*The Ultimate Gift* Jim Stovall, 2010-01-01 What would you do to inherit a million dollars? Would you be willing to change your life? Jason Stevens is about to find out. Red Stevens has died, and the older members of his family receive their millions with greedy anticipation. But a different fate awaits young Jason, whom his great-uncle Stevens believed might be the last vestige of hope in the family. Although to date your life seems to be a sorry excuse for anything I would call promising, there does seem to be a spark of something in you that I hope we can fan into a flame. For that reason, I am not making you an instant millionaire. What Stevens does give Jason leads to *The Ultimate Gift*. Young and old will take this timeless tale to heart.

*The Ultimate Gift* Rene Gutteridge, 2007-03-18 Jason Stephens lives a life of wealth. A life of privilege. A life that's about to take a radical turn. Jason always had a straightforward relationship with his billionaire grandfather, Howard Red Stevens. He shunned him but welcomed his money. So he figured when Red died, his part of the inheritance would be a simple cash transaction that would fund his extravagant lifestyle. Instead, for Jason to receive his inheritance, he's given an ultimatum...a series of twelve tests or gifts as Red calls them. If he fails at any one of them, he loses everything. If he completes them all, the ultimate gift will be his. One of those gifts involves finding a friend...something Jason has never experienced before. Yet this unlikely friendship and an unexpected romance may just open his eyes to what he's been missing all along. You don't begin to live until you've lost everything.

Not content with their cattle ranches and oil fields, his aunts, uncles, and even his parents are determined to see every last dime entrusted to their own self-serving pockets. With none of the reluctance he initially showed for the gift, he eagerly accepts the challenge and pushes himself to prove, not only to his family and the court but also to the world, that with determination and the simple tenets of the gift, anyone can lead the ultimate life.

But what Red left him was anything but simple. Red instead devised a plan for Jason to experience a crash course on life. Over 90% expressed a wish for the loving letter. And how this purposeful activity, is not, as some might expect, a morbid task, but one that can bring incredible insight, peace of mind, and healing, especially for those dealing with aging parents, a terminal illness or loss.
