Amy Ellis

Epithet Erased: Prison of Plastic Brendan Blaber, 2024-03-05 In this world, a lucky few are born with special powers based on a single word. That word is called an EPITHET. Each epithet is linked to the user's soul, and no two people have the same one. By tapping into their word, epithet users--the inscribed--can do things that ordinary people--mundies--could only dream of. After a long week of dealing with criminals and panic attacks, twelve-year-old Molly Blyndeff returns home to her family's toy store for some much-needed rest. Unfortunately, her older sister, Lorelai, has other plans. Molly and her friends end up trapped in a magical world created by Lori's epithet, Augment. Now they must travel through her wonderland to confront Lorelai, and the only weapon they have at their disposal is Molly's considerably less intimidating epithet, Dumb. Prison of Plastic is the official continuation of the beloved web-animated series Epithet Erased. This sequel is the story of two sisters in a broken home struggling with their powers, themselves, and each other.

Epithet Erased Amy Ellis, 2022 In this world, a lucky few are born with special powers based on a single word. That word is called an EPITHET. Each epithet is linked to the user's soul, and no two people have the same one. By tapping into their word, epithet users--the INSCRIBED--can do amazing things that ordinary people--MUNDIES--could only dream of! After a long week of dealing with criminals, wizards, and panic attacks, 12-year-old MOLLY BLYNDEFF returns home to the toy store her family owns and operates for some much-needed rest. Unfortunately, her superpowered older sister, LORELAI, has other plans in mind. After a nasty argument, Molly and her friends end up trapped in a world created by Lorelai's epithet, Augment. Now they must travel through her wonderland in order to confront Molly's sister, and the only weapon they have at their disposal is Molly's considerably less intimidating epithet... Dumb. The road is fraught with danger, with everything from ogres to spelling tests standing in their way... but the thing both sisters are most afraid of is the idea that they might never be close again. Prison of Plastic is the official continuation of the beloved web-animated series Epithet Erased, which can be streamed in its entirety on YouTube and VRV. This sequel is the story of two sisters in a broken home struggling with their magical powers, themselves, and each other.
