Other wild ravings contain creatively different views on various global and societal problems, such as interspecies relations (AbbBug-Lah), Mideast problems (Holy Coin), the deplorable lack of imaginative names for real, imaginary and complex numbers (NameYourNumber.zip), the human and legal rights of multiple personalities (Judge Severin M. Aledict), and other recklessly unconventional ideas and proposals. The New Radical Theatre Notebook Arthur Sainer, 1997 (Applause Books). This book traces three tumultuous decades of avant-garde theatre in the U.S. It begins with the Living Theatre, and explores diverse ensembles such as The Open Theatre, The Performance Group, and Bread and Puppet Theatre. It also looks at the women's theatre movement, and examines the work of Robert Wilson, Meredith Monk, Richard Foreman and more. There are sections devoted to ritual concepts, theatre in the streets, radical participation of the spectator, workshops in prisons, spectacles such as the Greenwich Village Halloween Parade, and much more. This giant colloquium involves the people who changed the face of theatre from the '60s onward. Filled with photos, drawings, private notes and fliers, it is part ongoing history, part document, part journal, part complaint and part blessing.

The Invisible Husband of Frick Island Colleen Oakley,2021-05-25 “This is the hopeful book we all need right now. I loved it!”—Emily Giffin, #1 New York Times bestselling author of *The Lies That Bind* As Seen on the TODAY SHOW A Southern Living Best Beach Read * A PopSugar Best Book of May * An Us Weekly Summer Beach Staple * A Frolic Under-the-Radar Book of May * An OK Magazine Best Summer Beach Read * An EW.com Best Book of Spring * A Country Living Can't Miss Beach Read * A LibraryReads Pick for May * An Emily Giffin Book Club pick Sometimes all you need is one person to really see you. Piper Parrish's life on Frick Island—a tiny, remote town smack in the middle of the Chesapeake Bay—is nearly perfect. Well, aside from one pesky detail: Her darling husband, Tom, is dead. When Tom's crab boat capsized and his body wasn't recovered, Piper, rocked to the core, did a most peculiar thing: carried on as if her husband was not only still alive, but right there beside her, cooking him breakfast, walking him to the docks each morning, meeting him for their standard Friday night dinner date at the One-Eyed Crab. And what were the townspeople to do but go along with their beloved widowed Piper? Anders Caldwell's career is not going well. A young ambitious journalist, he'd rather hoped he'd be a national award-winning podcaster by now, rather than writing fluff pieces for a small town newspaper. But when he gets an assignment to travel to the remote Frick Island and cover their boring annual Cake Walk fundraiser, he stumbles upon a much more fascinating tale: an entire town pretending to see and interact with a man who does not actually exist. Determined it's the career-making story he's been needing for his podcast, Anders returns to the island to begin covert research and spend more time with the enigmatic Piper—but he has no idea out of all the lives he's about to upend, it's his that will change the most. USA Today bestselling author Colleen Oakley delivers an unforgettable love story about an eccentric community, a grieving widow, and an outsider who slowly learns that sometimes faith is more important than the facts.

Confessions of a Bisexual Husband Mark Bentley Cohen,2013-02-04 “Confessions of A Bisexual Husband” is a candid, honest, rivetting account of a man coming to terms with bisexuality within the confines of marriage and fatherhood. The book redefines our most dearly-held beliefs about sexuality, monogamous marriage, and living an authentic life. Cohen takes us into his intimate world of sexual exploration as he tries to solve the mystery of his lifelong struggle with bisexuality. After 15

years of marriage, two kids, and illicit experimentation with men behind his wife Gabrielle's back, Marco confesses it all to her. For most this would be a dealbreaker – not so for Gabrielle. She too felt unhappy and confined in the marriage. Together they decide to set each other free, opening their relationship and exploring beyond the bounds of their monogamous, heterosexual union. Gabrielle is soon forced to face her own beliefs about what it means to be a sexually active and liberated woman. She struggles to allow herself the freedom she wants, until discovering an inner strength she never knew she had. No longer able to take each other for granted, their sexual encounters bring about a healing change of perspective in both, enabling them to attain levels of love, intimacy, and respect for the other deeper than they'd ever thought possible. *Confessions of a Bisexual Husband*” is provocative, sexual, humorous, poignant, and most of all, transformative. In the end this is a very modern re-love story between two people who literally travel to the ends of the earth and beyond the bounds of their marriage to rediscover the love they have for each other.

Born into Hitler's War Gisela Wicks, 2014-03-12 This memoir is the story of my childhood and teen years. It begins when I was very young with my parents' divorce, then goes on to living with a spiteful and unloving stepmother, World War II, my father being wounded, the fear of the approaching Russian front, our fleeing from them and bombings. After the end of war, as we tried to make our way back home, I was terrified of the Russian soldiers and war prisoners who roamed our countryside. I feared my father would be shot or imprisoned. I listened to women screaming for help while being raped. I endured the sorrow of losing my beloved father, followed by living with my stepmother's cruelty. My agony ended with the happy reunion with my real mother, my sister, Oma my loving grandmother, and family. After WWII ended, my family and I lived behind the Iron Curtain in East Germany under the Russian occupation Stalin's Iron Fist. His communist regime imposed such strict isolation and extreme hunger on us that in June of 1953 the citizens of East Germany waged an unsuccessful uprising to gain freedom from Russia and communism. Finally, in the fall of 1953, when I was eighteen, we escaped to West Germany. These are the memories of my childhood and teen years.

