The Big Door Prize M. O. Walsh, 2021-08-31 DON'T MISS THE SERIES NOW STREAMING ON APPLE TV+ The New York Times bestselling author of *My Sunshine Away* returns with a gripping and heartfelt novel about a mysterious machine that upends a small Louisiana town, asking us all to wonder if who we truly are is who we truly could be. What would you do if you knew your life's potential? That's the question facing the residents of Deerfield, Louisiana, when the DNAMIX machine appears in their local grocery store. It's nothing to look at, really—it resembles a plain photo booth. But its promise is amazing: With just a quick swab of your cheek and two dollars, the device claims to use the science of DNA to tell you your life's potential. With enough credibility to make the townspeople curious, soon the former teachers, nurses, and shopkeepers of Deerfield are abruptly changing course to pursue their destinies as magicians, cowboys, and athletes—including the novel's main characters, Douglas Hubbard and his wife, Cheryl, who both believed they were perfectly happy until they realized they could dream for more.... Written with linguistic grace and a sense of wonder, *The Big Door Prize* sparkles with keen observations about what it might mean to stay true to oneself while honoring the bonds of marriage, friendship, and community, and how the glimmer of possibility can pull these bonds apart, bring them back together, and make second chances possible, even under the strangest of circumstances.

Life Story Of A Mediocre Next Door Deshpriya Mukherjee, 2021-04-29 Memories can be broadly classified into three categories—Happy, Unpleasant and Indifferent. Human response to routine activities is common in nature and very predictable. These easily pass into oblivion. Good and bad memories get scripted in our mind in indelible ink. Of these two, we love to discard the unhappy ones and dwell with the pleasant memories. My memory is a combination of both. Recounting them accurately and in perfect chronological order is a rather difficult task. The nature of events constituting one's life history may be similar, but not identical. At the fag end of life, when I look down memory lane, I have a faint ray of hope that my story might not be simple boredom and may be able to evoke some interest at least. My childhood memory spins around my grandmother who had a dual personality. Other characters who impressed me were other members of the joint family. As regards school and college life, I tried to highlight the need for adopting a value system. Particularly, I was impressed by the teachings of my school principal, which helped me grow into a balanced personality. People whose association contributed to shaping my personality also find a place in the book.

A Ghost Story of Christmas Charles Dickens,2015-10-17 Marley was dead: to begin with. There is no doubt whatever about that. The register of his burial was signed by the clergyman, the clerk, the undertaker, and the chief mourner. Scrooge signed it: and Scrooge's name was good upon 'Change, for anything he chose to put his hand to. Old Marley was as dead as a door-nail. Mind! I don't mean to say that I know, of my own knowledge, what there is particularly dead about a door-nail. I

might have been inclined, myself, to regard a coffin-nail as the deadest piece of ironmongery in the trade. But the wisdom of our ancestors is in the simile; and my unhallowed hands shall not disturb it, or the Country's done for. You will therefore permit me to repeat, emphatically, that Marley was as dead as a door-nail. Scrooge knew he was dead? Of course he did. How could it be otherwise? Scrooge and he were partners for I don't know how many years. Scrooge was his sole executor, his sole administrator, his sole assign, his sole residuary legatee, his sole friend, and sole mourner. And even Scrooge was not so dreadfully cut up by the sad event, but that he was an excellent man of business on the very day of the funeral, and solemnised it with an undoubted bargain. The mention of Marley's funeral brings me back to the point I started from. There is no doubt that Marley was dead. This must be distinctly understood, or nothing wonderful can come of the story I am going to relate. If we were not perfectly convinced that Hamlet's Father died before the play began, there would be nothing more remarkable in his taking a stroll at night, in an easterly wind, upon his own ramparts, than there would be in any other middle-aged gentleman rashly turning out after dark in a breezy spot—say Saint Paul's Churchyard for instance—literally to astonish his son's weak mind. Scrooge never painted out Old Marley's name. There it stood, years afterwards, above the warehouse door: Scrooge and Marley. The firm was known as Scrooge and Marley. Sometimes people new to the business called Scrooge Scrooge, and sometimes Marley, but he answered to both names. It was all the same to him....
