How to Get a Life in Ten Dates Jenny L. Howe, 2024-12-10 Change the title to 'How to Become a Jenny L. Howe fan for Life' because that's what this book did to me! —Jo Segura, USA Today bestselling author of *Raiders of the Lost Heart* and *Temple of Swoon* In this charming new rom-com from Jenny L. Howe, a young woman who's fed up with dating challenges her family and friends to set her up on ten dates, but gets more than she bargained for when her best friend adds himself to the roster. Dating as a plus-size woman has been exhausting for Haleigh Berkshire. Sure, she's only twenty-five, but she's been doing it for a decade, and she's beginning to think it's time for a sabbatical. It doesn't help that she's been madly in love with her best friend, Jack, for years—but one disastrous weekend in college taught her the hard way that they'll never be more than friends. With her sister's engagement celebration fast approaching, and her friends and family nagging her about a plus-one, Haleigh and Jack do what they do best: scheme. Haleigh agrees to let her friends and family set her up with ten people—and she's sure that, once none of them prove to be good matches, her loved ones will finally let her fade into romantic retirement in peace. To her surprise, some of Haleigh's dates go better than expected, and for the first time in forever, she's actually having fun. Until Jack starts breaking all the rules they'd made to mend their friendship in college. He produces a laundry list of flaws for everyone she likes, crashes some of her nights out, and finally shocks her by throwing himself into the mix. Dating Jack has always been the dream, but Haleigh is afraid of the reality. Is it worth risking her best friend for something that may have never been meant to be?

On the Plus Side Jenny L. Howe, 2023-12-26 What Not to Wear and Queer Eye meet All the Feels in this sparkling romantic comedy by Jenny L. Howe, in which the new guest on a popular plus-size makeover show has her style—and her love life—transformed. Everly Winters is perfectly happy to navigate life like a good neutral paint color: appreciated but unnoticed. That's why she's still a receptionist instead of exploring a career in art, why she lurks but never posts on the forums for her favorite makeover show, *On the Plus Side*, and why she's crushing so hard on her forever-unattainable co-worker. When no one notices you, they can't reject you or insist you're too much. This plan is working perfectly until someone secretly nominates Everly for the next season of *On the Plus Side*. Overwhelmed by the show's extremely extroverted hosts and how much time she'll have to spend on screen, she finds comfort in a surprising friendship with the grumpy but kind cameraman, Logan. Soon Everly realizes that he's someone she doesn't mind being noticed by. In fact, she

might even like it. But when their growing connection is caught on camera, it sends the show's ratings into a frenzy. Learning to embrace all of herself on national TV is hard enough; can Everly risk heartbreak with the whole world watching?

The Make-Up Test Jenny L. Howe, 2022-09-13 In this smart, swoony, rom-com debut from Jenny L. Howe, two college exes find themselves battling against each other—and their unresolved feelings—for a spot in a prestigious literature Ph.D. program. Allison Avery loves to win. After acing every academic challenge she's come up against, she's finally been accepted into her dream Ph.D. program at Claymore University, studying medieval literature under a professor she's admired for years. Sure, grad school isn't easy—the classes are intense, her best friend is drifting away, and her students would rather pull all-nighters than discuss *The Knight's Tale*—but she's got this. Until she discovers her ex-boyfriend has also been accepted. Colin Benjamin might be the only person who loves winning more than Allison does, and when they're both assigned to TA for the same professor, the game is on. What starts as a personal battle of wits (and lit) turns into all-out war when their professor announces a career-changing research trip opportunity—with one spot to fill. Competing with Colin is as natural as breathing, and after he shattered her heart two years ago, Allison refuses to let him come out on top. But when a family emergency and a late night road trip—plus a very sexy game of Scrabble—throw them together for a weekend, she starts to wonder if they could be stronger on the same team. And if they fall for each other all over again, Allison will have to choose between a once-in-a-lifetime opportunity and what could be a twice-in-a-lifetime love. In this charmingly bookish debut, *The Make-Up Test* embraces the truth that people can sometimes change and grow, even when you least expect it.

