Le déluge devant la critique historique ,1893

Le déluge et ses récits Atelier de sémiotique du texte religieux (Canada),2005 Comment une figure comme celle du déluge, tirée de notre héritage culturel, est-elle reprise, interprétée, resémantisée dans le discours ? Le groupe Atelier de sémiotique du texte religieux (ASTER) a posé la question à partir d'un ensemble de textes d'époques et de genres divers. L'analyse du récit de la Genèse, de l'épopée de Gilgamesh et de textes de Supervielle, Caillois, Le Clézio, Frenette, Deleuze ou Augustin veut montrer la pertinence d'une approche sémiotique qui s'intéresse à la manifestation du sens des textes. Le regroupement de récits de déluge veut aussi offrir un nouveau contexte de lecture qui éclaire la richesse et le fonctionnement de la figure.--Page 4 de la couverture.

La Terre Avant Le Déluge... Figuiet Louis 1819-1894,HardPress,2013-12 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Le Déluge Biblique devant la Foi, l'Écriture et la Science Al. Motais,2024-06-19 Le Déluge Biblique devant la Foi, l'Écriture et la Science est un ouvrage qui examine l'histoire du déluge tel que raconté dans la Bible à la lumière de la foi, de l'écriture et des découvertes scientifiques. L'auteur explore les récits bibliques du déluge, en particulier celui de Noé et de

l'arche, et les interprétations théologiques qui en découlent. L'ouvrage analyse comment le récit du déluge a été transmis à travers les siècles dans les traditions juive et chrétienne, et comment il a influencé la pensée religieuse et la compréhension de l'histoire biblique. Il examine également les preuves archéologiques et scientifiques concernant les inondations cataclysmiques dans diverses cultures et régions du monde, cherchant à concilier ces découvertes avec les récits bibliques. En outre, l'auteur aborde les questions théologiques et herméneutiques soulevées par le récit du déluge, telles que la nature de la justice divine, le rôle de Noé et des animaux dans l'arche, et les implications pour la foi contemporaine. Il explore également les différentes interprétations et les débats parmi les théologiens et les scientifiques concernant l'historicité du déluge et sa signification pour la compréhension moderne de la foi et de la science. En résumé, *Le Déluge Biblique devant la Foi, l'Écriture et la Science* offre une analyse approfondie et équilibrée du récit du déluge dans la Bible, examinant ses implications théologiques, son interprétation scripturaire et sa confrontation avec les connaissances scientifiques actuelles. Cet ouvrage est une ressource précieuse pour les étudiants en théologie, les chercheurs en études bibliques et tous ceux intéressés par les intersections entre la foi religieuse et la recherche scientifique.
