Lisa Jackson's Bentz & Montoya Bundle: Shiver, Absolute Fear, Lost Souls, Hot Blooded, Cold Blooded, Malice & Devious

Lisa Jackson, 2012-04-01 In each of her gripping bestsellers, Lisa Jackson has brought readers to the edge of their seats and proven herself a master of romantic suspense. Now the New York Times bestselling author of *Hot Blooded* and *Cold Blooded* delivers her most powerful novel yet, bringing back New Orleans detective Reuben Montoya as he matches wits with a twisted psychopath whose very presence makes his victims SHIVER. . . Every Serial Killer. . . A serial killer is stalking the streets of New Orleans. The victims are killed in a ritual fashion, a series of numbers tattooed into their bodies. There are no clues, no connections except one: a crumbling old asylum that was once the scene of unspeakable madness--and is now the calling card of a new kind of fear. *Is Searching For*. . . Solidifies Jackson's status as the queen of the modern-day suspense thriller. --The Providence Journal Kristi Bentz wants to write true crime. All she needs is that one case that will take her to the top. She finds it when she enrolls at All Saints College after learning that four girls have disappeared in less than two years. Expect the unexpected. --The Clarion Ledger *A First One Dead Body*. . . A prostitute lies strangled in a seedy French Quarter hotel room. Miles away, in a rambling plantation house on the sultry shores of Lake Ponchartrain, popular late-night radio host Dr. Samantha Leeds receives a threatening crank call. All in a day's work for a celebrity. Who would think to link the two? *His Vengeance Will Be Repeated*. . . A woman's slashed, incinerated corpse is found in a seedy New Orleans apartment. Her killer is certain there were no witnesses, unaware that his every move was seen by a beautiful stranger--from her bed in a bayou cottage on the outskirts of town. . . And *Repeated*. . . Taut, twisty. . . *Malice* displays the skilled Jackson at her best yet. --The Providence Journal The perfect moment is here at last. The humiliation and pain he put her through is about to be repaid. Soon Rick Bentz will know the torment of losing the person he loves most--and better yet, he'll have to watch. . . Gripping. . . Jackson heightens the creep factor. --Publishers Weekly Terrifying. . . *A Creepy Thriller*. --Publishers Weekly When New Orleans detective Reuben Montoya is called to investigate a murder with his partner Rick Bentz, he's shocked to recognize the victim. Camille Renard, an old high-school friend, was found on the altar of St. Marguerite's cathedral, dressed in a yellowed bridal gown and viciously garroted. . .

*The Night Before* Lisa Jackson, 2003 Haunted by recurring blackouts and dark secrets that have tormented her family for generations, Caitlyn Montgomery confides in Adam Hunt, a new psychologist in Savannah--a man who seems to hold the key

to her past and future. Original.

*Democracy's Chief Executive* Peter M Shane, 2022-05-10 Legal scholar Peter M. Shane confronts U.S. presidential entitlement and offers a more reasonable way of conceptualizing our constitutional presidency in the twenty-first century. In the eyes of modern-day presidentialists, the United States Constitution's vesting of "executive power" means today what it meant in 1787. For them, what it meant in 1787 was the creation of a largely unilateral presidency, and in their view, a unilateral presidency still best serves our national interest. Democracy's Chief Executive challenges each of these premises, while showing how their influence on constitutional interpretation for more than forty years has set the stage for a presidency ripe for authoritarianism. Democracy's Chief Executive explains how dogmatic ideas about expansive executive authority can create within the government a psychology of presidential entitlement that threatens American democracy and the rule of law. Tracing today's aggressive presidentialism to a steady consolidation of White House power aided primarily by right-wing lawyers and judges since 1981, Peter M. Shane argues that this is a dangerously authoritarian form of constitutional interpretation that is not even well supported by an originalist perspective. Offering instead a fresh approach to balancing presidential powers, Shane develops an interpretative model of adaptive constitutionalism, rooted in the values of deliberative democracy. Democracy's Chief Executive demonstrates that justifying outcomes explicitly based on core democratic values is more, not less, constraining for judicial decision making—and presents a model that Americans across the political spectrum should embrace.

*Devious* Lisa Jackson, 2011-10-24 A serial killer targets New Orleans nuns in this "nail-biting tale of dangerous secrets and deadly passions" by the #1 New York Times bestselling author (Booklist). When New Orleans detective Reuben Montoya is called to investigate the murder of a nun, he's shocked to recognize the victim. Sister Camille was his high school girlfriend. And she's just been found on the altar of St. Marguerite's cathedral...viciously garroted. Before devoting herself to god, Camille had a knack for making bad choices. She joined the convent after falling for her sister Valerie's soon-to-be ex-husband. But as Val—a former Texas cop—digs into Camille's murder, she realizes how little she really knew about her sister and their shared past. As more women of the church are found brutally slaughtered, no one is beyond suspicion—not even Friar Francis O'Toole. And no one is safe—least of all Valerie. Because this killer knows all, forgives nothing, and will not rest until Valerie becomes the next to pay for her sins.

*Lisa Jackson's The Abandoned Box Set* Lisa Jackson, 2015-11-16 Two unforgettable fan-favorite stories from the master of romantic suspense, Lisa Jackson. Sail Away Adam Drake has been falsely accused and is hell-bent on clearing his name. Only his former boss's captivating daughter, Marnie, holds the key to proving his innocence... Million Dollar Baby Chandra Hill has given up on having a family. That is, until a baby is left abandoned in her barn, and she finds herself connecting immediately with both the baby and the handsome emergency room doctor who looks after him...

