Project Asap Dr. P,2017-09-08 Have you ever been challenged by boys who have no interest in learning or have no connection to you? Have you ever wished there were materials or a curriculum you could use that would connect with boys and motivate them to become better writers and thinkers and more active participants in discussions and projects? Project ASAP is a life-skills manual expressly developed for boys who are the most challenging and difficult to motivate. More than forty culturally relevant lesson plans can be used by the experienced teacher or the volunteer with no training. Pillars including academics, social skills, abilities, and physical fitness are the basis for the lessons. Topics include bullying, personal hygiene, income potential, and fixing a flat tire. In addition, there is a ranking system based on merits, where good social behavior, classroom etiquette, homework completion, and other criteria earn merits. For faith groups, there is a

passage section that includes a rite of passage that can also be adapted for secular use. Also in the manual, you'll find tips that Dr. Perry shares from his many years of working with all boys, especially boys of color. Project ASAPa life-skills manual that includes more than forty culturally relevant and practical lessons, personal lessons learned over the years, and a model program of incentives based on the pillars of academics, social skills, abilities, and physical fitness is his fourth book. Dr. P shares his secrets to his proven successful formula for reaching and building strong, positive boy-adult male relationships while motivating them to excel.

This valuable text trains health educators to connect the Social Emotional Learning (SEL) competencies to the National Health Education Standards (NHES), then design assessment and instruction.

Adoption and impact of OER in the Global South Cheryl Hodgkinson-Williams, Brazil Arinto, 2017-12-29 Education in the Global South faces several key interrelated challenges, for which Open Educational Resources (OER) are seen to be part of the solution. These challenges include: unequal access to education; variable quality of educational resources, teaching, and student performance; and increasing cost and concern about the sustainability of education. The Research on Open Educational Resources for Development (ROER4D) project seeks to build on and contribute to the body of research on how OER can help to improve access, enhance quality and reduce the cost of education in the Global South. This volume examines aspects of educator and student adoption of OER and engagement in Open Educational Practices (OEP) in secondary and

tertiary education as well as teacher professional development in 21 countries in South America, Sub-Saharan Africa and South and Southeast Asia. The ROER4D studies and syntheses presented here aim to help inform Open Education advocacy, policy, practice and research in developing countries.

Essential Geriatrics Henry Woodford, 2010 In an ageing population, those who specialise in the treatment of older people are more essential than ever. The specialty is also becoming more evidence-based as research into care of the elderly grows. This second edition of *Essential Geriatrics* has been comprehensively updated and expanded, with entirely new sections on the ageing process and a selection of important topics. In addition there are 100 questions throughout the text in the modern knowledge-based 'best of five' format, with answers. This text specifically focuses on the key aspects of elderly care, spanning both general medicine and the particular problems encountered in geriatrics as a route into the specialty: the subjects chosen typically receive scant coverage in general medical texts. Practical guidance for managing the conditions covered is included at the end of each section, with reasoned approaches to areas where evidence is more scarce. Eloquently describes the knowledge and experience base essential for practitioners of geriatric medicineA - James George in his

Foreword From reviews of the first edition: Strongly recommended to geriatricians of all grades and valuable for all members of the multi-disciplinary team on the shelf of the ward office. Excellent.' AGE AND AGEING

Examining Educational Policy in Latin America Axel Rivas, 2021-12-30 This book synthesizes and analyzes the complex map of educational reforms in Latin America in the first two decades of the 21st century. The book offers insights into the agendas, processes and political economy of educational reforms in Argentina, Brazil, Chile, Colombia, Mexico and Peru. Written by renowned contributors from each country, chapters present systematic, critical and reflective accounts of an intense period of education reforms. The book fills a gap in educational research and provides a systematic study that compares the cases analyzed. The first broad, comparative collection of its kind, the book is well-suited to courses in international and comparative education policy.

Essential Geriatrics, Third Edition Woodford Henry, 2019-07-04 This third edition has been comprehensively updated and expanded, and now includes over 200 questions and answers throughout the text in the best of five' format. This text specifically focuses on the key aspects of elderly care, spanning both general medicine and the particular problems encountered in geriatrics as a route into the specialty.
