It Hurts When I Poop! Howard J. Bennett, 2025-08-01 iParenting Media Award Winner Helping children overcome their fear of pooping with colorful illustrations and a thoughtful story. Ryan is scared to use the potty. He is afraid to have a poop, because he's afraid it's going to hurt. He does NOT want to go. This story, along with Ryan's poop program, will help young children gain the confidence they need to overcome this common problem and establish healthy habits. Includes a Note to Parents by the author. From the Note to Parents: The book includes a “poop program” that I use with children between the ages of 3 and 6. While the program is ostensibly for the main character, my hope is that your child will want to follow these steps as well. How you approach the program will vary somewhat depending on your child’s age. Most 3- to 4-year-olds do not need to do the program in a formal way. Instead, you can incorporate parts of the program into your daily routine—make the needed dietary changes, reward successful pooping with stickers, and consider reviewing how poops come out of the body. Most 5- to 6-year-olds are interested in doing the full program, though it is still important to be flexible. For example, if a 5-year-old does not want to do Potty Practice, I would adjust things accordingly.

Hard Time Shaun Attwood, 2014-02-18 Shaun Attwood was a millionaire day trader in Phoenix, Arizona, but his hedonistic lifestyle of drugs and parties came to an abrupt end in 2002 when a SWAT team broke down his door. Attwood found himself on remand in Maricopa Jail with a \$750,000 cash bond and all of his assets seized. The nightmare was only just beginning as he was submerged in a jail in which rival gangs vied for control, crystal meth was freely available, and where breaking rules could result in beatings or death. Sheriff Joe Arpaio's jails have the highest death rate in the United States. Hard Time is the harrowing yet darkly humorous account of the time Attwood spent submerged in a nightmarish world of gang violence and

insect-infested cells, eating food unfit for animals. His remarkable story provides a revealing glimpse into the tragedy, brutality, comedy, and eccentricity of prison life.

The Sensory Processing Diet Chynna Laird, 2020 As a mom of a newly diagnosed child with Sensory Processing Disorder (SPD), I relentlessly sought experts in SPD, as well as top nutritionists, biopsychologists, and neurologists. I figured that if I understood the major functions of the brain, and how it's supposed to take in, process and respond to stimulation, I could discover how SPD interferes with these functions. Understanding the whole picture - the combination of body, brain and nutritional health - led me to embrace the Sensory Diet. In this book, I share the keys of a well-balanced nutritional diet and the activities and exercises that truly work. Use the resources in this book to create a whole picture of your own child's conditions and customize a Sensory Diet for him/her. If you're the parent, teacher, relative or friend of a sensory kid, The Sensory Processing Diet will give you unique insight into his or her world. Reading it was a breath of fresh air, as I could relate to so many of her parenting struggles and found her recommended interventions to be both doable and helpful. --CAMERON KLEIMO, sensory mom Chynna Laird has written a sensational book about a little known disorder, but one that is becoming increasingly more identified in children. As a child psychologist, I found the book to be interesting, informative and complete. I recommend it highly to parents and professionals. I loved it. --LAURIE ZELINGER, PhD, ABPP, RPT-S, board certified psychologist, author of Please Explain Anxiety to Me I work with many children in play therapy that also experience sensory issues. The Sensory Diet gives an in-depth look at contributors to SPD, what types of treatments are available and adjustments families can make so that a child with SPD can cope in life in a way that he/she hasn't understood before. I wholeheartedly recommend it to therapists and parents. --JILL OSBORNE, EDS, LPC, CPCS, RPTS, author of Sam Feels Better Now! CHYNNA LAIRD - is a mother of four, a freelance writer, blogger, editor and award-winning author.
