**Florida Crime Writers** Steve Glassman, 2014-12-24 This book examines 24 crime novelists who set their work in the Sunshine State. From James W. Hall's *Under Cover of Daylight* in the Florida Keys, to Barbara Parker's *Suspicion of Betrayal* in Miami to Tim Dorsey's *Florida Roadkill* at Cape Canaveral and Tampa, these writers and their works span all of Florida's 67 counties. A biographical sketch of each author precedes an interview by a critic who has immersed him- or herself in the novelist's works, producing interview-essays of noteworthy perception and insight.

**Naked Came the Javelina** Deming Writing Group Deming Writing Group, 2011-06-11 This wonderfully written modern-day Western has all of the mystery and adventure that's been lacking in your boring, humdrum life. Be honest now, when was the last time you spent a night in the desert alone without shelter in a raging dust storm? And when was the last time you shared a chunk of barbecued javelina with a band of illegal immigrants on their way to a prosperous life in Los Angeles and hasn't it been too long since you hunted priceless Indian relics with a beautiful and sexy (and way too young for you, I might add) Mexican maiden running away from her evil drug lord boyfriend. Okay, if you crave some adventure in your sorry little life, put down your TV remote control and buy a copy of *Naked Came the Javelina*. It just might change your life. It did mine.

*Conversations with Steve Martin* Robert E. Kapsis, 2014-09-02 *Conversations with Steve Martin* presents a collection of interviews and profiles that focus on Martin as a writer, artist, and original thinker over the course of more than four decades in show business. While those less familiar with his full body of work may think of Martin as primarily the wild and crazy guy with an arrow through his head, this book makes the case that he is in fact one of our nation's most accomplished and varied artists. It shows the full range of Martin's creative work, tracing the source of his comic imagination from his early standup days, starting in the mid to late 1960s through the films he has written and starred in, and emphasizing his more recent creative outpourings as playwright, essayist, novelist, memoirist, songwriter, composer, musician, and art critic. "Standup is the hardest material in the world to write for someone else; it's like trying to condense 10 years of experience into 20 minutes of new material," Martin says. But commenting on his fiction writing, he says. "I think you have to be able to find as a writer that state where you don't know what you're going to say or what the character is going to say or who the characters are. That's the biggest thrill of all. When you start to trust that subconscious thing and you don't censor yourself—just remember you can always throw it away that's when the good stuff comes out." The selected materials consist not only of

pieces focused primarily on Martin's writings, but also broader profiles and conversations that help explain Martin's development as a writer within the larger context of his many other accomplishments, talents, and performance skills.

**Huck Finn's America** Andrew Levy, 2015 A groundbreaking and controversial re-examination of our most beloved classic, Huckleberry Finn, proving that for more than 100 years we have misunderstood Twain's message on race and childhood--and the uncomfortable truths it still holds for modern America--Provided by publisher.

His fortunes change, however, when he encounters two wheelchair bound octogenarians who secure a detective's license for him in the hopes he can solve a ticket scam and a series of petty thefts. Death by Drive-By follows the exploits of Vinny Oliveto, an unconventional sleuth who attempts to solve multiple mysteries ranging from theft to murder in an action packed, roller coaster ride laced with humor. After the drive-by shooting of a beloved long-time resident, the desperate Gold Doors director seeks Vinny's help. Vinny, unleashed, launches multiple investigations across several states in a chase for the manipulator behind the murder. All things are not as they seem.

**Young Adult Literature, Libraries, and Conservative Activism** Loretta M. Gaffney,2017-02-01 This incisive study analyzes young adult (YA) literature as a cultural phenomenon, explaining why this explosion of books written for and marketed to teen readers has important consequences for how we understand reading in America. As visible and volatile shorthand for competing views of teen reading, YA literature has become a lightning rod for a variety of aesthetic, pedagogical, and popular literature controversies. Noted scholar Loretta Gaffney not only examines how YA literature is defended and critiqued within the context of rapid cultural and technological changes, but also highlights how struggles about teen reading matter to—and matter in—the future of librarianship and education. The workbridges divides between literary criticism, professional practices, canon building, literature appreciation, genre classifications and recommendations, standard histories, and commentary. It will be useful in YA literature course settings in Library and Information Science, Education, and English departments. It will also be of interest to those who study right wing culture and movements in media studies, cultural studies, American studies, sociology, political science, and history. It is of additional interest to those who study print culture, publishing and the book, histories of teenagers, and research on teen reading. Finally, it will offer those interested in teenagers, literature, libraries, technology, and politics a fresh way to look at book challenges and controversies over YA literature.
