

Allahouma Inni As Alouka

Abu Utsman Kharisman

The Path of Muhammad Birgivi Mehmet Efendi, 2005-01-26 In our day, which is characterized by a great misunderstanding of Islam, this work outlines the ideal of an Islamic society at the time of the Prophet Muhammad.

Muhammad: the Demon Possessed False Prophet of Islam Jamaal Williams, 2024-04-01 “Woe is me poet or possessed...” — Muhammad Could it be that one of the most influential men in history was manipulated by satanic powers? It’s time to unveil the many unsavory truths about the founder of Islam, Muhammad, drawn directly from Islamic sources. The prophet of Islam was arguably demon-possessed or severely demonically influenced. Muhammad’s prophetic career began with an encounter with a spirit entity in the cave of Hira. Islamic literature states that the alleged angel, Gabriel, manhandled and abused him, leaving him terrorized, suicidal, and in a state of madness. This encounter alone should raise red flags. Moreover, Islamic texts report that Muhammad was under a black magic spell, uttered the words of Satan in the infamous “Satanic Verses” event, and had a demonic spirit guide or familiar spirit. Again, this is all coming from Islamic texts! Additionally, Muhammad and many of his contemporaries believed he was demon-possessed. Indeed, he experienced many strange physical manifestations such as twitching, foaming at the mouth, convulsing, roaring, or snorting like a camel that was falsely believed to be “divine inspirations” from the supposed angel Gabriel and/or Allah. These disturbing accounts form the basis of our e-book, which gives an uncensored and uncompromised look at Muhammad and the religion he founded, Islam. The content of Islamic texts is shocking, appalling, and downright disturbing. Much of such information is not even known to educated Muslims. Nothing is held back when Muhammad's deplorable morality is scrutinized. Would God, who is righteous and holy, work behind a person who sanctioned many atrocious acts and practices—child marriage, wife beating, assassinations, torture, and sex slavery? Was Muhammad a perfect example for mankind, as many Muslims believe, when Islamic sources document actions that many today would describe as cruel, discriminatory, oppressive, and tyrannical? What is also covered is his controversial consummation of marriage to a 9-year-old girl named Aisha at the age of 54. What spirit was moving behind Muhammad to practice what many today would consider to be gross crimes against humanity? This e-book has a wealth of evidence that Muhammad was indeed demon-possessed and thus should be considered a false prophet of God. We thoroughly examine the idea of him being demonically influenced using over 1,000 direct quotations (all hyperlinked directly to the source) from the most authoritative Islamic sources (the Quran, authentic hadiths, tafsirs, sirah

literature, etc.). The idea that the enemy manipulated Muhammad is not the conclusion of a mere layman in demonology but of someone with many years of experience in deliverance ministry (i.e., expelling demons out of people by the power and authority of Jesus). With this expertise, the e-book uncovers not only the evidence but also the broader implications: What would be the purpose of Satan using Muhammad? One reason is to blind people's minds from believing the Gospel—that Jesus is the only-begotten Son of God who died on the cross for the sins of the world and was resurrected. Without the belief in the Gospel, there is no salvation. This analysis serves a critical purpose for all truth-seekers. It is a great resource for those involved in Christian apologetics and polemics, with many references refuting the religion of Islam.

Litany For Seeking Favour Of The One In Whose Hand Is The Soul Of My Beloved Dr Abdul Qader Ismail, 2020-11-27 Among the countless blessings of my Creator upon me is that I have been twice granted the means and opportunity to visit the Holy cities of Makkah and al-Madinah. May Allah grant this earthly Mi'raj to all our brothers and sisters. The second time was between completion of my medical degree at the University of Oxford and starting work as a doctor. In preparation I did some research and bought two books, Imam Jazuli's Dala'il al-Khayrat, and Khazeena-e-Darood Sharif – a large collection of litanies for sending peace and blessings upon the Prophet (peace be upon him). My intention was to recite these while seated as a guest at the illuminated shrine of the chosen one (peace be upon him). The experience was sublime and while reflecting upon these written manifestations of the deep love the Salaf had for our Prophet (peace be upon him), I too felt a yearning to write something. After returning, during Ramadan 2010 I began work on this project. Since then it has undergone a continual cycle of expansion, editing and refinement based on my own (limited) spiritual development under the guidance of my teachers. Dr Hafiz Ather Hussain al-Azhari very kindly edited and proofread the completed work for me. I pray to the Almighty that He accepts the humble words and sentiments expressed within these pages and makes them a means of earning His pleasure and drawing closer to His Prophet (peace be upon him), for the one who has written and the one who reads, Ameen.

References are provided where appropriate in the responses. The book provides the reader with cross references of other pertinent responses not necessarily in the same volume, but also in other volumes of the series. However, each volume is complete in itself. The book records accurately the answers the contributing Sheikhs and scholars gave to the questions put to them.

Cancer Is a Jinn (Demonic) Possession. the Ultimate Cure Dr Mira Bajirova,2019-12-05 Medicine, instead of healing, contributes to the disease progression and creates other diseases, including other Cancer. “What comes to you of good is from Allah, but what comes to you of evil, (O man), is from yourself.” (Qur’an, An-Nisa 4:79) When person commits the Sin, a black spot appears on his heart, and if he seeks forgiveness, this black spot is removed, and if he returns to Sin the black spot grows until his heart becomes black and he will be doomed. “Disease is an Expiation of the Sins”, in this book I have described 351 Sins. The Sins involve the Evil Jinn. Demons possess the humans because of the Sins, revenge, desire of control, attraction, Sorcery, Evil Eye, anger, fear and depression. The most frequent Sins: denying or associating partners to Allah, the Creator of all things.Cancer is a Jinn (Demonic) Possession. The anti-Cancer treatment excites the hidden Evil Jinn and the Jinn spread more the disease. Additionally, medicine creates other diseases due to the side effects. Doctors cannot help, cannot remove your Sins and make you sicker and die. “Know for certain that when you break no one will heal you except you.”(Ibn Al-Qayyim) Repentance from the Sins is obligatory. “A trial is not sent down except due to a Sin, and it is not lifted except with repentance.” (Ali Ibn Abi Talib) Demons are afraid of Allah only, our Creator. The Ultimate Cure is within the Qur’an: Ruqyah, Negative Ions and Prophetic Medicine. “Whoever abandons the Qur’an would abandon treating sickness and seeking healing through it.”

A BEAUTIFUL LIFE IN HEAVEN Abu Utsman Kharisman,2021-09-10 Every believer who is still upright in nature must hope for Heaven and fear Hell. This is part of his faith in God. The verses of the Quran that are the guide of his life contain many of these motivators. The world and the hereafter can hardly be compared; the pleasures of Heaven are far greater than the pleasures of the world. A small comparison between life in Heaven and on earth, the head covering of a woman in Heaven, is far better than the world and all its contents. Going for jihad for the sake of Allah in the morning or in the afternoon is better than the world and all its contents. And that which is the size of an arrow (in Heaven) or the size of a place to place its feet in Heaven, is better than the world and all its contents. If a woman of Heaven appeared on earth, her rays would illuminate the sky and earth. The scent of her fragrance will be smelled between sky and earth. And really, the veil worn by women of heaven is better than the world and everything in it (Hadith reported by al-Bukhari) This book contains descriptions about al-Jannah (Heaven) based on Quran and hadith.
