The People of This Generation Paul Lyons, 2013-07-17 At the heart of the tumult that marked the 1960s was the unprecedented scale of student protest on university campuses around the world. Identifying themselves as the New Left, as distinguished from the Old Left socialists who engineered the historic labor protests of the 1930s, these young idealists quickly became the voice and conscience of their generation. The People of This Generation is the first comprehensive case study of the history of the New Left in a Northeast urban environment. Paul Lyons examines how campus and community activists interacted with the urban political environment, especially the pacifist Quaker tradition and the rising ethnic populism of police chief and later mayor Frank Rizzo. Moving away from the memoirs and overviews that have dominated histories of the period, Lyons uses this detailed metropolitan study as a prism for revealing the New Left's successes and failures and for gauging how the energy generated by local activism cultivated the allegiance of countless citizens. Lyons explores why groups dominated by the Old Left had limited success in offering inspiration to a new generation driven by the civil rights movement and opposition to the Vietnam War. The number and diversity of colleges in this unique metropolitan area allow for rich comparisons of distinctly different campus cultures, and Lyons shows how both student demographics and institutional philosophies determined the pace and trajectory of radicalization. Turning his attention off campus, Lyons highlights the significance of the antiwar Philadelphia Resistance and the antiracist People for Human Rights—Philadelphia's most significant New Left organizations—revealing that the New Left was influenced by both its urban and campus milieus. Combining in-depth archival research, rich personal anecdote, insightful treatment of the ideals that propelled student radicalism, and careful attention to the varied groups that nurtured it, The People of This Generation offers a moving history of urban America during what was perhaps the most turbulent decade in living memory.

**One Legacy of Paul F. Brandwein** Deborah C. Fort, 2010-02-16 Once again, our nation has a powerful need for a revolution devoted to creating scientists. As we face the challenges of climate change, global competitiveness, biodiversity loss, energy needs, and dwindling food supplies, we find ourselves in a period where both scientific literacy and the pool of

next-generation scientists are dwindling. To solve these complex issues and maintain our own national security, we have to rebuild a national ethos based on sound science education for all, from which a new generation of scientists will emerge. The challenge is how to create this transformation. Those shaping national policy today, in 2009, need look no further than what worked a half-century ago. In 1957, Sputnik circled and sent a clarion call for America to become the world's most technologically advanced nation. In 1958, Congress passed the National Defense Education Act, which focused the national will and called for scholars and teachers to successfully educate our youth in science, math, and engineering. It was during this time period that Paul F. Brandwein emerged as a national science education leader to lay the foundation for the changes needed in American education to create the future scientists essential to the nation's well-being.

**American Legacy** C. David Heymann, 2007-07-10 From the moment of their births, John and Caroline Kennedy occupied a central position in what is generally regarded as the most famous family in the United States, if not the world. Even as young children growing up in the White House, their most subtle gestures and actions made headlines.... Yet until now they have not been the subject of a dual biography. In that sense, this volume represents a first. In *American Legacy*, #1 New York Times bestselling author C. David Heymann draws upon a voluminous archive of personal interviews to present a telling portrait of John and Caroline Kennedy. A longtime biographer of various members of the Kennedy clan, including Jackie and Robert Kennedy, Heymann covers John's and Caroline's childhood in the White House, the dark aftermath of their father's assassination, their uneasy adolescence, and the many challenges they faced as adults, all under the glaring eye of the media. He reveals John's and Caroline's loving but at times trying relationship with their larger-than-life mother, as well as Jackie's own emotional struggles, romantic relationships, and financial concerns following JFK's death. Other revelations brought to light for the first time in *American Legacy* include the assassination attempt made on Jackie just before she gave birth to John; JFK Jr.'s romantic escapades prior to marrying Carolyn Bessette and accounts of the predominantly happy marriage they shared despite criticisms from questionable sources; the shocking report of the autopsy performed on John following the tragic plane crash that killed him, Carolyn, and her sister Lauren; Caroline's rise to become one of the wealthiest women in America and her life now as the sole keeper of her family's magnificently complex legacy. Utterly compelling and full of new and fascinating details, *American Legacy* overturns much of what we thought we knew about two of the most talked-about members of the Kennedy family.

**Evolution of a Legacy** James Raymond Prisco, 2025-04-15 James R. Prisco Sr. was born April 28, 1921 and died at the age of 99 in 2020. He was the youngest of 8 children born to Italian immigrant parents who came to the United States in the early 1900's. With only an 8th grade education, Jim persuaded many jobs and at the age of 25 started his own Mason Construction Company. That company was incorporated 5 years later and has been extremely successful for over 75 years. His son and daughter, and hopefully grandchildren and great grandchildren will keep this legacy going over 75 more. Jim

was a highly respected business man and father who always gave back to the communities he came in contact with. This will be very evident as you read this book dedicated to Jim's life.

**The Enduring Legacy of the Detroit Athletic Club: Driving the Motor City** Ken Voyles, Mary Rodrique, 2012-03-25  
Founded in 1887, the Detroit Athletic Club left an indelible stamp on the city even as it was helping that city find its place in the country at large. Always a powerhouse for individual and team amateur athletics, the DAC helped give its members the strength to serve as soldiers and compete as Olympians. They fueled the manufacturing frenzy that created the Motor City and brought home the professional sports teams that were its due. In this chronicle of the DAC's long history, readers will discover the unique world of a private club that remains one of the finest in the world, an enduring home to community leaders, amateur athletes and one of Detroit's architectural jewels.

**The Lavette Legacy** Howard Fast, 2018-05-01 From activist to family matriarch, Barbara Lavette takes center stage in the final three volumes of the New York Times–bestselling Immigrants saga. New York Times–bestselling author Howard Fast's immensely popular Immigrants saga spanned six novels and more than a century of the Lavette family history. The series was considered one of the crowning achievements of the prolific author, who also penned *Spartacus*, *Freedom Road*, and *April Morning*. **The Legacy**: In this New York Times bestseller, Barbara, the daughter of self-made Italian immigrant Dan Lavette, navigates the turmoil of the 1960s, including the Vietnam War, the feminist and civil rights movements, and Israel's Six Day War with Egypt. "A wonderful book." —Los Angeles Times **The Immigrant's Daughter**: At sixty, Barbara is living a quiet life in San Francisco, grieving after the death of a longtime male friend. But when she mounts an unexpectedly competitive congressional campaign, she reconnects with her past as a journalist and human rights activist, and her spirits revive, in this New York Times Bestseller. **An Independent Woman**: In this emotional farewell, Barbara, the rock and matriarch of her family, marries a Unitarian priest, and together they travel the world—until she faces the toughest challenge of her life. "Eventful and well-crafted . . . Loyal fans of Fast's opus will welcome this bittersweet reunion with a woman they have come to know and admire." —People

**The Legacy** Stephen W. Frey, 2020-03-24 The most shocking conspiracy theory of our time . . . is no longer a conspiracy theory, from the New York Times bestselling author of *The Takeover* “Comparisons of Frey to Grisham and Clancy are apt—he's got the same ability to mesmerize his readers with fast-moving action, gripping intrigue, and larger-than-life characters.”—Booklist Bond trader Cole Egan is on the edge of financial and professional ruin when he receives a surprising inheritance. His estranged father left him a key to a safe-deposit box. Inside the box is a videotape of the John F. Kennedy assassination—filmed from the other side of Dealey Plaza—proving beyond a doubt that there was a second gunman on the infamous “grassy knoll.” It is a revelation that could shake the nation to its core. A prize worth millions to the person who possesses it. A secret that some will kill to keep. . . .
