A Good Hard Look Ann Napolitano, 2011-07-07 From the New York Times bestselling author of *Hello Beautiful* and *Dear Edward*, a novel set in Flannery O'Connor's hometown of Milledgeville, and a tragedy that forever alters the town and the author herself. A wholly believable world shaped by duty, small pleasures, and fateful choices.—O, The Oprah Magazine
Forced by illness to leave behind a successful life in New York, literary icon Flannery O'Connor has returned to her family farm in the small town of Milledgeville, Georgia. With her health and time both limited, all she wants is to be left alone to write. But Flannery's plans are soon upended by Melvin Whiteson, a banker from Manhattan who has recently married the town belle. Melvin is at loose ends with his new life; though he has every opportunity, he's not sure where to begin. Flannery knows exactly what she wants, but is running out of time. Through their unusual and clandestine friendship, both will come to reflect on the decisions they have made and the paths they have chosen. Literary history and fiction gracefully intersect in this emotionally charged novel of small town Southern life from one of our most beloved novelists, which asks us all to consider how we can live our lives to the fullest.

A Good Hard Look Ann Napolitano, 2012-06-26 An absorbing, old-fashioned tale about how, as in Flannery O'Connor's stories, 'Grace changes a person....And change is painful.'" — The Washington Post
The celebrated novel from the author of *Dear Edward*. Forced by illness to leave behind a successful life as a writer in New York, Flannery O'Connor has returned to her family farm in Milledgeville, Georgia. She desires a quiet, solitary existence, but her mother, Regina, drags Flannery to the wedding of a family friend. The embodiment of southern womanhood, Cookie Himmel is Flannery's antithesis and has returned from her time in Manhattan to marry rich fiancé, Melvin Whiteson. Lona Waters, a dutiful housewife, is hired by Cookie to help create a perfect home, but when she is given an opportunity to remember what it feels like to be truly alive, and she seizes it with both hands. In the course of one tragic afternoon, these characters must take a good hard look at the choices they have made and face up to O'Connor's observation that "the truth does not change according to our ability to stomach it."

A Long Hard Look at 'Psycho' Raymond Durnat, 2017-10-24 Upon its release in 1960, Alfred Hitchcock's *Psycho* divided critical opinion, with several leading film critics condemning Hitchcock's apparent encouragement of the audience's identification with the gruesome murder that lies at the heart of the film. Such antipathy did little to harm *Psycho*'s box-office returns, and it would go on to be acknowledged as one of the greatest film thrillers, with scenes and characters that are among the most iconic in all cinema. In his illuminating study of *Psycho*, Raymond Durnat provides a minute analysis of its unfolding narrative, enabling us to consider what happens to the viewer as he or she watches the film, and to think afresh about questions of spectatorship, Hollywood narrative codes, psycho-analysis, editing and shot composition. In his introduction to the new edition, Henry K. Miller presents *A Long Hard Look at 'Psycho'* as the culmination of Durnat's decades-long campaign to correct what he called film studies' 'Grand Error'. In the course of expounding Durnat's root-and-branch challenge to our inherited shibboleths about Hollywood cinema in general and Hitchcock in particular, Miller also describes the eclectic intellectual tradition to which Durnat claimed allegiance. This band of amis inconnus, among them William Empson, Edgar Morin and Manny Farber, had at its head Durnat's mentor Thorold Dickinson. The book's story begins in the early 1960s, when Dickinson made the long hard look the basis of his pioneering film course at the Slade School of Fine Art, and *Psycho* became one of its first objects.

Anishinaabe Ways of Knowing and Being Lawrence W. Gross,2016-04-15 Very few studies have examined the worldview of the Anishinaabeg from within the culture itself and none have explored the Anishinaabe worldview in relation to their efforts to maintain their culture in the present-day world. This book fills that gap. Focusing mainly on the Minnesota Anishinaabeg, Lawrence Gross explores how their worldview works to create a holistic way of living. However, as Gross also argues, the Anishinaabeg saw the end of their world early in the 20th century and experienced what he calls 'postapocalypse stress syndrome.' As such, the book further explores how the values engendered by the worldview of the Anishinaabeg are finding expression in the modern world as they seek to rebuild their society.

Money Matters John R. Keuffer,Richard Carey,Kathy Garrison,2009-07-07 Everyone likes money. Most of the adult decisions and options in life center on money. In these uncertain economic times, its more important than ever for teenagers to get a head start and gain an early understanding of what money is and how it works. In *Money Matters: Its Either Working for You or Someone Else*, authors John Keuffer, Richard Carey, and Kathy Garrison offer a new way of looking at money, and they show how it can work for you. Shattered Dreams Charles Enderlin,2021-04-28 As Middle-East Bureau Chief of the French Public television network and a resident of Jerusalem since 1968, Charles Enderlin has had unequaled access to leaders and negotiators on all sides. Here he takes the reader step-by-step along the path that began with the hope of agreement but led only to the ultimate collapse of the peace process. The dramatic account moves between the occupied territories and the negotiation tables as it follows the emotional shifts in the conflict from the 1995 assassination of Yitzhak Rabin to the years when Benjamin Netanyahu was in power. In a definitive account of the meetings at Camp David in July 2000, Enderlin details what was said between Israeli and Palestinian negotiators brought together by Bill Clinton in the presence of Yasir Arafat, President of the Palestinian Authority, and Israeli Prime Minister Ehud Barak.
