The First World War You Never Learned About J.G. Cheock, 2022-01-01 The Bronze Age was indisputably a time of war. Warriors raised weapons against each other. Cities fought battles with cities. Nations campaigned against nations. But did the nations ever come together from every known continent to bear arms in a bloody war that affected world history? A war whose glorious story continues to be sung in epics around the world?

**Banana Heart Summer** Merlinda Bobis, 2008-05-20 In her lush, luminous debut novel, Merlinda Bobis creates a dazzling feast for all the senses. Richly imagined, gloriously written, *Banana Heart Summer* is an incandescent tale of food, family, and longing—at once a love letter to mothers and daughters and a lively celebration of friendship and community. Twelve-year-old Nenita is hungry for everything: food, love, life. Growing up with five sisters and brothers, she searches for happiness in the magical smell of the deep-frying bananas of Nana Dora, who first tells Nenita the myth of the banana heart; in the tantalizing scent of Manolito, the heartthrob of Nenita and her friends; in the pungent aromas of the dishes she prepares for the most beautiful woman on Remedios Street. To Nenita, food is synonymous with love—the love she yearns to receive from her disappointed mother. But in this summer of broken hearts, new friendships, secrets, and discoveries, change will be as sudden and explosive as the monsoon that marks the end of the sweltering heat—and transforms Nenita's young life in ways she could never imagine.

FAITH AND HOPE AND CHARITY Daniel Escurel Occeno,

Dust Beneath the Ocean TIRSO H GAMBIA, 2022-06-01 Beautiful, rich, and elegant Chloe Santos worked as a simple teacher in her town. After she had surpassed the intricate worst nightmare in her past, she had met a man that she thought would help her to stand again and mend her fragmented heart. The quietude of her life was broken when she haplessly found herself in the middle of the two powerful, materialistic, ambitious, and corrupt mortals that made her unearth the man who murdered her parents. Would she forgive the man who murdered her parents or take the oath emitted from her mouth on

their graves that revenge is sweet?