*Reverse Shots* Wendy Gay Pearson, Susan Knabe, 2015-01-15 From the dawn of cinema, images of Indigenous peoples have been dominated by Hollywood stereotypes and often negative depictions from elsewhere around the world. With the advent of digital technologies, however, many Indigenous peoples are working to redress the imbalance in numbers and counter the negativity. The contributors to *Reverse Shots* offer a unique scholarly perspective on current work in the world of Indigenous film and media. Chapters focus primarily on Canada, Australia, and New Zealand and cover areas as diverse as the use of digital technology in the creation of Aboriginal art, the healing effects of Native humour in First Nations documentaries, and the representation of the pre-colonial in films from Australia, Canada, and Norway.

*Crude Justice* Stuart H. Smith, 2015-01-13 One day in the small Mississippi town of Laurel, a 26-year-old expectant mom named Karen Street sat down at the edge of her bathtub—and felt her hip split in two. The episode was so bizarre it wasn't until later, after she saw the doctor, that she realized her bone disease was almost certainly linked to her father-in-law's business. Winston Street ran a machine shop that drilled the gunk out of pipes used by Chevron, Shell and other giants of the oil industry—creating a white powder that covered Karen Street's husband's overalls every night, which then landed in their vegetable garden...and was highly radioactive. Winston Street didn't know the dust was poisonous, nor did his workers or his family. But someone did know. Indeed, there was evidence that America's Big Oil companies were aware for decades that they were pulling up radium from under the earth, poisoning yards like Street's while dumping radioactive water in unlined pits across the South. Now, to prove that and win justice for his blue-collar clients, an untested young lawyer named Stuart H. Smith and his eccentric team would have to get the better of America's best-known radiation attorney and the global clout of Chevron inside a Mississippi courtroom. In a gripping tale that reads as if torn from the pages of a John Grisham novel, *Crude Justice* tells how the Little Guy can take on the behemoth of Big Oil and win...with the help of a good attorney. Recounting more than two decades as a top environmental lawyer in the toxic oil patch of the American South, Smith tells the story of how he upped the ante again and again—getting the best of Chevron, then taking on the world's most powerful corporation, ExxonMobil, with \$1 billion on the line, and finally ferreting out the elusive truth behind BP's 2010 Deepwater Horizon disaster, the worst oil spill in U.S. history. Smith finally builds upon the courtroom drama of his past and the environmental threats of the present—from fracking to the Keystone XL pipeline—to issue a resounding call for America to break its crippling addiction to fossil fuels.

*Sovereign Screens* Kristin L. Dowell, 2020-04-01 While Indigenous media have gained increasing prominence around the world, the vibrant Aboriginal media world on the Canadian West Coast has received little scholarly attention. As the first ethnography of the Aboriginal media community in Vancouver, *Sovereign Screens* reveals the various social forces shaping Aboriginal media production including community media organizations and avant-garde art centers, as well as the national spaces of cultural policy and media institutions. Kristin L. Dowell uses the concept of visual sovereignty to examine the

practices, forms, and meanings through which Aboriginal filmmakers tell their individual stories and those of their Aboriginal nations and the intertribal urban communities in which they work. She explores the ongoing debates within the community about what constitutes Aboriginal media, how this work intervenes in the national Canadian mediascape, and how filmmakers use technology in a wide range of genres—including experimental media—to recuperate cultural traditions and reimagine Aboriginal kinship and sociality. Analyzing the interactive relations between this social community and the media forms it produces, Sovereign Screens offers new insights into the on-screen and off-screen impacts of Aboriginal media.

**Driving the Future** Margo T. Oge, 2016-09-20 Now in paperback, with a new foreword by Fred Krupp, an expert's illuminating preview of the cleaner, lighter, smarter cars of the future. In *Driving the Future*, Margo T. Oge portrays a future where clean, intelligent vehicles with lighter frames and alternative power trains will produce zero emissions and run at 100+ mpg. With electronic architectures more like those of airplanes, cars will be smarter and safer, will park themselves, and will network with other vehicles on the road to drive themselves. As the director of the EPA's Office of Transportation

and Air Quality, Oge was the chief architect behind the Obama administration's landmark 2012 deal with automakers in the US market to double the fuel efficiency of their fleets and to cut greenhouse gas emissions in half by 2025. This was America's first formal climate action using regulation to reduce emissions through innovation in car design. Offering an insider account of the partnership between federal agencies, California, environmental groups, and car manufacturers that led to the historic deal, Margo discusses the science of climate change, the politics of addressing it, and the lessons learned for policy makers. She also takes the reader through the convergence of macro trends that will drive this innovation over the next forty years and be every bit as transformative as those wrought by Karl Benz and Henry Ford. *Driving the Future* is for anyone who wants to know what car they'll be driving in ten, twenty, or thirty years—and for everyone concerned about air quality and climate change now.

The Oxford Handbook of Canadian Cinema Janine Marchessault, Will Straw, 2019-03-20 The chapters in The Oxford Handbook of Canadian Cinema present a rich, diverse overview of Canadian cinema. Responding to the latest developments in Canadian film studies, this volume takes into account the variety of artistic voices, media technologies, and places which have marked cinema in Canada throughout its history. Drawing on a range of established and emerging scholars from a range of disciplines, this volume will be useful to teachers, scholars, and to a general readership interested in cinema in Canada. Moving beyond the director-focused approach of much previous scholarship, this book is concerned with communities, institutions, and audiences for Canadian cinema at both national and international levels. The choice of subjects covered ranges from popular, genre cinema to the most experimental of artistic interventions. Canadian cinema is

seen in its interaction with other forms of art-making and media production in Canada and at the international level. Particular attention has been paid to the work of Indigenous filmmakers, members of diasporic communities and feminist and LGBTQ artists. The result is a book attentive to the complex social and institutional contexts in which Canadian cinema is made and consumed.
