Dear Mommy, I Just Called to Say I Love You Shirley E. Gordon, 2011-03-14

A Squatter's Tale Ike Oguine, 2023-12-01 Ike Oguine's debut novel, *A Squatter's Tale* is a dark and bold story about the life of a Nigerian business man living in exile in America. Obi does not shy away from his flaws. Dishonest, offensive, arrogant - he moves through life caring little about the people around him. Yet when his uncle comes to visit from America, showering him with gifts and selling him tales of a new life, Obi is determined to follow him. After buying a one-way ticket, he quickly realises that neither his uncle nor America are quite what they promised to be. Fast-paced and defiant, *A Squatter's Tale* is an honest insight into the experiences of a Nigerian man living in 1990s America. 'Few people have read this hilarious novel but one read is all you need to become a fan.' Guardian

Thanks for the Lemons Annette L Miller, 2021-11-23 "Thanks for the Lemons" is an 'Amuse Bouch', (tasty bite) of literature. The blend of a return to communication, spirituality, and love wrapped, from time to time, in personal anecdotes. Crystals and the number three appear as 'Tapas' - like accompaniments. A journey through the dictionary, life experiences and emotions with Ms. Miller as your guide. Like a fine, aged wine, to be enjoyed one sip at a time."

80s Chart-Toppers Sharon Davis, 2012-01-06 The '80s were a decade of musical change. As the '70s disco stranglehold was broken, rock, gay, dance and pop music competed with funk and soul, romantic ballads and political protest, computerised music and controversy. The glamour of costume, greasypaint and cross-dressing was put to good use by New Romantic groups like Spandau Ballet, Duran Duran, Soft Cell, Culture Club and the Human League, while the world also looked to Britain for the most exciting pop acts such as the multi-million-selling Wham!, Frankie Goes To Hollywood, Eurythmics and the Pet Shop Boys. Mainstream dance music was at its peak, spearheaded by Stock, Aitken and Waterman, and their stable of artists, including Kylie Minogue, Jason Donovan and Rick Astley, were all chart-topping names. From the USA came the artist of the decade, Michael Jackson, while Madonna and Whitney Houston provided the 'Girl Power' of the '80s. The decade also saw the philanthropic side of the music industry as the stars responded to famine in Ethiopia with the charity records 'Do They Know It's Christmas?' and 'We Are The World'. The '80s catered for all musical tastes, no matter how

bizarre, and was far more eclectic than any other decade. From bubble-gum pop with Bucks Fizz to the stadium rock of Simple Minds, '80s Chart-Toppers brings a comprehensive year-by-year, month-by-month guide to the hottest sounds of the decade.

Wake Me up at 10:00 Love, Terry Frances S. Ferguson, 2022-09-29 It was 1984 when a serial killer murdered my daughter. It is now 2022, yet the story continues as the space and time from one decade to another fuse until they finally make sense and the bridge between them becomes strong enough to carry the weight of all the truth it brings. This is about the legacy given to me by my daughter through her death. It is how I learned the ancient truths of why things happen and how this glorious world is ours for the taking. I honor this gift, my daughter, who led me to it, and my teacher, Master Rose Ashley, who turned on the light switch of awareness, flooding the darkness of my stagnated mind with blinding light. Now, after all these years, I've finally found how it all fits together, my daughter's death, a monastery, the magnificent horses, a Spiritual Master, the teachings, and myself. Here are the words that make it all one. My search is over. Yours has just begun.

Juggling Between Life and Death Françoise Rochais,2023-06-22 This is the story of a little majorette from Vendée who, starting from nothing, juggled two sticks, then three, then seven, and became world juggling champion in Las Vegas. It's also the story of a child, then an abused woman, who clings to this art with such strength and virtuosity that she goes on to work non-stop in the world's greatest cabarets. Shy, solitary and trapped in an unbearable sense of unease, Françoise flings her sticks before the astonished eyes of the audience in order to fight the demons rumbling inside her. Françoise's absolute desire to live and transcend her wounds lead her to forgive her rapists. For her, only two goals mattered: to live at peace with herself and to give herself the chance to meet her soulmate. Her exceptional testimony speaks of a path that it is possible to take after having lived through the worst. Perseverance, overcoming and rebuilding are all avenues of hope for those who, from an early age, have suffered unbearable violence and, with unsuspected courage, have always refused to let themselves be trapped in it. Listed in the Guinness Book of Records, Françoise Rochais has performed in over five thousand shows worldwide. She has won numerous awards, including the most prestigious competitions: the Festival international du cirque de Monte-Carlo (2020) and the Festival mondial du cirque de demain in Paris.

Different by Design Omawumi Efueye, 2015-11-30 To say that marriage is today facing unprecedented crises is to be guilty of a chronic understatement. Soaring divorce rates have been fuelled by inadequate preparation for marriage, ignorance about its purpose, premarital sex, and counterfeit incarnations like polygamy, polyandry, and cohabitation. Additionally, economic pressures, increasing global amorality, and the determination to redefine marriage are further sounding the death knell for marriage. The good news is that there is nothing new under the sun, and this institution, which has survived every onslaught in every community across every age, will continue to do so. The purpose of this book is to heal marriages in this generation and, more significantly, equip the next generation to approach, prepare for, and conduct marriage as God intended. In this candid, practical, Bible-inspired treatise, you will discover the following: The purpose of marriage and lessons from the first marriage How clearly defined roles determine your marriage's success and insulate you from the scourge of unmet expectations A spiritual and practical checklist for picking the right spouse in the first place Three critical principles of communication Learning to fight properly by mastering conflict resolution techniques How not to make outlaws of your in-laws and parents I can't live without you! myth or fact? If sex can be good and at the same time godly; also, what is sexually permissible for a Christian couple What happens when the initial attraction fades or love dies What to do when your spouse is attracted to or involved with an external party The key to raising godly offspring The pervading theme from which the book derives its title is that men and women are different by design. Marriages totter and collapse because spouses do not realise this divine inbuilt design imperative to the success of their connubial experience. Enjoy discovering the truth this book exposes you to and the liberty it engenders in your marital walk.
