How to be a Billionaire Martin S. Fridson, 1999-12-24 A truly enlightening work filled with fundamental strategies that have worked for others. Martin Fridson documents the essential principles inherent in every billionaire's success. -Gordon Bethune Chairman of the Board and CEO Continental Airlines Self-made billionaires all have one thing in common: they excel at making money. But hard work, thrift, and focus are only part of the story-you hold the rest of it in your hands. How to Be a Billionaire is the first comprehensive picture of the real strategies and tactics that built the great business fortunes of modern times. Packed with engaging accounts of titans like Ross Perot, Richard Branson, Phil Anschutz, John D. Rockefeller, Wayne Huizenga, Bill Gates, J. Paul Getty, and Kirk Kerkorian, How to Be a Billionaire will show you principles that can increase your wealth and business acumen to the mogul level. How to Be a Billionaire looks at the careers, the methods, and the minds of self-made billionaires to distill the common keys to titanic accumulations of wealth. Each chapter explores a specific strategy and brings it to life through extended profiles of past and present masters of the art of making money. Do you think innovation is the best way to prosper in business? Sam Walton, founder of the Wal-Mart retail chain, would tell you otherwise. The key to Walton's success was supreme devotion to copying the methods of other successful discounters. What could be less complicated than buying low and selling high? But the ascent of Warren Buffett, John Kluge, and Laurence Tisch to billionaire status depended on much more than an eye for good bargains. And if you're looking to thrive by outmanaging the competition, look no further than Richard Branson. When the founder of Virgin Atlantic needed to reduce his staff by 400 people, 600 volunteered to take off a few months on sabbatical. How to Be a Billionaire identifies the methods, beliefs, and behaviors every businessperson must understand and emulate to reach the pinnacle of riches. A manual for success that can benefit every aspiring tycoon, it is a fascinating read for anyone intrigued by wealth and how it's gotten. Praise for HOW TO BE A BILLIONAIRE How to Be a Billionaire offers fascinating insight into the subject of building wealth. As a result of his exhaustive research, Martin Fridson is able to explain the wealth-creation process from a unique perspective. As the reader will discover, there is no single formula for success, but there are certain categories into which these concepts can be placed. My personal advice is to remember the words of Winston Churchill who said, 'Success is the ability to go from one failure to another with no loss of enthusiasm.' -Ross Perot Martin Fridson has created the ultimate roadmap to the American Dream. He comes as close to extracting a formula for the acquisition of wealth as any book I have

ever read. -Jeff Sagansky CEO, Paxson Communications Martin Fridson's book has a number of very insightful and thoughtful analyses, something you don't pick up in many business schools. -Philip F. Anschutz Chairman and CEO, The Anschutz Corporation How to Be a Billionaire is a powerful arsenal of dead-on strategies for increasing your personal wealth and business acumen. Marty Fridson details the tactics of self-made billionaires with great intelligence and insight. I wish this book had been available when I was starting my career. -Spencer Hays Founder, Tom James Company Executive Chairman, Southwestern/Great American, Inc. Chairman, Athlon Publications

If some of my readers bought the 15 or so stocks mentioned in my article Amazing Returns, in a year they would have made more money than any other articles published in any investing site. Some asked me for proofs and some blamed me for high commission costs, etc. All these questions were due to no respect. The fact is it returned more than 50% in a year from the publish date and I claim to be the best performing article in a year for recommending more than 15 stocks in diversified sectors. Size: 195 pages (6*9). Initial date: 02/2021.

How to Be a Writer Marcus Berkmann,2022-06-07 Marcus Berkmann has been a freelance writer since 1988, working for newspapers and magazines and occasionally writing a book, like this one. He reckons to have written literally millions of words in that time, several of them in the right order. This, his 13th or possibly 14th book, is about those years of writing: the triumphs (few), the heartbreaks (many), the sackings (more than you would expect), the biscuits (many, many more than you

would expect). In it he somehow makes the act of staring out of a window wondering what to say next seem both fascinating and, in some strange way, enviable, whereas, like most writers, he rarely leaves the house other than to go to the pub or the off-licence. Often asked how you become a writer, his advice remains: Please do not. There's already enough competition out there and we don't need any more. His advance for this book was about enough to buy a packet of Jaffa Cakes.
