

End Of The World Roleplaying Game

Joshua Kubli

The End of the World Fantasy Flight,2014 Come face to face with the living dead in Zombie Apocalypse, the first book in The End of the World roleplaying line! This roleplaying game offers you the chance to imagine unique adventures, playing as yourself during the tumult of the apocalypse, relying upon your own skills, wits, and talents to survive. Five scenarios each offer a different setting and sub-genre for the rise of the undead. Moreover, each scenario contains sections for both the apocalypse and post-apocalypse, challenging you to navigate the initial panic and forge a new life after the world's ending.

The End of the World ,2015 Earth has come under attack from extraterrestrial life forms! Mars may attack our civilization with a devastating invasion, or the aliens that live far beneath our oceans may enact a plan to flood the entire world. You may discover that your neighbors have been secretly replaced by alien copies, or that Earth is ruled by an Illuminati society of reptilian aliens. You may even do battle with massive alien ants that seek to transform the world into a colony. Countless adventures await in the five scenarios included in Alien Invasion, the third book in The End of the World line. Originally designed by Alvaro Loman and Jose M. Rey, this roleplaying game features an elegant, narrative rule set that keeps the focus on the story. What's more, this book offers you the unique chance to play as yourself in the midst of the apocalypse, fighting for survival in your own hometown. A unique scenario structure makes Alien Invasion perfect for playing a single session or a far-reaching campaign. Make first contact and prepare for an alien invasion!

The End of the World Fantasy Flight Games,2015 The supernatural enters the physical world in Wrath of the Gods, the second book in The End of the World roleplaying line! With the scenarios included in this book, you can take up arms with heroes of yore and the Norse gods, or flee from the mind-bending terror of Cthulhu. You may hide from the Four Horsemen as the events of Revelation take place, speak to Quetzalcoatl as the Mayan apocalypse unfolds, or battle wild beasts as Earth itself turns on us. Wrath of the Gods brings you as close as you can (safely) come to supernatural powers ending civilization! This roleplaying game offers you the chance to play as yourself during the tumult of the apocalypse, using an elegant, narrative ruleset. Wrath of the Gods contains five unique scenarios, each offering a different take on the end of humanity by divine wrath. Each scenario also contains an apocalypse and a post-apocalypse, allowing you to survive the initial panic and make your way in life after the world's ending.

Invaders From Beyond Colin Sinclair,Julian Benson,Tim Major,2017-11-02

Midnight in the Garden Centre of Good and Evil Colin Sinclair, 2015-09-24 Miller, fresh from too many pampered years at university, has managed to lose a PhD, a girlfriend, and her father's car. With parents now committed to a regime of find-your-own-way tough love, he's fallen off the fast track to success, and finds himself working in a shabby garden centre on the edge of nowhere. The staff are a collection of dropouts and oddballs, the boss is very shady, and Miller's not sure half the stuff they sell is legal. Still, he's learning to get on with things and make do, finding a brand new path through life, but... an alien invasion disguised as a bright and shiny big-box store from out of town? That really isn't helping. If Miller wants to protect his job and save the world, he's going to have to dig deep and get his hands dirty.

An Anthology of Global Risk SJ Beard, Tom Hobson, 2024-09-03 This anthology brings together a diversity of key texts in the emerging field of Existential Risk Studies. It serves to complement the previous volume *The Era of Global Risk: An Introduction to Existential Risk Studies* by providing open access to original research and insights in this rapidly evolving field. At its heart, this book highlights the ongoing development of new academic paradigms and theories of change that have emerged from a community of researchers in and around the Centre for the Study of Existential Risk. The chapters in this book challenge received notions of human extinction and civilization collapse and seek to chart new paths towards existential security and hope. The volume curates a series of research articles, including previously published and unpublished work, exploring the nature and ethics of catastrophic global risk, the tools and methodologies being developed to study it, the diverse drivers that are currently pushing it to unprecedented levels of danger, and the pathways and opportunities for reducing this. In each case, they go beyond simplistic and reductionist accounts of risk to understand how a diverse range of factors interact to shape both catastrophic threats and our vulnerability and exposure to them and reflect on different stakeholder communities, policy mechanisms, and theories of change that can help to mitigate and manage this risk. Bringing together experts from across diverse disciplines, the anthology provides an accessible survey of the current state of the art in this emerging field. The interdisciplinary and trans-disciplinary nature of the cutting-edge research presented here makes this volume a key resource for researchers and academics. However, the editors have also prepared introductions and research highlights that will make it accessible to an interested general audience as well. Whatever their level of experience, the volume aims to challenge readers to take on board the extent of the multiple dangers currently faced by humanity, and to think critically and proactively about reducing global risk.

