**Resurrecting the Mysterious** Ingo Swann,2020-08-19 RE-INTERPRETING WHAT IT MEANS TO BE AWAKE The Hidden Revelation, a previously unpublished manuscript of Ingo's, was discovered by Nick Cook in 2016 in a nondescript folder tucked inconspicuously among some of Ingo's notes. Now, together with Beyond the Gods' Devices, another undiscovered manuscript, it is published for the first time as Resurrecting The Mysterious, a posthumous compilation that delivers what we (that is Nick and Swann-Ryder Productions, LLC) offer here as Ingo's 'grand unified theory' of the human experience (and, in part, of consciousness itself). This asserts that paranormality is part of an 'expanded reality-set' rooted in the relationship between quantum theory, us the observer and something infinitely more profound, even, that is fully described in Beyond the Gods' Devices. The Hidden Revelation is more concerned with us, the immanent experience, the inward journey; Beyond the Gods' Devices with that world, whatever that world truly is, that binds and connects us to 'the numinous' -- that, which, at present, science is unable to describe. For many, it may also make the 'hard problem' of consciousness just that little bit easier to comprehend. We certainly hope so ...

*Psychic Literacy & the Coming Psychic Renaissance* Ingo Swann,2018-10-28 Exploring everything from visions, hunches, vibes, astrology, and the occult arts and sciences, to modern physics, geomagnetism and bio-electricity, *Psychic Literacy* is renowned artist and remote viewer Ingo Swann's grand overview of human psychic potentials.

**The Windy Song** Ingo Swann,2020-05-22 There are truths for which today scientific proof is not yet possible, or even feasible. Yet hints of them lie practically on all sides and these can be, and often are, perceived by many, even examined deeply and with conviction, truths which reveal themselves by other than the exact methods required by science.

Stardust Highways Ingo Swann,2023-03-20 A posthumous book about what Ingo loved most: cooking and entertaining-- Back cover. Also included are photographs of Swann's 30 paintings and a timeline list (index) of those artworks.

**Penetration** Ingo Swann,2020-11-29 \*\*UPDATED WITH NEW MATERIAL FOUND IN HAROLD SHERMAN'S ARCHIVES\*\* Ingo Swann -- renowned psi researcher -- reveals a long-held secret series of experiences with a deep black agency whose apparent charter was simple: UFOs and extraterrestrials on the moon and worries about ET telepathic/mind control powers. The agency was so secret that it had no paper trail, and hence no written secrecy agreements. Only the

verbal ones, which in Ingo's case expired several years ago. Now, in this era of burgeoning UFO glasnost, he tells a story of meetings held in a secret underground facility not far from Washington DC, and of being taken to a remote location near the Arctic Circle to witness the expected arrival of a huge UFO over the surface of an Alaskan lake. This book discusses undeveloped human telepathy and contrasts it with the probable existence of fully developed alien telepathy, which may have many different forms. Ingo also explores the fact that we officially know far more than we're admitting about the Moon -- its origins, its atmosphere, its occupants and many other unusual features. Penetration is about one of the means by which we can learn more about those not of this earth (and vice-versa) -- telepathy. Do we have the means to answer some very important questions that many have been asking for quite a long time? Inside this book are the answers to some. PLUS... In a newly discovered missing chapter on his psychic probes of Mars (9) to Penetration, Ingo asserts that there is a bigger question at play - the question as to why do mass-consciousness humans, as it were, mass-consciously almost 'conspire' to avoid certain issues, and consistently so? This inquiry, deep within Ingo's own awareness, is one that he would ponder until his passing in 2013. He no doubt wished to share this interrogation with the world back in 1998. Thus, while Neptune goes direct in Pisces, removing the veils, and providing an awakening of sorts, we have decided put Ingo's question to the world by including 9 along with Introductions by Dr. Krippner and Dr. Mitchell, an Afterword by Thomas M. McNear, Lieutenant Colonel, U.S. Army (Ret.), and recently discovered documents from Harold Sherman's Archives in this Updated Special Edition, all within an aptly named section entitled Subscript.

