**Publicaciones periódicas mexicanas del siglo XIX, 1856-1876** Martha Celis de la Cruz, 2003

México en sus libros Enrique Florescano, 2012-05-05 Éste es el primer libro que reúne las obras indispensables para conocer la historia de México desde sus orígenes hasta el presente. Ante la necesidad de obras que ordenen la prodigiosa multiplicación de libros y conocimientos acerca de los aspectos físicos, geográficos, históricos y actuales del país, Enrique Florescano y Pablo Mijangos se dieron a la tarea de preparar una guía de lecturas que servirá a quienes desean formarse una imagen precisa de las múltiples vetas que componen el mapa histórico y cultural de México. La cuidadosa selección de obras que forman esta guía de lecturas, va acompañada por comentarios que describen el contenido y las características de cada libro.

**Autores, editoriales, instituciones y libros.** Javier Garciadiego, 2015-08-26 Esta obra, recoge once ensayos cuyo denominador común es el abordaje de pasajes de la historia intelectual del siglo XX mexicano. Por sus páginas, el lector verá transitar a multitud de intelectuales, desde Justo Sierra y Ezequiel Chávez hasta José Emilio Pacheco, pasando por Félix Palavicini, José Vasconcelos, Martín Luis Guzmán, Daniel Cosío Villegas y Carlos Fuentes, entre muchos más, con una atención especial en Alfonso Reyes y en la presencia de los intelectuales españoles exiliados en nuestro país a partir de finales de los años treinta. Su lectura llevará también al lector a seguir los procesos de construcción de instituciones educativas y culturales como la Secretaría de Educación Pública, La Casa de España y El Colegio de México, así como al recuerdo de gestas culturales ahora legendarias, como las campañas educadoras de Vasconcelos en los años veinte. Algunos inéditos, otros publicados en revistas o como capítulos de libros, estos once textos hoy se presentan juntos con el fin de hacer

accesibles unos y rescatar otros.

Teatro Gabriela Rábago Palafox,1990

**Bibliografía filosófica hispánica (1901-1970)** Gonzalo Díaz Díaz,Ceferino Santos-Escudero,1982

**Novelas cortas** Federico Gamboa,2020-03-20 «Tuvo un vértigo de pudor y lloró, lloró mucho, hasta que el frío de la mañana al nacer la hizo temblar...» Las novelas cortas reunidas en este volumen, además de su elegante prosa, pueden valorarse como documentos de la vida cotidiana del Porfiriato. Aparecen como personajes niños de la calle, comediantas, turistas, calaveras y burócratas. Los interiores de la ciudad son descritos a detalle; nos introducimos en los gabinetes privados de restaurantes, cuartos de vecindad y camerinos de bailarinas. Se vislumbran ya las preocupaciones de su novela más conocida, Santa. La última novela se sitúa en dos momentos delicados de nuestra historia: el Segundo Imperio y las vísperas de la Revolución. La edición realizada por dos especialistas en literatura mexicana del siglo XIX reúne por primera vez las seis novelas cortas que Gamboa publicó a lo largo de su vida.

**Bibliografía española** ,1906 Each number contains: I. Bibliografía. II. Crónica. III. Anuncios.

José Medina Echavarría y la sociología como ciencia social concreta (1939-1980) Laura Angélica Moya López,2013-04-26

Obras completas. I. Libros de ensayo (1877-1899) Concepción Gimeno de Flaquer,2025-06-25 Estas obras completas reúnen los trabajos de una pionera del feminismo hispano, Concepción Gimeno de Flaquer (Alcañiz, 1850 - Buenos Aires, 1919). El primer tomo acoge los libros de ensayo que la autora aragonesa publicó en el siglo xix: La mujer española (1877), La mujer juzgada por una mujer (1882), Madres de hombres célebres (1884), Mujeres. Vidas paralelas (1893) y el libro de etiqueta En el salón y en el tocador (1899). Los textos transitan de lo femenino a lo feminista, de los ideales de la domesticidad isabelina de sus comienzos a la reclamación política que se materializa ya con vehemencia en el nuevo siglo. Las obras editadas van precedidas por una extensa introducción a la vida y obra de la autora a cargo de Antonio Francisco Pedrós-Gascón.

**La actividad y la producción literaria de Francisco Villaespesa en México (1917-1919)** Rafael Valles

Mingo,2015-05-27 CD-ROM, formato del archivo: PDF. RESUMEN: El estudio comienza, en su primer capítulo, con una Justificación que pretende dar cuenta del punto de partida del conocimiento científico existente sobre el tema y de los avances aportados por esta investigación y del procedimiento seguido en la misma, así como de la estructura y sistema de citas y referencias del trabajo que ante ustedes se presenta. El segundo capítulo presenta —en forma de Introducción y con la exclusiva finalidad de situar el núcleo central investigador de esta Tesis que es la estancia en México— un panorama obligadamente breve de la actividad y producción literaria de Villaespesa en Latinoamérica, atendiendo fundamentalmente a dos cuestiones: de una parte, a lo que constituyó el recorrido geográfico, cronológico y literario de Villaespesa por esos países (motivos, primer viaje por Norteamérica y Caribe —1917 a 1921—, segundo viaje por Sudamérica —1921 a 1931—);