Collaborative Worldbuilding for Writers and Gamers Trent Hergenrader, 2018-10-18 The digital technologies of the 21st century are reshaping how we experience storytelling. More than ever before, storylines from the world's most popular narratives cross from the pages of books to the movie theatre, to our television screens and in comic books series. Plots intersect and intertwine, allowing audiences many different entry points to the narratives. In this sometimes bewildering array of stories across media, one thing binds them together: their large-scale fictional world. *Collaborative Worldbuilding*

for Writers and Gamers describes how writers can co-create vast worlds for use as common settings for their own stories. Using the worlds of Star Wars, Lord of the Rings, A Game of Thrones, and Dungeons & Dragons as models, this book guides readers through a step-by-step process of building sprawling fictional worlds complete with competing social forces that have complex histories and yet are always evolving. It also shows readers how to populate a catalog with hundreds of unique people, places, and things that grow organically from their world, which become a rich repository of story making potential. The companion website collaborativeworldbuilding.com features links to online resources, past worldbuilding projects, and an innovative card system designed to work with this book.

Live Performance and Video Games Réjane Dreifuss, Simon Hagemann, Izabella Pluta, 2024-10-30 Narrative strategies, immersion, interaction, participation, identification, multimodality, characters and the connection between physical and fictional or virtual worlds: the fields of inquiry into the complex relationship between live performance and video games are numerous and diverse. For the first time, this collection brings together international researchers and artists to explore this relationship in a variety of essays. The contributors to this volume focus on reciprocal inspirations, appropriations and transfers applied by theatre artists, game designers and researchers. They analyze several artistic forms such as VR performance, immersive theatre, speedrunning or game theatre.

The Fantasy Role-Playing Game Daniel Mackay, 2017-08-11 Many of today's hottest selling games--both non-electronic and electronic--focus on such elements as shooting up as many bad guys as one can (Duke Nuk'em), beating the toughest level (Mortal Kombat), collecting all the cards (Pokemon), and scoring the most points (Tetris). Fantasy role-playing games (Dungeons & Dragons, Rolemaster, GURPS), while they may involve some of those aforementioned elements, rarely focus on them. Instead, playing a fantasy role-playing game is much like acting out a scene from a play, movie or book, only without a predefined script. Players take on such roles as wise wizards, noble knights, roguish sellswords, crafty hobbits, greedy dwarves, and anything else one can imagine and the referee allows. The players don't exactly compete; instead, they interact with each other and with the fantasy setting. The game is played orally with no game board, and although the referee usually has a storyline planned for a game, much of the action is impromptu. Performance is a major part of role-playing, and role-playing games as a performing art is the subject of this book, which attempts to introduce an appreciation for the performance aesthetics of such games. The author provides the framework for a critical model useful in understanding the art--especially in terms of aesthetics--of role-playing games. The book also serves as a contribution to the beginnings of a body of criticism, theory, and aesthetics analysis of a mostly unrecognized and newly developing art form. There are four parts: the cultural structure, the extent to which the game relates to outside cultural elements; the formal structure, or the rules of the game; the social structure, which encompasses the degree and quality of social interaction among players; and the aesthetic structure, concerned with the emergence of role-playing as an art form.