Yours for the Taking Gabrielle Korn, Jenny L Howe, 2024 The year is 2050. Ava and her girlfriend live in what's left of Brooklyn, and though they love each other, it's hard to find happiness while the effects of climate change rapidly eclipse their world. Soon, it won't be safe outside at all. The only people guaranteed survival are the ones whose applications are accepted to The Inside Project, a series of weather-safe, city-sized structures around the world. Jacqueline Millender is a reclusive billionaire/women's rights advocate, and thanks to a generous donation, she's just become the director of the Inside being built on the bones of Manhattan. Her ideas are unorthodox, yet alluring--she's built a whole brand around rethinking the very concept of empowerment. Shelby, a business major from a working-class family, is drawn to Jacqueline's promises of power and impact. When she lands her dream job as Jacqueline's personal assistant, she's instantly swept up into the glamorous world of corporatized feminism. Also drawn into Jacqueline's orbit is Olympia, who is finishing up medical school when Jacqueline recruits her to run the health department Inside. The more Olympia learns about the project, though, the more she realizes there's something much larger at play. When Ava is accepted to live Inside and her girlfriend isn't, she's forced to go alone. But her heartbreak is quickly replaced with a feeling of belonging: Inside seems like it's the safe space she's been searching for... most of the time. Other times she can't shake the feeling that something is deeply off. As she, Olympia, and Shelby start to notice the cracks in Jacqueline's system, Jacqueline tightens her grip, becoming increasingly unhinged and dangerous in what she is willing to do--and who she is willing to sacrifice--to keep her dream alive. At once a mesmerizing story of queer love, betrayal, and chosen family, and an unflinching indictment of cis, corporate feminism,

Gabrielle Korn's *Yours for the Taking* holds a mirror to our own world, in all its beauty and horror--

The Roommate Pact Allison Ashley, 2023-08-01 All of the fun, none of the heartache...as long as they stick to the agreement. The proposition is simple: if ER nurse Claire Harper and her roommate, firefighter Graham Scott, are still single by the time they're forty, they'll take the proverbial plunge together...as friends with benefits. Maybe it's the wine, but in the moment, Claire figures the pact is a safe-enough deal, considering she hasn't had much luck in love and he's in no rush to settle down. Like, at all. Besides, there's no way she could ever really fall for Graham and his thrill-seeking ways. Not after what happened to her father... Just as things begin to heat up way before the proposed deadline, Graham's injured in a serious rock climbing accident—and he needs Claire's help to heal. She'll do whatever it takes to nurse him back to health...even if it means moving in to Graham's bed and putting up with his little dog, who hates her. But with this no-strings arrangement taking a complicated turn, keeping “for now” from turning into “forever” isn't as easy as they'd planned.

tingling thriller follows seven horror buffs as their dream trip to a remote Romanian castle turns into a nightmare when they begin to be killed one by one. But when they get there, it's not quite the majestic setting they planned for. Menacing weapons line the walls, the twisted halls are easy to get lost in, and with no connection to the outside world, the group is unexpectedly off the grid. After just a few hours spent under its roof, Alex and her friends have no trouble imagining how this dark, terrifying castle inspired one of the most enduring horror novels of all time. Only soon they no longer have to use their imaginations to understand the location's terrifying history—just as they get the film's first shot rolling, one of Alex's friends disappears, and she's nearly certain she saw a cloaked stranger lurking in the shadows. As more members of the group begin to meet an untimely demise, Alex is desperate to stop the bloodshed, even if it means facing a monster she never thought would be let loose.

