*It Couldn't Just Happen* Lawrence O. Richards, 2011-08-01 This four-color, Gold Medallion Book Award winner is a perfect tool that offers solid, biblical answers to some of the tough questions kids ask about evolution and our world. "Did Earth begin with a 'Big Bang' cosmic explosion?" "Does science contradict the Bible?" "What happened to dinosaurs?" "Is there life on other planets?" "Did we evolve from apes?" "What makes my body work on its own?" Kids are daily exposed to the theory of evolution by the media and public schools. It's not safe to assume that your kids will reject that theory. It's up to us as parents and Christian leaders to make sure our children know the truth about the creation of the world. With thousands of evidences to prove He created and sustains the universe, *It Couldn't Just Happen* will fascinate kids with fun activities and examples of God's marvelous works.

*It Couldn't Just Happen* Lawrence O. Richards, Larry Richards, 2011 Presents biblical and scientific evidence that the natural world was created by God rather than through evolution.

**On Wings of Faith** Diane J. Conner, 2007-03-01 On Wings of Faith I'll be back for you Jenny, I promise. She looked at him through tear-filled eyes, still reeling from the reality of what was happening. Never had she felt so afraid, yet so sure of

his promise. Time froze, but like a raging torrent, it took him beyond her reach. One moment he was right in front of her, and then, with her young heart breaking, she helplessly watched the boy she loved being led away until finally, she sank to her knees and wept. Five months later, Chris returns to find her parents' house sold and his precious Jenny gone. His search for her takes him to the sun-drenched beaches of California, but is detoured and then abandoned in the jungles of self-pity, fear, and finally, time itself. Until eleven years drift into the yesterdays and a moment in time, known long ago, and created just for them, arrives. When he sees her standing in the warm glow of his cabin, a riptide of emotions washes over him. He wants to take her into his arms, to start from the day their lives were unexpectedly torn apart, but he also wants to flee because he had always wanted her to remember him the way he had been when they were happy and young. And yet, he reaches for her, and when she slips her hands into his, he knows he can never let go. But will her new-found faith in the God he wants nothing to do with become a barrier between them? Will she be forced to bury her dreams once again? Do not let your hearts be troubled. Trust in God; trust also in me. John 14: 1

*The Signature of God, Revised Edition* Grant R. Jeffrey, 2010-07-20 YOU CAN BELIEVE THE BIBLE. WITHOUT ANY DOUBT. As American society becomes more secularized, Christians need to know all the facts about the Bible. Dr. Grant R. Jeffrey has spent decades researching history, science, archaeology, medicine, and prophecy--finding that each discipline confirms the truth of Scripture. This revised and updated edition of *The Signature of God* proves that the Bible is not only accurate in its spiritual claims, but is completely reliable as well on matters of origins, medicine, history, and science. Historians of the ancient world--as well as recent archaeological finds--confirm the names of kings and kingdoms, and the dates of wars and mass migrations mentioned in the Bible. Recent breakthroughs in astronomy, physics, and medical science have shown that God's Word accurately described the universe and the processes of human life before scientific research caught up. And hundreds of fulfilled prophecies show that God revealed the future to his prophets in order to undergird the faith of his people. No matter how loudly the skeptics argue against Christian faith, only one conclusion makes sense: the Bible is God-breathed. You can believe every word, every claim, every prophecy, and every miracle. With no doubts.
