Historic Erie County Edward T. Wellejus,2004 An illustrated history of Erie, Pennsylvania, paired with histories of the local companies.

Hen Frigates Joan Druett,2012-02-21 A hen frigate, traditionally, was any ship with the captain's wife on board. Hen frigates were miniature worlds -- wildly colorful, romantic, and dangerous. Here are the dramatic, true stories of what the remarkable women on board these vessels encountered on their often amazing voyages: romantic moonlit nights on deck, debilitating seasickness, terrifying skirmishes with pirates, disease-bearing rats, and cockroaches as big as a man's slipper. And all of that while living with the constant fear of gales, hurricanes, typhoons, collisions, and fire at sea. Interweaving first-person accounts from letters and journals in and around the lyrical narrative of a sea journey, maritime historian Joan Druett brings life to these stories. We can almost feel for ourselves the fear, pain, anger, love, and heartbreak of these courageous women. Lavishly illustrated, this breathtaking book transports us to the golden age of sail.

History of the Town of Surry, Cheshire County, New Hampshire Frank Burnside Kingsbury,1925

History of Cambridge, Massachusetts, 1630-1877, Volume 2 Lucius R. Paige,2018 The History of Cambridge was originally published in 1877. Besides the historical narrative in the first volume, the second volume contains a very full and carefully compiled Genealogical Register of the early settlers and their descendants. These volumes are, in the most essential respects, models of what a town history should be. They contain the most important information obtainable from the sources then open to the author, and this is presented in a clear and concise narrative. In the estimation of those most competent to pass judgment, these volumes are authorities. But they are something more than authorities. They not only instruct; they inspire. Nobody deserves the privilege of growing up in this city who does not make himself familiar with these books. They are epitomes of the history, not only of this town, but of a good many other Puritan towns. It fills this place with memories of by-gone scenes and deeds which were precious to the people of those times, and are precious still to us, their descendants or

successors.

A Genealogical Account of the Descendants in the Male Line of William Peck, One of the Founders in 1638 of the Colony of New Haven, Conn Darius Peck,1877 A Genealogical Account of the Descendants in the Male Line of William Peck, One of the Founders in 1638 Of the Colony of New Haven, Conn by Darius Peck, first published in 1877, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.
