The Holiday Honeymoon Switch Julia McKay, 2025-09-02 INSTANT NATIONAL BESTSELLER! Trading places and vacations might just be the Christmas miracle these two best friends need “The Holiday meets The Unhoneymooners in this friends-swapping-places romance that has it all: mistletoe and make-outs, plus sun, sand, and swoon!”—Chantel Guertin, author of *It Happened One Christmas* Holly Beech and Ivy Casey are bury-the-body besties. They’re so in sync, they even look alike. When Holly’s fiancé jilts her, leaving her in shock and with a nonrefundable honeymoon, Holly convinces Ivy to switch places. Ivy will go on the Hawaiian honeymoon her best friend can’t bear to take alone, while Holly escapes to Ivy’s rented Hudson Valley cabin to binge-watch holiday movies and heal. But Holly’s wallowing is interrupted when her rugged Airbnb host turns out to be her high school academic rival who’s had a major glow-up. Meanwhile, Ivy’s (now Hawaiian) annual solo art retreat is upended when Holly’s ex-fiancé checks into the honeymoon suite—with a new woman. Raging and bed-less, the last thing Ivy expects is for the hot hotel bartender to come to her rescue. Against all odds, this Christmas might prove the most magical yet.

Visual Writing Alex Baratta, 2010-07-12 Considering the fact that the academic essay continues to be widely used as an assessment tool within education, there is a need for students to develop their skills in this area. However, it is often the case that students perceive instruction in academic writing, if it is offered at all, as boring. This book addresses these two issues. First, the book can be used by students themselves, even in the absence of academic writing classes, as a self-help guide, from which they can develop their knowledge of academic writing and subsequent proficiency. Second, by discussing the components of academic writing in terms—such as film—which are familiar to today's generation, students are enabled to relate to the material better and see what might have been perceived as dull from a brand new perspective. Visual learners in particular will enjoy the analogous link between films and essays, and students today are arguably more visually literate than previous generations, being exposed to visuals on a daily basis through text message iconography, computer games and the Internet. The visual instruction provided in turn helps to facilitate mental visuals in students' minds, from which their

knowledge of essay writing can start to develop.

The New Nomads Felix Marquardt, 2021-07-08 We have lost the plot when it comes to migration. In our collective consciousness, the term 'migration' conjures up images of hordes of refugees fleeing 'their' country, escaping on rafts and coming to invade 'ours'. When we think of migration, we think of (largely unwanted) immigration and its ills. We've got it all wrong. Far from being abnormal, the act of going in search of a better life is at the core of the human experience. And now a new kind of nomad is emerging. What used to be a movement largely from east to west, south to north, developing to developed country is becoming more of a multilateral phenomenon with each passing day. Young people from everywhere are moving everywhere. Or rather, they are moving to where they expect to improve their lives and are turning the world into a beauty contest of cities and regions and companies vying to attract them. They are doing so because movement has become a key to their emancipation. After centuries of becoming sedentary, the future of humanity and the key to its enlightenment in the 21st century lies in re-embracing nomadism. Migration fosters the qualities that will allow our children to flourish and succeed. Our times require more migration, not less. Part memoir, part generational manifesto, *The New Nomad* is both the chronicle of this revolution and a call to embrace it.

Christmas at the Ranch Julia McKay, 2025-09-23 A second-chance holiday romance about a woman who flees family scandal by returning to Wilder Ranch for Christmas, where she first found love—and heartbreak. She hasn't been in love in ten years, but she's about to get back in the saddle. With the holidays around the corner and her father recently imprisoned for financial fraud, disgraced journalist Emory Oakes doesn't know where to turn. She's only certain of one thing: She needs to get away. Fate takes the wheel, leaving her stranded in snowy Evergreen, the picturesque town where she spent her happiest Christmas as a teen — and chronicled every moment in her journal as she fell in love with handsome local, Tate Wilder, at his family's idyllic horse ranch — until it all went wrong. Emory isn't ready to face Tate, but kismet and Christmas magic have other ideas. As the love they've denied for a decade rekindles, the betrayals that kept them apart resurface, as does Emory's family scandal. Yet Tate Wilder and his ranch feel more like home than anywhere ever has. Will Emory and Tate's alchemy fizzle or will their Christmas wishes come true?
