The Scariest Word in the Bible Lance M. Bacon, 2018-08-14 In Jesus' view, "many" are wrong about being right with God. They anticipate a home in heaven but will receive an eternal eviction. How can we be sure that we are not among the many? This book will help you find that answer. Presented from a pastor's heart, this work combines exegetical analysis, theological acumen, and practical ministerial insight to help you obtain and maintain a saving relationship with God. The Parable of the Sower serves as the roadmap on our journey, as it provides remarkable insight on why "many" seeds fail to find good ground or bring forth good fruit. Jesus also reveals how we can tap the unimaginable potential for personal and kingdom growth contained within. The first section breaks up the hard ground to reveal the deep truths of sin and salvation. The second section identifies ways to overcome the stones that prevent spiritual growth—offense, unforgiveness, fear, solitude, and complacency. The third section analyzes the postmodern worldviews, deficient theologies, materialism, and the idolatry of self that suffocates many growing Christians. Only the believer who rightly responds to God can begin to live for God and ultimately live from God. This is God's salvation. Is it yours?

Does the Sun Shine in Heaven John Amatuzio, 2004-04 This inspirational story told by patient and author, John Amatuzio, about his long battle against leukemia, culminates a 20-year (and counting) journey of unimaginable proportions. As the patient, John was told that his type of leukemia had never been successfully cured through bone marrow transplantation using a non-related donor. The count worldwide was 0 for 20 and mounting at the time. With no other alternatives, John went through major testing, private investigator assistance, major turmoil and a donor materializing on the last possible evening in order to receive his transplant. Incredible bouts with faith and intense religious occurrences following the transplant finally led victory over defeat against insurmountable odds. Stand side by side with John as he endures 106-degree fevers, organ failure, GVHD, total body radiation treatments, Last Rites, fist fights and experimental protocols. Personal betrayals lead to loneliness and a seemingly broken life that through twists of fate and unshakeable faith bring him to thanksgiving. Readers from all walks of life will find this emotional tale thought-provoking and insightful. A must read if you or someone you love is living with cancer.

Marriage Minutes Jerry Shipp, 2015-10-22 Based on his thirty years in the trenches as a marriage therapist and the knowledge and insight he has gained from thousands of clients, Jerry Shipp has written a book of practical and, sometimes, humorous parables to help us grow deeply satisfying marriages. In our high-tech, chaotic world where relationships are

shallow and people are more connected to their devices than to each other, it is difficult to know how to create a perfect marriage when there are so few good examples out there. How can we create love for a lifetime? Everybody wants it, but so few seem to achieve it. This book will give some answers to these burning questions. In just two minutes a day, men, you will learn: What Eeyore, Tarzan, the Grinch, Pepe Le Pew, and Captain Picard have to say about intimate relationships, How Jaws, 50 First Dates, Sherlock Holmes, Godzilla, and True Lies can help you to enjoy and improve your marriage, What Stupidville is and how not to go there, The proper way to pursue the woman you love, and How to overcome being a doofus. Women, you will learn: How to prevent drift, What unconditional respect, The Law of Association, and submission really mean, How to fight in a way that strengthens your marriage, What ordinary things like scabs, weeds, frogs, and back doors can teach you about your marriage. Couples, if you apply the mostly simple (but not necessarily easy) suggestions in this book, you will have created a fabulous, enduring relationship

Fated to Love You Kayla Cunningham, Cassandra Steel loves her family, her friends, helping other people...and science. Her love of science has brought her the amazing opportunity to study abroad in Colombia. Fresh from a devastating break-up with her first boyfriend, Cassie throws herself into her research, sure that love is not meant for her. Therefore she is taken by surprise at the attraction she begins to feel for Zhang Xuan, a fellow science student, although she is sure that the feeling is strictly one-sided. The time comes to return to the United States, but Cassie has one last thing to do. Having brought a large amount of donated school supplies for the local children, she agrees to drive one of the trucks that will deliver them. Unfortunately for Cassie, tragedy strikes along the way in the form of a devastating mudslide that almost kills her. Cassie's rescue is nothing short of miraculous, but she finds herself unable to leave the country because of her injuries. Forced to stay behind, she bonds with her rescuer—who is none other than Xuan—and soon they find themselves confessing their feelings for each other. After they return to the States, they begin dating, and fall head over heels in love. But, there are barriers to be breached that threaten to block their union, not least of which is the racism they encounter. Just when everything seems to be going well, Fate strikes a devastating blow upon the young couple. This time the odds of survival are stacked against

them. The road ahead will be a bumpy one for both of them...and they are going to need the love and support of everyone in their lives. Can the red thread of fate that binds them remain unbroken?
