Broken Promises Evelyn Glass,2017-11-06 Broken Promises is book 1 in the Mad Jackals MC trilogy. Books 2 and 3, Broken Vows and Broken Hearts are available everywhere now! He promised me that he’d always be there for me. But that was before he was gunned down in the streets and left to die. Since that terrible day, he was gone—alive only in my memory. Until I saw him again—heard his booming laugh, and traced the irresistible smile on his lips. He’d gone through hell, but behind those eyes was the same man whom I gave my heart to years ago. The same man who held me in his strong hands as his heart beat in time with mine. The same man who promised me he’d never let go. Or so I thought. He wasn’t the same Ray Nolan of my memories. Not anymore. And beneath all the excitement and pleasure lies a darkness that I’m not ready to face. A darkness that remembers the promise he made: To hold me tight. And never let go.

Verselets of a Wayfarer Shancia Andrew. A.M,2021-09-22 Depression and grief can have so many shades- it could be

blue as the endless ocean, it could be black as a raven's wing carrying death, or it shall be as bright as the sun blinding sight. When despair traps us, it feels good to explore the unknown and follow tales lost to the wind. This book speaks of the struggles and self-loathing that take root owing to depression. From shattering into pieces and wandering in search of peace to finally mending the shattered soul, these poems shall take you through capricious emotions. It speaks of tales of people encountered in the journey to recovery; it briefs of valiant hearts that hoped for a better day and strived hard to change their lives. It follows tales that helped to recover and kept company when the night was cold and the days were unbearable and the beginning of a journey of self-healing.

Inspiration Akin O. Akindele, 2002-03-11 This book is about life and how to attain or approximate our most important aspirations. It is designed to benefit everyone involved in any kind of venture, or relationship. The book is especially important to people who, on a daily basis, have to achieve important (personal or business) objectives by persuading others to see things their way, or at least to meet them half way for a constructive and beneficial outcome. This book is about life in all of its aspects. It attempts to reach and be helpful to each reader in most aspects of life, which the reader may need to improve, or re-evaluate. Part of the objective of this book is to make a person acting in an informed manner, become more comfortable with the choices that may from time to time be made. Understanding why those choices were made, and owning the benefits and being prepared to stoically deal with the attendant consequences that may flow from those choices. To be

sure, this book is partly a concession to the sometimes unfathomable world in which we live. It is therefore no more than my own imperfect effort of attempting to make some sense out of how and why things are the way they are. How and why things have tended to work best for most people who have been deemed successful in various aspects of human endeavor, whether as a great parent, effective leader, a good advocate, an inspired creator of abundant wealth, an admired citizen, a trusted partner, or a great friend. Briefly, therefore, this book is divided into three broad chapters. Each chapter is further subdivided into appropriate sections, for an easy and hopefully logical flow. Chapter one attempts to lay out the general foundation for the kinds of issues and challenges to be addressed. Chapter two addresses these issues in the context of various life circumstances and relationships we each find, or may from time to time, find ourselves. Chapter three, the last chapter, hopefully succeeds in tying it all together. The goal of the book is achieved. By the time one completes reading the book, each reader will be able to identify a personal road map for success. And this road map is applicable to whatever field of endeavor, or aspect of life, that each person may desire greater measure of success. As we each pursue our respective aspirations which could range from a desire to be loved and embraced; a quest to be perceived as worthy; an important recognition, respect, reward, or some other opportunity, it is very important to be very cognizant of the kinds of actions, attitude, or mind set, that are more likely than not, to aid us in attaining the ultimate goal we crave. I call the constructive application of these various life tenets, THE WINNING FORMULA.

Postmodern Paradigm and Salman Rushdie'S Fiction Dr Shaikh Suhel Samad,2016-09-02 The book highlights postmodern fiction and more so Rushdie's fiction, which is concerned with: 1. A preoccupation with viability of systems and representations 2. The decentring of the subject and the inscription of multiple fictive selves 3. Narrative fragmentation, narrative reflexivity, and narratives which double-back on their own presuppositions 4. An open-ended play with formal divides challenging the presuppositions of literary realism 5. Abolition of the cultural divide between high and popular forms of culture, embracing all in a mlangé 6. The displacement of the real by simulacra in Baudrillardian sense 7. Incredulity toward the metanarratives as Lyotard puts it
