The Ultimate Guide to Indiana Jones, 2023 Harrison Ford will don the iconic fedora for a fifth (and, he says, final) film in *Indiana Jones and the Dial of Destiny*. What made the 80-year-old actor return to play his most iconic character (sorry, Han Solo!) for one last adventure? Trying not to look silly running around in tight pants and high boots, he quipped to CBS *This Morning* before clarifying the real reason: When we have the opportunity to make another, it's because people have enjoyed them. I feel obliged that our efforts are as ambitious as they were when we started. As we get ready for *Dial of Destiny* to hit theaters on June 30, we tip our fedora to the iconic hero with this epic issue honoring the history of the fantastic franchise--from its exciting origins to its scene-stealing characters, quotable quips and stupendous stunts--in hopes of creating a collectible artifact that film fans will dig up like a buried treasure.--Page 7.