de otro lado, a los rasgos primordiales que pueden considerarse comunes en su obra escrita en Latinoamérica. El tercer capítulo, La actividad literaria y social de Villaespesa en México (10-5-1917 al 6-6-1919), abierto con una breve contextualización sociohistórica de esos momentos del pasado mexicano, constituye uno de los dos ejes fundamentales de la investigación y se centra tanto en el conjunto de obras que escribió y editó el autor lajareño como en las actividades sociales y literarias que desarrolló Villaespesa durante sus estancias en Ciudad de México y en Mérida, así como en su paso breve por muchas otras ciudades, entre mediados de 1917 y de 1919. Se trata pues de numerosos viajes por la geografía mexicana, banquetes, homenajes y recepciones oficiales (entre ellas dos del propio Presidente Carranza) en el aspecto social; abarca la amplia escritura de teatro, poesía, novela y ensayo, la representación de varias de sus obras dramáticas, la frecuente colaboración periodística, la formación y dirección de compañías teatrales, la participación en conferencias, recitaciones y obras teatrales en la dimensión literaria. En el cuarto capítulo, Estudio de la producción original, literaria y ensayística, escrita por Villaespesa en México, tras la delimitación, clasificación y caracterización del corpus, se analizan sucesivamente las obras escritas en México: teatro (Hernán Cortés), novela (La ciudad de los ópalos), ensayo (diversos prólogos y artículos periodísticos) y poesía. Este último estudio, el poético, el más complejo temática y estructuralmente, sobre todo por la variedad, fragmentarismo y repetición de poemas en distintos libros sin precisar su origen y a veces mezclándolos, se distribuye en tres partes: los libros publicados en México —Tardes de Xochimilco, Las ciudades de México—, las series poemáticas y poemas aparecidos en diarios y revistas mexicanas y los poemas escritos en México pero incluidos en libros editados posteriormente y fuera de este país norteamericano —Tierra de encanto y maravilla, Los Conquistadores, Vasos de arcilla, Panderetas sevillanas, \*Los cafés de Madrid y Rincón solariego. Poemas rurales. Unas breves pero necesarias e interesantes Conclusiones cierran como quinto capítulo el presente trabajo de investigación y preceden al sexto, la Bibliografía citada, dividida en cuatro partes diferenciadas: las Obras Generales; los Diarios y Revistas Revisadas; los Libros concernidos del propio Villaespesa (en México) y, la Bibliografía específica sobre Villaespesa en México. Finalmente se incluyen cinco Apéndices: a) una breve síntesis cronológica de hechos; b) un índice genérico —precedido por una breve advertencia— de obras originales escritas y publicadas por Villaespesa en México (libros, poemas, artículos, prólogos), así como de otras actividades literarias (primeras conferencias, estrenos teatrales); c) un índice alfabético mínimo de los primeros versos de los poemas de Villaespesa de autoría acreditada en México; d) otro índice alfabético de personalidades citadas y la nota aclaratoria a pie que le corresponde; e) una breve selección de documentos gráficos (ilustraciones y fotografías cuya reproducción solo está autorizada a estos efectos investigadores) para ilustrar las andanzas mexicanas del poeta español.

Dictionary of Mexican Literature Eladio Cortés, 1992-11-24 This volume features approximately 600 entries that represent the major writers, literary schools, and cultural movements in the history of Mexican literature. A collaborative

effort by American, Mexican, and Hispanic scholars, the text contains bibliographical, biographical, and critical material--placing each work cited within its cultural and historical framework. Intended to enrich the English-speaking public's appreciation of the rich diversity of Mexican literature, works are selected on the basis of their contribution toward an understanding of this unique artistry. The dictionary contains entries keyed by author and works, the length of each entry determined by the relative significance of the writer or movement being discussed. Each biographical entry identifies the author's literary contribution by including facts about his or her life and works, a chronological list of works, a supplementary bibliography, and, when appropriate, critical notes. Authors are listed alphabetically and cross-referenced both within the text and the index to facilitate easy access to information. Selected bibliographical entries are also listed alphabetically by author and include both the original title and English translation, publisher, date and place of publication, and number of pages.

**El hijo pródigo II, octubre-diciembre de 1943 - III, enero-marzo de 1944** Varios, 2019-01-10 Revistas literarias mexicanas modernas es una serie publicada por el Fondo de Cultura Económica con el propósito de poner nuevamente en circulación, en ediciones facsimilares, las principales revistas literarias aparecidas en México en la primera mitad del siglo xx. De esta manera el curioso lector y el estudiante de nuestras letras tendrá a su alcance este sector de la literatura nacional de acceso tan difícil y de tanto interés documental. Con el objeto de facilitar su consulta, cada revista va precedida por una presentación y una ficha descriptiva, y cada volumen va provisto de un índice de autores.
