Happily Inc. Volume 1 Susan Mallery, 2019-08-12 Return to Happily, Inc., California, a wedding destination founded on a fairy tale, with these three classics in the series from #1 New York Times bestselling author Susan Mallery! You Say It First Sculptor Nick Mitchell grew up in a family of artists and learned from his volatile father that passion only leads to pain. As he waits on a new commission, he takes a day job as a humble carpenter at a theme wedding venue. The job has its perks—mainly the venue’s captivating owner, Pallas Saunders. Although he won’t let love consume him, for ecstasy with an expiration date, he’s all in. Pallas adores Weddings in a Box. But if she can’t turn the floundering business around, she’ll have no choice but to cave to her domineering mother and trade taffeta for trust funds working at the family’s bank. Then when a desperate bride begs Pallas for something completely out of the box, her irresistible new hire inspires her. Nick knows she doesn’t belong behind a desk, and she knows in her heart that he’s right—where she really belongs is in his arms. Second Chance Girl Mathias Mitchell’s easy smile hides a world of hurt. After the worst kind of family betrayal, he moves to Happily Inc., California—the wedding destination town supplies a steady stream of bridesmaids, perfect for his “no promises, no pain” lifestyle. Yet he can’t stop watching for his beautiful, elusive neighbor on the animal preserve behind their homes. Gamekeeper Carol Lund knows she’s not special enough to attract an alpha male like Mathias, so his offer to help her adopt a herd for her lonely giraffe is surprising—and his determined seduction, even more so. But just as she finally welcomes him into her bed, his careless actions crush her heart. Will she give him a second chance to prove she’ll always come first in his heart? A Very Merry Princess When Princess Bethany’s father, the king, sells one of his best stallions, she insists the animal get the royal treatment. Disguised as Beth Archer, a mere stable hand, she takes him to Happily Inc, California, a quaint wedding destination that’s especially sparkly over the holidays. Rich women have no place on Cade Saunders’s ranch. He wants a down-to-earth girl-next-door type—like Beth Archer. After a few cocoa-flavored kisses by the Christmas tree, Bethany begins to fall for her irresistibly handsome host. Sweet Spot Susan Mallery, 2018-08-27 From the #1 bestselling author: "[A] heartwarming novel about how a woman at odds with the world learns to live with it, and sometimes even love in it." —Booklist "Responsibility" should be Nicole Keyes's middle name. After all, not many people would sacrifice their lives to run the family bakery and raise a younger sibling. But with Nicole's twin sister now blissfully married and her younger sis turning out more femme fatale than girl-next-door, super reliable Nicole is getting sick of putting everyone else's needs first! Enter Hawk. The deliciously sexy former NFL player offers Nicole a taste of the freedom she craves. Hawk may know the way, blindfolded, to her sweet spot, but Nicole's not about to let him get close enough to break her heart. Don't ask Claire Keyes. The twenty-eight-year-old piano prodigy has never had a regular boyfriend, much less a real romance. Her music career has left little room for friends or family—which is just part of the reason she hasn't seen the family bakery or her two sisters in years. But now Nicole is sick, and Jesse is AWOL. Despite the fact that Claire can't boil water, she's determined to play caretaker. Connecting with her sisters tops her to-do list . . . along with falling in love, or at least in lust, for the first time. Ruggedly sexy Wyatt just might fit the bill. Although he keeps saying that he and Claire come from entirely different worlds, he lights up hotter than a bakery oven whenever Claire is near. If this keeps up, she just might sweet-talk him into her bed . . . and her life. "One of those stories you don't want to end. It has plenty of laugh-out-loud moments and just the right amount of lump-in-your-throat moments . . . This is the first of the Bakery Sisters trilogy, and will be a hard act to follow." —Fresh Fiction "Romantic, daring, and hopeful . . .
