ in the Jewish writings and in the Muslim literature. Much attention has been given to modern thought, whether Christian or anti-Christian. Every aspect of modern life, in so far as it touches or is touched by Christ, is described under its proper title. James Hastings (1852-1922) was a distinguished scholar and pastor. He was founder and editor of the Expository Times and is also well known for editing the five-volume Dictionary of the Bible, as well as the Encyclopaedia of Religion and Ethics, the Dictionary of Christ and the Gospels, and the Dictionary of the Apostolic Church.

The Antichrist Legend Wilhelm Bousset,1896 Wilhelm Bousset (1865-1920) was one of the pioneers in the Religionsgeschichtliche Schule or History of Religions School, which established the scientific and comparative study of Hellenistic Judaism and Early Christianity a century ago. The Antichrist Legend, first published in German in 1895 and translated into English the following year, is perhaps Bousset's most remarkable book, both for its original argument about
