Death of My Aunt Clifford Henry Benn Kitchin (letterkundige),1949

Death of My Aunt C. H. Kitchin,1996-02-01 One of the most beautifully developed and quietly amusing characters in detective fiction, Malcolm Warren is a fastidious, even eccentric, young stockbroker, summoned by his very rich and very autocratic aunt. Her sudden and horrible death by poison--at Malcolm's inadvertent hand--plunges Malcolm into a fevered search for the real killer.

Aunt Elois and the Death of a President Elizabeth O'Mara Anderson,2012-07-17 My great aunt Elois usually didn't wear her glasses, and she was not wearing them that day in Dealey Plaza. For reading her Bible, she always used a magnifying glass, and she called it her spy glass. She searched every day in her Bible for new scriptures to put into practice. Aunt Elois had her own car to drive, even in the 1950's. Maxine worked as a volunteer at a local hospital gift shop. She always remembered her many relatives with beautiful cards and thoughtful gifts. Maxine's father, Judge William Carey Graves, was a former Texas State Senator. He was a wonderful story teller and loved to smoke his special pipe. His huge collection of National Geographic magazines was started in the year 1911.

Death of a Crabby Cook Penny Pike,2014-08-05 First in a new series! At the San Francisco Seafood Festival, someone is steamed enough to kill a cook.... When restaurant reviewer Darcy Burnett gets served a pink slip from the San Francisco

Chronicle, she needs to come up with an alternative recipe for success quickly. Her feisty aunt Abby owns a tricked-out school bus, which she's converted into a hip and happening food truck, and Darcy comes aboard as a part-timer while she develops a cookbook project based on recipes from food fests in the Bay Area. But she soon finds someone's been trafficking in character assassination—literally—when a local chef turns up dead and her aunt is framed for the murder. The restaurant chef was an outspoken enemy of food trucks, and now Darcy wonders if one of the other vendors did him in. With her aunt's business—and freedom—on the line, it's up to Darcy to steer the murder investigation in the right direction and put the brakes on an out-of-control killer.... RECIPES INCLUDED!

Death of a Pooh-Bah Karen Sturges,2000 The second volume in Karen Sturges's acclaimed musical mystery series features the return of sleuth Phoebe Mullins and a medley of malice and murder at an amateur theatre company's production of Gilbert and Sullivan's Mikado.

Death in the Margins Victoria Gilbert,2022-12-06 The theater is no place for murder—but a case of backstage betrayal drags library director Amy Webber into a case that could mean curtains in critically acclaimed author Victoria Gilbert's Blue Ridge Library mystery. It's early summer, and while Richard Muir and his dance partner, Karla, are preparing their new choreographic piece, Richard's wife, Amy, is gathering the dance's source materials. Based on folktales and the music of the Blue Ridge Mountains, the production is set to premiere at an old cinema that has been converted to a theater. But when dancer Meredith Fox—Richard's former fiancé—is found dead backstage, Amy is once again propelled into a murder case that threatens the careers and lives of those she loves. After Amy teams up with Chief Deputy Brad Tucker and the sheriff's department to discover the killer, they find that there's no shortage of suspects: Meredith's wealthy ex-husband, several fellow dancers, a romantically spurned accompanist, and others whom the talented but haughty dancer dismissed or betrayed over the years. With Richard and Karla's help, and information gleaned from locals who know a wealth of small-town secrets, Amy desperately tries to unveil the killer before the premiere. But she's pursuing a ruthless murderer who's willing to kill again—and who might just be waiting for Amy in the wings.

The Shadow of Death Harry Gordon,2013-07-24 "A shocking story of the fate of Jews in the infamous Slobodka ghetto and the horrors of Auschwitz and Dachau." —B'nai B'rith Messenger Holocaust survivor Harry Gordon recalls in brutal detail the anguished years of his youth, a youth spent struggling to survive in a Lithuanian concentration camp. A memoir about hope and resilience, *The Shadow of Death* describes the invasion of Kovno by the Red Army and the impact of Soviet occupation from the perspective of the ghetto's weakest and poorest class. It also serves as a reminder that the Germans were not alone responsible for the persecution and extermination of Jews. "In a Holocaust memoir made unique by its rare depiction of Nazi-occupied Lithuania and by its condemnation of the local Jewish council, Gordon bears witness to the brutality of Lithuanians and conqueror alike as he reconstructs his corner of hell . . . the book makes a tremendous impact." —Publishers Weekly "A powerful tribute to the human spirit and the will and determination of one human being to survive in a hell not of one's own making." —CCAR Journal: The Reform Jewish Quarterly "Preserves the record for the many in detailing major events; the ambivalent behavior of Lithuanians toward Jews; and the community organization, work, and routine of ghetto life." —Library Journal "A timely reminder of a historic tragedy that the newly created nation would seemingly like to forget." —The Jewish Post & Opinion "A gripping account of the horrors of the Holocaust from the perspective of the ghettos' poorest and weakest class." —Appalachian Quarterly

Final Legacies William Dales Hartt, 1998 Humorous, uplifting, and informative, Final Legacies is written for the recreational reader as well as for survivors of loss by death. The author traces his own views of death from his early childhood through the present and reveals methods of recovery in the Final Legacies left by the deceased. The book is a must for those who have lost a significant other, who counsel the dying and their survivors, and who will face loss in the future. The humorous treatment of a very heavy subject relieves the reader of the emotional devastation of reading about death.

The New Children and Near-Death Experiences P. M. H. Atwater, 2003-11-06 Presents an in-depth look at children who have experienced the near-death phenomenon and the heightened abilities that these children exhibit • Provides

compelling evidence for the existence of a generation of children who represent the spiritual evolution of the human race • Includes firsthand testimonies of children who have returned from near death The New Children and Near-Death Experiences is the first book to provide--from the view of the child--an in-depth study of children who have experienced the near-death phenomenon and its aftereffects. Atwater notes that the child who returns from a near-death experience is not the same child as before, but is a “remodeled, rewired, reconfigured, refined version of the original.” Presenting data to support her contention that these children have experienced structural, chemical, and functional changes in the brain, she also shows how their greater empathic abilities as well as dramatically higher intelligence are qualities that are also present in children born since 1982--enhanced abilities that cannot be tied to simple genetics. Atwater shows that understanding the near-death experiences of children can help us prepare for a quantum leap in the evolution of humanity.