Michael T. Desing's Army Ants Roleplaying Game: Legacy Edition Michael Desing,2013-08-11 You've just stepped into a world populated by military ants who defend their hill and queen from unending menace. Here, ladybugs operate a massive intelligence network, spiders dabble in sorcery, potato bugs wield the martial arts and mystical practices that defy natural laws; a wasp empire forces its tyrannical grip upon those in its shadow; centipede overlords rule from underground cities where gladiator pits set insect against insect; garter snakes of incredible wisdom hide in its far reaches, primeval lizards prowl its lost wilds, ancient artifacts lie hidden in its distant ruins, and cybernetic anomalies hard-wire innovative technologies into their carapaces, boosting their natural abilities. Fleas roam the countryside, picking through the scraps of the unending war and forging mechanical oddities. It has mosquito mercenaries and a fallen fly kingdom. It has a trashcan city, a desolate sandbox, and a deadly fire pit. It has a deep well with hidden secrets. It's a crazy place.

Graveyard of Heroes Fantasy Roleplaying Game Matthew Byers,2017-03-19 Graveyard of Heroes is a pen and paper tabletop fantasy role-playing game in the dark/weird fantasy sub-genre. As part of the second wave of the OSR (Old School Renaissance) movement it takes classic role-playing and moves it in new directions. Inside you will find: new monsters, new spells, new magic items, new ways to make characters and a new attitude. Despite all the changes, the spirit of classic fantasy role-playing is preserved. Experience all the dungeon delving fun in a brand new way. All heroes die. What legacy will you leave behind? In a vast world where the actions of heroes are often overshadowed by the unknowable forces of the universe what impact can a mere mortal have on the world? Will you be forgotten like all the others in the graveyard of heroes or will your name be made immortal?

Dangerous Games Chuck Wendig,Pat Cadigan,Benjanun Sriduangkaew,2014-12-04 Roll the Bones! In a world ruled by chance, one rash decision could bring down the house, one roll of the dice could bring untold wealth, or the end of everything. The players have gathered around the table, each to tell their story - often dark, always compelling. Within you will find tales of the players and the played, lives governed by games deadly, weird, or downright bizarre. Multi-award winning editor Jonathan Oliver (The End of the Line, House of Fear, Magic, End of the Road) brings together new stories featuring a diverse collection of voices. Here you will find incredible new fiction by Chuck Wendig, Silvia Moreno-Garcia, Lavie Tidhar, Benjanun Sriduangkaew, Paul Kearney, Libby McGugan, Yoon Ha Lee, Gary Northfield, Melanie Tem, Hillary Monahan, Tade Thompson, Rebecca Levene, Ivo Stourton, Gary McMahon, Robert Shearman, Nik Vincent, Helen Marshall, and Pat Cadigan.

Star Wars: Essays Exploring a Galaxy Far, Far Away Emily Strand,Amy H. Sturgis,2023-09-12 'Star Wars' is a global phenomenon that in 2022 celebrated its 45th year of transmedia storytelling, and it has never been more successful than it is today. More 'Star Wars' works than ever are currently available or in simultaneous development, including live-action and animated series, novels, comics, and merchandise, as well as the feature films for which the franchise is best known. 'Star

Wars' fandom is worldwide, time-tested, and growing; academic interest in the franchise, both inside and outside of the classroom, is high. This accessible and multidisciplinary anthology covers topics across the full history of the franchise. With a range of essays by authors whose disciplines run from culture and religious studies to film, feminism, and philology, 'Star Wars: Essays Exploring a Galaxy Far, Far Away' speaks to academics in the field, students in the classroom, and anyone looking to broaden their understanding and deepen their appreciation for 'Star Wars'.

Invulnerable Super Hero RPG Vigilante Edition Joshua Kubli, 2014-08-30 Invulnerable Super Hero RPG: Vigilante Edition is here! Invulnerable's flexible point-based system emphasizes versatility and roleplaying. Invulnerable heroes gain a wide variety of Power Enhancements to show the amazing feats they can perform, and their Motivations and Central Contradiction tell you what kind of hero they are behind the mask! Heroes need a world to protect. Invulnerable includes a detailed setting, Earth-Omega, filled with heroes to join, and villains to trounce, and legacies to uphold! So what are you waiting for? Grab Some Dice And Save The World!

Zombie Apocalypse Game (Zag) Handbook Eric Gaidis, Caleb Garwood, Jason Gaidis, 2021-04-17 This is the Official Handbook for the Zombie Apocalypse Game (ZAG). This volume includes both the Player's Handbook and Game Master's Handbook. ZAG is a roleplaying game that does not require reading volumes to become proficient; a game to be played over drinks and pizza; a game simple enough for those who have never played a roleplaying game to understand quickly yet leave enough depth for things to get serious if desired. Don't take it too seriously. It's only the zombie apocalypse.

