Monster and Die Softly Christopher Pike, 1995

Paperback Crush Gabrielle Moss, 2018-10-30 For fans of vintage YA, a humorous and in-depth history of beloved teen literature from the 1980s and 1990s, full of trivia and pop culture fun. Those pink covers. That flimsy paper. The nonstop series installments that hooked readers throughout their entire adolescence. These were not the serious-issue novels of the 1970s, nor the blockbuster YA trilogies that arrived in the 2000s. Nestled in between were the girl-centric teen books of the '80s and '90s—short, cheap, and utterly adored. In *Paperback Crush*, author Gabrielle Moss explores the history of this genre with affection and humor, highlighting the best-known series along with their many diverse knockoffs. From friendship clubs and school newspapers to pesky siblings and glamorous beauty queens, these stories feature girl protagonists in all their glory. Journey back to your younger days, a time of girl power nourished by sustained silent reading. Let *Paperback Crush* lead you on a visual tour of nostalgia-inducing book covers from the library stacks of the past.

Yet as they talk, a darker story unfolds around them. A story of life and death, of redemption and damnation. It will be the longest night of Teresa's life. And maybe the last night of her life.

Two of Jean's friends are waiting for her in Hawaii—Mandy and Michele. They have already made friends with two young men who teach scuba diving at the hotel—Dave and Johnny. Jean and Johnny quickly become friends. But there are problems in paradise. Dave and Johnny have recently lost a partner in the ocean. No one knows how he died. No one can find his body. She has the ability to heal people with her touch. She also knows things that are happening in faraway places when she looks in water that has sunlight shining on it. She comes from a tradition of witches—good witches. But before Julia's mother died, she warned her daughter never to look in water that had moonlight shining on it. Unfortunately, almost by accident, Julia does. What she sees is a vision of the future, a scene in which a young man she doesn't know is shot and dies in her arms. Only later, when Julia attends a football game at school, does she meet the young man. He is her girlfriend's new boyfriend. Julia immediately falls for the guy, but it is an ill-fated love. Julia doesn't know if her vision of the future is set, or if it can be changed. She doesn't know why the gunman in her vision evokes such hatred in her, and why she feels she must destroy him at all costs. But by using the supernatural powers at her command and risking her own life plus the lives of her friends, Julia will find the answers to all these questions—at a terrible cost.

Reading Programs for Young Adults Martha Seif Simpson,2015-11-16 School and public libraries often provide programs and activities for children in preschool through the sixth grade, but there is little available to young adults. For them, libraries become a place for work—the place to research an assignment or find a book for a report—but the thought of the library as a place for enjoyment is lost. So how do librarians recapture the interest of teenagers? This just might be the answer. Here you will find theme-based units (such as *Cartoon Cavalcade*, *Log On at the Library*, *Go in Style*, *Cruising the Mall*, *Space Shots*, *Teens on TV*, and 44 others) that are designed for young adults. Each includes a display idea, suggestions for local sponsorship of prizes, a program game to encourage participation, 10 theme-related activities, curriculum tie-in activities, sample questions for use in trivia games or scavenger hunts, ideas for activity sheets, a bibliography of related works, and a list of theme-related films. The units are highly flexible, allowing any public or school library to adapt them to their particular needs.