**Star Fire** Ingo Swann, 2018-09-02 One Spring day, he sang to a flower ... and the flower sang back.- Rock superstar-composer DAN MERRIWEATHER is the world's first true megapsychic. And when he discovers the true extent of his extraordinary powers, and his out-of-body voyages reveal the existence of top-secret US and Russian installations for the development of psychic weapons more frightening than any nuclear or bacteriological hardware, he evolves an astounding plan to transform the world... Superpsychic author Ingo swann has drawn on the incredible experience of his own scientifically documented paranormal powers for this nerve-tingling breakthrough novel that's just one small step ahead of the headlines.

*Las caras del ser* Avi Hay, 2016-09-12 *Las caras del Ser* es un libro fascinante e innovador que aporta claridad, experiencia e inspiración a quien recorre el sendero de la autorrealización. «Nosotros, los humanos, somos las auténticas caras del Ser. Necesitamos experimentar eso en la raíz de nuestra identidad para manifestar conscientemente como especie, con responsabilidad, paz, abundancia y bienestar. Hemos venido aquí al planeta Tierra, de todos los rincones del universo, para sanar las heridas del alma, cumplir nuestro programa existencial y trascender, desde esa forma del Ser que es humana.» *Las caras del Ser* es un libro extraordinario, especialmente concebido para las «almas viejas» que anhelan entender la vida como un viaje hacia la liberación. Pero también es una gran puerta para los lectores novatos en materia de

ciencia y espiritualidad, porque ata los cabos de la No-Dualidad con la ciencia y la informática, de las tradiciones espirituales con la autoconciencia y despeja, en términos simples y accesibles, el misterio del telón entre la vida en este mundo y en el «Otro Lado». Las caras del Ser dirige al lector directamente a la cuestión fundamental de la propia identidad y le ofrece un mapa del camino en dos pasos, los que forman las dos partes del libro: de la persona al alma y del alma al Ser. Las caras del Ser se puede leer de forma ordenada, pero también consultarlo como un oráculo, preguntándose interiormente sobre cualquier cuestión y abriéndolo intuitivamente para recibir un mensaje, lo que permitiría al lector descubrir nuevos horizontes de evolución que lo conducirán a la plenitud y el amor.

Purple Fables Ingo Swann, 2018-09-02 If a fable is a legendary story of supernatural happenings, Mr. Swann says, or a narration intended to enforce a useful truth, then these four are fables--which shouldn't be confused with fairy tales targeted only for children. These, then, are tales for kind and loving people of all ages. The Temple of Sanity tells of an idea that became a reality and grew into an institution, only to develop rules and leaders, cliques and critics . . . A Clay-Modeling Lesson tells of the four identical boys separated at birth and raised Christian, Jewish, Muslim, and atheist, and how they met as representatives of their respective communities . . . The Fate and Destiny of a Traveling Clairvoyant tells of a woman with a special talent, who found that people prefer seeing dimly to seeing clearly . . . Watcher of the Purple River tells of an old woman and a young man, and how she taught him to watch the river of life . . . These fables came to Ingo Swann as a gift from a part of himself: He awoke four mornings in a row and literally had to write them. They have in common a gentle wisdom, a kindness, an empathy, that will make them immediately precious--and then unforgettable--to the reader whose heart is open.

**Parapsicología Científica.** M. Pilar G. Molina, ¿Qué nos dice la parapsicología sobre el potencial oculto de la mente?

¿Estamos ante los primeros pasos de una nueva forma de entender la realidad o simplemente frente a fenómenos que desafían nuestra comprensión actual? Este libro ofrece una exploración profunda de los fenómenos parapsicológicos más estudiados, como la telepatía, la clarividencia, la psicoquinesia y las experiencias cercanas a la muerte, entre muchos otros. A través de un enfoque riguroso y detallado, se examina cómo los defensores de estos fenómenos han intentado encontrar explicaciones dentro de la física cuántica, recurriendo a conceptos como el entrelazamiento cuántico, la superposición, la no-localidad, y la teoría de los multiversos. Con ejemplos claros y una mirada crítica, el libro busca arrojar luz sobre estos misterios, situando los fenómenos paranormales dentro del marco científico más actual, y ofreciendo una visión fascinante sobre cómo podrían estar conectados la conciencia y el universo.