Rules for Second Chances Maggie North, 2024-06-25 Brimming with heart and heat, *Rules for Second Chances* explores the hardest relationship question of all: can true love happen twice...with the same person? Liz Lewis has tried everything to be what people want. But she's always been labeled different from everyone else in the boisterous world of wilderness expeditions—that is, if anyone notices her at all. Her marriage to popular adventure guide Tobin Renner-Lewis is

a sinkhole of toxic positivity where she's the only one saying no. In a mountain resort town built around excitement, introverted Liz gets...spreadsheets. When she gets mistaken for a server at her own thirtieth birthday party and her last line of communication with Tobin finally snaps, Liz vows to stop playing a minor character in her own life. The (incredibly well-researched and scientific) plan? A crash course in confidence...via improv comedy class. The catch? She's terrible at it, and the only person willing to practice with her is a certain extroverted wilderness guide who seems dead set on saving their marriage one bonkers improv scenario at a time. But as Liz and Tobin get closer (...again), she's forced to confront all the reasons they didn't work the first time, along with her growing suspicion that there might be more to her social awkwardness than anyone realized. Liz has just eight weeks to learn improv's most important lesson—yes, and—or she'll have to choose between the love she always wanted and the dreams that got away.

Lavash at First Sight Taleen Voskuni, 2024-05-07 Sparks fly between two women pitted against each other in this delectable new romantic comedy by Taleen Voskuni, author of *Sorry, Bro*. Twenty-seven-year-old Nazeli “Ellie” Gregorian enjoys the prestige of her tech marketing job but is sick of the condescending Patagonia-clad tech bros, her micromanaging boss, and her ex-boyfriend, who she's forced to work with every day. When Ellie's lovingly overbearing parents ask her to attend PakCon—a food packaging conference in Chicago—to help promote their company and vie to win an ad slot in the Superbowl (no big deal), she's eager for a brief change and a delicious distraction. At the conference, she meets witty, devil-may-care Vanya Simonian. Ellie can't believe how easy it is to talk to Vanya and how much they have in common—both Armenian! From the Bay Area! Whose families are into food! Their meet-cute is cut short, however, when Ellie's parents recognize Vanya as the daughter of the owners of their greatest rival, whose mission (according to Ellie's mother) is to whitewash and package Armenian food for the American health-food crowd. Sworn as enemies, Ellie and Vanya must compete against each other under their suspicious parents' scrutiny, all while their feelings for each other heat to sizzling temps.

On Her Terms Amy Spalding, 2025-02-25 For fans of Casey McQuiston, Alexis Hall, and Meryl Wilsner, an actually hilarious, sweetly sexy, gloriously relatable sapphic rom-com about a fake relationship, very real emotions, and writing your own Hollywood love story—from the acclaimed author of *For Her Consideration*. Fresh off breaking up with her boyfriend and swerving away from the conventional, TikTok-ready married life she never wanted, Clementine is ready to explore the alternatives. Not that she wants to be single forever, much less die alone. But at thirty-six, it's time for her to experience new things—including in her love life. And though an invitation to a fake relationship to appease family sounds like a recipe for disaster, Clem finds herself saying yes to smart, spirited dog groomer Chloe Lee anyway . . . Chloe is long past her own baby gay era, but even before they've tackled Clem's parents' anniversary party and Chloe's friend's wedding, the two of them end up spending a lot of time together. As the attraction between them grows stronger, it all begins to feel pretty real to Clem.

Chloe, however, is fine as just friends—plus she’s convinced Clem is just eager for “someone” to take her off the singles list. How to persuade her otherwise? After all, Clem is starting to realize her life is wonderfully full and being “alone” doesn’t scare her a bit. Still, being without the tiny powerhouse that is Chloe, specifically? That’s a whole other story . . . Wise, witty, and full of heart, here is an uplifting love story with an ending worth waiting for. Praise for *At Her Service* “Spalding joyfully reminds us that growing up can happen at any age and that we’re all works in progress.” —Alison Cochrun, author of *The Charm Offensive* “Charming, uplifting . . . perfect for any reader who has ever dreamed of stepping into their own best life. I want to befriend Amy Spalding’s characters and live in her quirky queer romantic world forever.” —Susie Dumond, author of *Queerly Beloved* “A painfully relatable story of finding the courage to reach for what you really want from inside the messy reality of your twenties. A wonderfully hopeful, queer, LA love story.” —Anita Kelly, author of *Something Wild & Wonderful*