HOW TO USE GOD'S LIFETIME WARRANTY IN YOUR MARRIAGE Dr. Amos Adeniyi, 2014-08-28 The idea to write

fictional letters to marital couples on how to use God's lifetime warranty on their marriages came into being in the process of a sermon preparation as a guest pastor for a local church in November 2011. I prayed about which message to deliver for many days. About two days before Sunday, I had a dream that a young lady participated during my sermon. After the sermon, her family greeted me well and said I made her speak in public for the first time and I gave her the encouragement that she needs for the rest of her life. Then I woke up. On the actual Sunday service, during the sermon, I asked the congregation how many of them had a dog or a cat. A young lady - a 17 year old said she had a cat. I asked if she ever took her cat for a walk, she said, no. I asked, why not? She replied, Nobody does! Then I said people take their dogs for walks, but this does not mean that dogs are more important or better than cats. Cats have their own usefulness. God who created us knows that we are not the same and that we cannot function in the same way. One should not be boasting that s/he is better than the other. After the service, the grandfather of the cat owner who spoke during my sermon and her aunt came to me and thanked me for the opportunity given to the young lady to talk for the first time in public, which would enable her to express herself publicly. When I was praying at home after the sermon, I had the feeling that God wanted me to tell people to try out what seems to be unusual for them. It has been my concern for many years that many couples don't take their wedding vows seriously. It is affecting children a great deal; many children have two or three stepparents. Those children without stepparents seem to be the odd ones among their peers. In Canada, about 50% of first marriages may likely end up in divorce. One may presume that the rate of divorce in second marriages would be lower, but instead it is higher at 72% while, third marriages have the highest divorce rate of 85% (Comparative Annual Divorce Rate in Canada). Similarly, in America, the first marriage divorce rate ranges from 41 - 50%; second marriage divorce rate is between 60-67% and third marriage is between 73-74%. (Information on Divorce Rate and Statistics). This book is fictional. The stories are not real stories. They are about my past experiences with heterosexual couples in my counseling or pastoral care. I do not have a particular person or couple in mind. No names in the book are real names. If anybody's name or any couples have the same names as used in the book, I would like them to know that I am not telling their particular story or using them as an example. The Holy Spirit inspired the writers of the bible stories/instructions/messages and the same Holy Spirit is still talking to us today. I believe, I was inspired to write the book. I will encourage anyone or couple whose story or stories are similar to what's in the book not to be too critical but to take it (the book) as a means through which God is speaking to them to change. No marriage is too bad that God cannot change for better. Don't fold your arms and accept your troubled marriage as a done deal. I will advise the readers to call upon the author of marriage, God through Jesus Christ, to fix their marriages. He is able. Since the idea of letter writing is becoming obsolete, one may be wondering why letters to marital couples, and not email, text, or any other modern means of communication. Letter writing is an old form of communication, which is to inform, correct, and educate. In the New Testament, there are many letters written by Paul the apostle and others to individuals and churches to deal with

issues, circumstances, and problems faced by the recipients. We never read about their responses or their initial letters to the Apostles. Similarly, only letters written to the couples are featured in this book. Most of the Letters in this book are long term correspondence with the imaginary couples. The objectives of the letters are to: 1). Encourage couples not to give up on their dream of having a successful marriage and to continue fighting until the victory is won. 2). Enable the counsellors/pastors to keep their counselees' hope alive as long as they are still interested in counselling. 3). Help families and friends to keep on supporting the couples in crises. Note that some of the letters end with prayer, while some didn't. The idea is we don't have to impose prayer on people. Praying with people is as important as praying for people in absentia. We need permission to pray with people, but we don't need permission to pray for people while they are not there. In both my pastoral and counselling ministries, the most prevalent issues are marriage and family matters. This book thus serves as a handbook to help couples in crises or prevent couples from getting into a marital mess. It can be used in marriage enrichment groups or as a counsellor/Pastor's handbook. The group Leaders, Counsellors or Pastors should not use the book as a weapon of judgment against anyone, but as a means of correction and education. The book is calling people who just want a family and not a marriage. Many couples lose love in their marriages. Love is the greatest gift God gives to people but many people do not accept it. They choose anger instead of peace or love from God. The book is calling the readers who are making wrong decisions for wrong reasons. We should not let bitterness, anger, frustration, alcohol, drugs, etc., ruin our marital relationships. The principles of marital solutions in the book focus on God. May God bless you as you read the it. Shalom!