**Principales Fenómenos Parapsicológicos:**

1. **Telepatía:** Capacidad de transmitir pensamientos, emociones o información directamente de una mente a otra sin utilizar los sentidos tradicionales.
2. **Clarividencia:** Percepción de información sobre objetos, personas o eventos a distancia o fuera del alcance de los sentidos físicos.
3. **Precognición:** Habilidad de percibir eventos futuros antes de que ocurran, sin depender de la lógica o patrones observables.
4. **Psicoquinesia (o telequinesia):** Capacidad de influir en objetos físicos o alterar su estado solo con la mente, sin contacto físico.
5. **Experiencias Fuera del Cuerpo (EFC):** Sensaciones de que la conciencia se separa del cuerpo físico, permitiendo observar el entorno desde una perspectiva externa.
6. **Proyección Astral:** Variante de las EFC, en la que la conciencia o cuerpo astral viaja a otros lugares o planos no físicos.
7. **Experiencias Cercanas a la Muerte (ECM):** Sensaciones que ocurren cuando una persona está al borde de la muerte, como flotar fuera del cuerpo, ver una luz brillante o sentir una conexión trascendental.
8. **Fenómenos Poltergeist:** Actividad física inexplicable, como el movimiento de objetos o ruidos misteriosos, asociados con fuerzas invisibles o entidades espirituales.
9. **Retrocognición:** Habilidad para percibir eventos pasados sin haberlos experimentado directamente o tener acceso a esa información de manera convencional.
10. **Mediumnidad:** Capacidad de comunicarse con espíritus o entidades que ya no están presentes en el mundo físico, actuando como intermediario entre los vivos y los muertos.
11. **Visión Remota:** Capacidad de percibir detalles de un lugar o evento distante sin estar físicamente presente allí, investigada en contextos militares y de investigación científica.

Aunque muchos de estos fenómenos siguen siendo inverificables bajo los métodos científicos tradicionales, representan una invitación a cuestionar los límites de la percepción humana y a explorar si existe más allá de lo que podemos ver, tocar o medir. En las siguientes páginas, nos sumergiremos en este misterioso mundo, no solo para desvelar los secretos de la parapsicología, sino para reflexionar sobre lo que aún queda por descubrir.

A través de sus hermosas y fluidas páginas, se le invitará a abrazar lo absurdo y lo extraño, y a reconocer el poder de su propia mente. **Psychic Sexuality** Ingo Swann,2018-09-02 In 1989, Ingo Swann was invited by Dr. Elmer Green at the Menninger Foundation to participate in experiments involving physical energy fields, body, electricity, and states of consciousness. The experiments were conducted within an elaborate electrostatic copper wall environment, the design of which was based on an ancient Asian technique to activate and enhance clairvoyance and lucidity. As a result of the numerous experimental sessions undertaken, Swann's clairvoyance increased tremendously. Various states of lucid consciousness were achieved with respect to seeing vivid details of invisible energetic fields and phenomena of the biological body and its astonishing higher-energy systems. In PSYCHIC SEXUALITY, Swann reports on the high-energy systems associated with sexual energies that most people sense, feel, and respond to at very basic levels of consciousness even if they cannot perceive them by clairvoyance. Swann enlarges the book by providing an historical overview of several past epochs of higher-consciousness research during which sexual energies were vividly encountered , but which research was vigorously condemned by organized societal forces. The existence of the societal suppression is itself suppressed. If it was not for the shocking methods utilized to achieve it, the suppression is quite hilarious. Why such research has undergone societal suppression provides an interesting question. As part of an answer, Swann provides a step-by-step rationale that has very surprising implications

**The Wisdom Category** Ingo Swann,2003-12-15 In this sensitive work, Ingo Swann once more opens up the continuing story about the fuller extent of human consciousness, which, by many accounts, is amazing and intriguing. These accounts are found in all cultures, ranging from ancient to contemporary, and the sum of them more than suggests that humans plus their innate consciousness are designed for a much richer and astonishing existence than what most societal programs encourage or permit. The nexus, or connected group, of the discussions in this book turns on only two interactive questions: Is human consciousness designed for self-destruction? OR Is it designed to continuously sustain its own pro-survival into futurity? There are many categories within human consciousness that work to sustain pro-survival. But all of the can be affiliated with one central heading: WISDOM, without which our species could not have survived anything, even itself.
