Have You Eaten? Su Youn Lee, 2022-04-19 A charming, heartfelt picture book debut from Su Youn Lee, *Have You Eaten?* celebrates one of the many ways we show love, by sharing food. Coco loved sweet potatoes, and she loved to share them with everyone around her. Coco the chipmunk is known for asking, *Have you eaten?* and sharing sweet potatoes. The other animals find Coco's question odd, but one day she shares her food with some animals who could use a friend. When Coco falls ill, her new friends come to care for her in the same way she taught them—by sharing food. Inspired by a Korean greeting, this heartwarming story offers a fresh take on friendship and kindness.

Korean Kirogi Families Young A. Jung, 2024-05-15 Based on multi-sited ethnographic fieldwork at Fairfax County,

Virginia, and Daechi-dong, Seoul, Korea, *Korean Kirogi Families* explores the dynamics of emplaced transnational families through analyses of the categories of social capital, sense of place, sense of belonging, and mothering among so-called “Korean kirogi families.” A Korean kirogi (wild goose) family is a distinct kind of transnational migrant family that splits their household to educate the children in an English-speaking country temporarily. Using mixed research methods, including ethnographic fieldwork, in-depth interviews, and textual analyses of media representations and historical documents, this book examines kirogi families in a historical and transnational context. Much of the research focuses on mothers and children who live in McLean and Centreville of Fairfax School District, located in Virginia, just a few miles from Washington, DC. Young A. Jung argues that these educational transnational families construct distinct types of sense of belonging, including structural belonging, relational belonging, school district belonging, and narrative belonging. In the global migration era, when transnational migration continuously reshapes our communities, *Korean Kirogi Families* reveals how recent education migrants are changing the suburban landscape of America.
