Marauding Daddies Linzi Basset, 2024-03-29 Welcome to the finale in the Louisiana Daddies saga and their fight to escape the vicious claws of the cruel Mafia Don, Salvatore Sanchigo, while finding the one sassy baby girl to fulfill their

Daddy Dom needs. Marauding Daddies is the story of Kevin and Keith Frazer. Kevin and Keith Frazer Ever since Keith was adopted, the two brothers have been inseparable. They fitted together like two pieces of a puzzle—in work, life, and love. With everyone around them finding their happily ever after, it was time for them to follow suit. Hence, the search for their own baby girl began—with an auction at Club Rogue. The fiery little redhead ticked all the boxes. The fact that she turned out to be their interfering new neighbor was an added and very convenient surprise. Aria Harper A new life started for Aria after inheriting Splendor Orchard Farm from her uncle—except there was more to her arrival in Louisiana. Finding out the targets she was after were her neighbors, was an added bonus, except the two brothers were so much more than she came prepared for, especially when they demanded she call them BOTH her Daddy. The Frazer brothers were fearless. They had been chasing criminals and mafia leaders for years. One thing they weren't prepared for was a petite redhead out for revenge for the death of her father. Would they discover her true nature in time... or would who she was destroy the bond the two brothers had forever? On this journey, the age-old question arose—would true love conquer all? Only time will tell. Note: This is the finale in the Louisiana Daddies series. Although the book can be read as a standalone, the series should be read in order for best reader experience since there is a backstory throughout. Covert Daddy - Prequel Black Ops Daddy - Book 1 Radical Daddy - Book 2 Demanding Daddy - Book 3 Marauding Daddies - Book 4

Covert Daddy Linzi Basset, 2023-06-15 Kaden Frazer I'm a busy man. Running a black ops recovery and crisis management company is hard work, especially since I like to be out in the field getting high on adrenaline and chasing the bad guys. What I don't have time for is to babysit my friend's niece. Kaden found balance in the demands of his job at Club Rouge, where he was one of the founding partners. Nothing beat the thrill of watching open defiance turn into untethered submission as pretty cheeks bloomed whenever he gave a sub... the look. What he didn't expect was to be enamored with a woman worming her way into the club under false pretenses. Sage Lewis I'm done with it. Fed up. Sick and tired of overprotective men, my uncle included. I'm an FBI undercover operative who can take care of herself. I'm thirty-four-years old and have a black belt in Taekwondo, for heaven's sake. And I don't need a Daddy Dom... I don't! Getting inside Club Rouge was easy. She had an inside contact. Getting her bottom blistered hadn't been part of the plan. Getting lost in the Dom demanding she call him Daddy... impossible! But it happened. All of it... which would've been fine, except now she was caught between a rock and a hard place. A twist of fate brought them together when the case she was working on was leaked, putting her life in danger. Now, she had two battles to fight. Staying alive... and denying the man who kept insisting she was his.

Daddy's Princess I was sent to protect her from an obsessed stalker. But my own obsession has her over my knee and crying out 'daddy please.' Daddy's Treat He wants to know my

naughtiest fantasies. That's easy. I want to be his good girl. His naughty girl. I want him to be my daddy. Sometimes, the dirtiest trick turns into the sweetest treat. Daddy's Obsession I swore off all relationships. One night is all I promised. A single night for him to dominate my body. Daddy's Temptation I won't stop until I've made her my babygirl. She'll be mine. My temptation. My love. My everything.

Demanding Daddy Linzi Basset, *Demanding Daddy* is the story of Slade Lewis and Jessica Hewitt. Slade Lewis Slade Lewis, Deputy Director of the CIA, knew all too well that tomorrow was never guaranteed. He had lost many partners over the years in the line of duty. As DD, he took his job seriously and the protection of his teams even more so. He didn't hide behind his desk with a pen in hand. He fought every criminal by the side of his team, every one planned to the last minuscule detail. This time, he couldn't predict the outcome, especially not when the element that threatened failure was a petite brunette... one that needed to be mastered. There was only one problem. She was a wanted woman. A corrupt attorney general who, by shady means, was released from prison. Except... there was so much more to her... and the more he found out, the less he liked what he uncovered. Jessica Hewitt She had a terrific career and made the headlines as an unbending attorney general time after time. Until everything changed and her past caught up with her, proving once again that blood was thicker than water. Family always came first. This time, she lost everything. Her career, her freedom... and her one chance at finding love with a man she had a secret crush on since the first day she laid eyes on him. With no choice but to go into hiding, the last person she expected to walk through the door as her savior was the man she desired above all else. Caught between two worlds, nothing could prepare her for the effect DD Lewis had on her when his focus became just her. How did she stay loyal to a corrupt family when all it took to crumble her resolve was one dark look and the promise of retribution over his lap... as her Daddy Dom? Since this series follows a back-line story, the books should be read in order.

The Seduction of Discipline E.L Discipline, 2017-06-30 This is my world. I live it daily, and this book is here to educate those people that think this lifestyle is a fad, a joke, and not real. I will break it down for you. I will introduce you to the many levels of BDSM and smash any misconceptions you have. This book will have you fascinated and even tempted to try this out. But it will also educate you and open your eyes a bit into this lifestyle. You may scoff at what has already been portrayed to you in TV and in books and think, Oh my god, no way in the world would I ever crawl on my knees to a man. No man is worthy. But don't be scared if you come to understand a little bit better once you educate yourself. TV and previous information about BDSM was and is not as thorough as what you're about to read. What I do, what my lifestyle pertains, is something far beyond what you can imagine. Keep reading if you want to be awakened into a lifestyle that is fulfilling and satisfying for both parties. Don't say I didn't warn you. You may laugh and toss this book aside, but you will be awakened. And there is no turning back from that.

FINALIST FOR THE LAMBDA LITERARY AWARD • ONE OF THE BEST BOOKS OF THE YEAR: PopSugar, Them When Rachel Krantz met and fell for Adam, he told her that he was looking for a committed partnership—just one that did not include monogamy. Intrigued and more than a little nervous, Krantz decided to see whether their love could coexist with the freedom to date other people. Could they strike an exquisite balance between intimacy and independence, and find a way to feel passion for each other once the honeymoon phase ended? Krantz documents her dive into polyamory, from Brooklyn sex parties to swinging and beyond, in her extraordinary debut memoir. As she attempts to write a new plot for her love story with Adam, she runs up against miscommunications, gaslighting, and ancient power dynamics, and seeks solid ground in a relationship where the rules are ever-shifting. An award-winning journalist, she interviewed scientists, psychologists, and people living and loving outside the mainstream as she searched to understand what polyamory would do to her heart, her mind, and her life. With an unflinching eye and page-turning storytelling, *Open* is groundbreaking in both its documentarian approach to polyamory and its explicit subject matter. From debilitating anxiety spirals to heart-opening connections with the men and women she dates, Rachel puts her whole self on the line as she attempts to redefine what a relationship is—or could be.
