Phenomenal Women Joyce Louison,2014-07-16 Life is a creation, not a discovery. We are creating our reality every minute. We are created in the Image and likeness of God... And we create as Him through thought, word, and Deed. This book takes me on a journey of creation... Where by getting connected to the source of all things I have begun to experience the world as the most magnificent and interesting place to be... I was suddenly connected to the source of all things. I could see everything clearly. My life story kept replaying in my head like a broken record. I felt the urge to send out Whatsapp messages to my friends...just being open, honest, and totally liberated. I soon realize that I may be writing a book. Most of the world is living life in forgetfulness. I desire to remind them of who we as human beings are. Parts of the Creator. And that this give us immense Power. This power can be tapped in to recreate your life in any way you wish, I set out to Life that truth. I am still on the Starting line but from where I stand it is Phenomenal.

Casa De Familia Mary Joy Revelegia,2024-03-14 MATTEL: (Sarcastic laugh) I bet my parents know how to handle our kids better than your parents do. How can they compared our kids with Dorothee and August? NERRY: (Looks at the mirror) I knew it too, since then. I knew from the start that my parents have their favorites. And that I have hated it so much. How can they made me work in the hardware?... MATTEL: (Stands up and approaches his husband) That's why I'm telling you. How could they acted like that when you're the youngest? I thought they have spoiled you when you were little but seems that they don't favor you that much. I hate it. NERRY: (Stares himself) But what can I do? Go make a move for a rebellion? That's not so me. I have to put a good act so one day I can easily ask for favors from them... My parents may have their favorites but they can't stand seeing their children fight each other. I hated it every time Cathaly acted so nice in front of us. Who knows what she's up to? MATTEL: (Doubted) What about Cathaly? She's really. I mean she's always been really nice to me, even in the absence of your parents. I don't think so she's a hypocrite in that stance. NERRY: You don't know her the way I do. She's always been a flight risk. It's harder to hit a moving target, that's always her stance. She always will.