Dungeons & Dragons Lore & Legends Michael Witwer, Kyle Newman, Jon Peterson, Sam Witwer, Official Dungeons & Dragons Licensed, 2023-10-03 An illustrated guide to Dungeons & Dragons' beloved fifth edition told through interviews, artwork, and visual ephemera from the designers, storytellers, and artists who bring it to life. When the reimagined fifth edition of Dungeons & Dragons debuted in the summer of 2014, the game was on the brink of obsolescence. But within a few short years, D&D found greater success than it had ever enjoyed before, even surpassing its 1980s golden age. How did an analog game nearly a half century old become a star in a digital world? For the first time, Lore & Legends reveals the incredible ongoing story of Dungeons & Dragons fifth edition from the perspective of the designers, artists, and players who bring it to life. This comprehensive visual guide illuminates contemporary D&D—its development, evolution, cultural relevance, and popularity—through exclusive interviews and more than 900 pieces of artwork, photography, and advertising curated and analyzed by the authors of the bestselling and Hugo Award-nominated Dungeons & Dragons Art & Arcana.

The Happiest Apocalypse on Earth Christopher Grey, 2017-03-15 A satirical horror tabletop roleplaying game about a children's theme park using the Powered by the Apocalypse RPG framework.

Doctor Who and Science Marcus K. Harmes, Lindy A. Orthia, 2021-01-14 Science has always been part of Doctor Who. The first episode featured scenes in a science laboratory and a science teacher, and the 2020 season's finale highlighted a

scientist's key role in Time Lord history. Hundreds of scientific characters, settings, inventions, and ethical dilemmas populated the years in between. Behind the scenes, Doctor Who's original remit was to teach children about science, and in the 1960s it even had a scientific advisor. This is the first book to explore this scientific landscape from a broad spectrum of research fields: from astronomy, genetics, linguistics, computing, history, sociology and science communication through gender, media and literature studies. Contributors ask: What sort of scientist is the Doctor? How might the TARDIS translation circuit and regeneration work? Did the Doctor change sex or gender when regenerating into Jodie Whittaker? How do Doctor Who's depictions of the Moon and other planets compare to the real universe? Why was the program obsessed with energy in the 1960s and 1970s, Victorian scientists and sciences then and now, or with dinosaurs at any time? Do characters like Missy and the Rani make good scientist role models? How do Doctor Who technical manuals and public lectures shape public ideas about science?

Goblin Slayer Tabletop Roleplaying Game Kumo Kagyu, 2022-07-19 NOW YOU CAN ROLL THE DICE! The Four-Cornered World from the famous Goblin Slayer series springs to life like never before in this tabletop role-playing game. This book contains all the information you'll need to create characters like Dwarf Shaman, High Elf Archer, or Lizard Priest and embark on thrilling quests for the Adventurers Guild. It also includes two premade scenarios for game masters to run with their players right away. With plenty of skills and spells for every adventuring persuasion and tons of new lore, there's something for all soon-to-be heroes within these pages!

Participatory Worlds José Blázquez, 2023-10-13 This book is an in-depth analysis of participatory worlds, practices beyond the mainstream models of content production and IP management that allow audience members to contribute canonically to the expansion of storyworlds, blurring the line between the traditional roles of consumers and producers. Shifting discussions of participatory culture and cross-media production and consumption practices to more independent media contexts, the book explores the limits, borders and boundaries of participating in today's digital media storyworlds. The text examines how audience participation works, identifying opportunities to make it a meaningful practice for audiences and an asset for IP owners, and discussing the challenges and barriers that the application of participatory culture brings along. The book defines what meaningful participation is by introducing the concept of 'intervention' and explains a range of factors impacting the way in which participatory worlds and relationships between producers, audiences and the world are shaped. This volume will be of great relevance to media practitioners, scholars and students interested in transmedia storytelling, fandom, literary studies and comparative literature, new media and digital culture, gaming and media studies.
