I've seen things, I've done things, that would break a man. If they didn't kill him first. With my past behind me, I have nothing. No way to atone for my sins and nothing to lift me from the depths of despair I've come from. And no one to give me the control that I so desperately desire. But as soon as I saw Lilly walk through the halls of Club X, something inside my cold heart flickered. With her large, blue eyes, and her seductive curves, I wanted her. Lilly, my flower. There's a sweet innocence about her that steals the breath from my lungs. She brings my darkness to the surface, and what's more... she craves it just as much as I do. The danger is what lured her to me. But she didn't realize how intense this would be when she signed that contract. She thought it was all fantasy and make-believe. But I'm not a knight in shining armor. I'm not a hero from a romance novel. I'm the villain. And now she wants to leave? I won't

allow it. I own her. And I'm not letting her go. \*Owned is a full-length standalone DARK romance with an HEA, no cheating, and no cliffhanger.

I've been waiting for someone as broken as me. Someone who truly needs to give up complete control and rely on me to take away her pain. And then I found her. Katia. My kitten. The moment I laid eyes on her gorgeous face, full lips and seductive curves, she stole the air from my lungs. It's been so long since I've wanted something so intensely. She devours my every waking moment, teasing me with just a taste. She's stronger than she knows, but haunted by a past that won't loosen its grip on her. She's refused my collar and I know why. I shouldn't take her, I shouldn't even consider his offer. Women like her bring men to their knees. But there's something in her baby blues. They're haunted by what lies behind them. She sees through me, leaving me nowhere to hide. I knew taking her would destroy me, but it only took one taste. Now I'm addicted. And I'm not giving her back.

**Then You're Mine** W. Winters, Willow Winters, 2023-04-11 From USA Today and Wall Street Journal best-selling romance author, W Winters, comes a provocative tale of a club designed for wealthy sinners. It's a story crafted for those of us who crave the villain. I wish I'd known before it got to this point so I could have stopped it. I'd have chosen her above all else... if only I could go back. Even if it meant never getting to kiss her, to love her, to be consumed by the woman she is and the love she gave me. The only thing I know as truth now is that it's all my fault and it's all too late. Her dark eyes hold obvious pain and misery, so much regret, but more than anything I know she looks back at me, her grip slipping, because she loves me. She has no idea how much I love her, though. This can't be how our story ends. I'll burn the world down if that's

what it takes. I'm never letting her go.

Small Town Big Rumors Willow Winters, He tasted like tequila and the fake name I gave him was Rose. Four years ago, I

decided to get over one man, by getting under another. A single night and nothing more. I found my handsome stranger with a shot glass and charming but devilish smile at the end of the bar. The desire that hit his eyes the second they landed on me ignited a spark inside me, instant and hot. He was perfect and everything I didn't know I needed. That one night may have ended, but I left with much more than a memory. Four years later, and with a three-year-old in tow, the man I still dream about is staring at me from across the street in the town I grew up in. I don't miss the flash of recognition, or the heat in his gaze. The chemistry is still there, even after all these years. I just hope the secrets and regrets don't destroy our second chance before it's even begun.

Standing with their broad shoulders squared and hands tucked behind their backs, they emanate sheer masculinity and dominance.
