Scorpion Strike John Gilstrap, 2018-06-26 An island paradise is taken hostage in a plot to spark global war in this “perfect summer read for thriller fans” by the New York Times bestselling author (Publishers Weekly, starred review). For Jonathan Grave and Gail Bonneville, the Crystal Sands Resort just off Mexico’s Pacific coast is the perfect getaway—until gunshots shatter the night. Wealthy guests are yanked out of their rooms and forced to submit to their captors’ demands. But Grave and Bonneville are no ordinary vacationers. The Russian mercenaries who invade their bungalow receive a deadly surprise. And the two skilled operatives escape into the jungle. It won’t be long before the invaders turn this tropical paradise into a powder keg that will set off global chaos. Grave may be without weapons—and cut off from his usual tactical team—but he’s never without resources. Bold action is the only solution. Like the scorpion, Grave must strike fast and hard.

Threat Warning John Gilstrap, 2011-01-28 A hostage rescue specialist is on the trail of a homegrown terrorist organization in this thriller by the New York Times bestselling author. When a cult-like paramilitary group decides to make its deadly presence known, the first victims are random. Ordinary citizens going about their lives in Washington, D.C., are suddenly fired upon at rush hour by unseen assassins. Caught in the crossfire of one of the attacks, rescue specialist Jonathan Grave spies a gunman getting away—with a mother and her young son as hostages. To free them, Grave and his Security Solutions team must enter the dark heart of a nationwide conspiracy. But their search goes beyond the frenzied schemes of a madman's deadly ambitions. This time, it reaches all the way to the highest levels of power...

Hellfire John Gilstrap, 2020-06-30 “A great hero, a really exciting series.” —Joseph Finder For hostage rescue specialist Jonathan Grave, every mission is a matter of life or death. But he faces his most personal challenge yet when two boys are abducted while being driven to Resurrection House, the school Jonathan founded as a sanctuary for children of incarcerated parents. The boys were entrusted to Jonathan’s care. Now they’re missing. It’s time to fight fire with fire . . . The boys’ mom, Connie Kendall, is awaiting trial on drug smuggling charges. Prosecutors want her to testify against the brutal Cortez Cartel

to help bring down their ruthless operations. If she cooperates, she'll get an easier sentence. But with her kids in the grip of the cartel, her lips are sealed. As Jonathan and his team of skilled operatives close in on the kidnappers, they realize that their enemies aren't just hell-bent on selling drugs. Rival factions have even deadlier agendas. The clock is ticking on an attack that could kill thousands in a single breath. And it's almost zero hour . . .

Final Target John Gilstrap, 2017-06-27 A mission to infiltrate a Mexican drug cartel leaves a rescue specialist stranded among the enemy in a thriller by the New York Times bestselling author. Jonathan Grave and his partner Boxers have just been given the kind of suicide mission they specialize in. Dropping into the Mexican jungle, they must infiltrate a drug cartel's compound and extract a kidnapped DEA agent. But when Grave and Boxers retrieve the hostage and return to the exfil point, all hell breaks loose. Ambushed, abandoned, and attacked on all sides, their only hope of survival lies inside a remote orphanage where innocent children have been targeted for death. Even if Grave can lead the others to safety across a hundred miles of treacherous, enemy-filled jungle, he can't shake the feeling that something bigger is at play. A vast conspiracy of international power players who take no prisoners—and leave no survivors.

Friendly Fire John Gilstrap, 2016-07-01 A seemingly random act of violence leads a rescue specialist to uncover a terrorist conspiracy in this thriller by the New York Times bestselling author. It begins with a shocking act of vengeance. Barista Ethan Falk chases a customer into the parking lot and kills him. He tells police that years ago the older man abducted and tortured him. Then Ethan's story takes an even stranger turn: he says he was rescued by a guy named Scorpion. Of course, there is no record of either the kidnapping or the rescue, because Scorpion--Jonathan Grave--operates outside the law and leaves no evidence. Now Grave must find a way to defend the young man without blowing his cover. And the task takes on new urgency when he learns the dead man was connected to an ongoing terrorist plot against America. It's up to Grave and his team to stop it. But first they must rescue Ethan Falk—a second time.

End Game John Gilstrap, 2014-06-24 The son of a government scientist must be found at any cost in this taut political thriller that “starts off explosively and keeps on rolling” (Joe Hartlaub, BookReporter). Deep in the American Heartland, a team of assassins goes to work. In short order, a Chechen scientist and double agent for the U.S. government is dead. But the team didn't exactly finish the job. The man's teenage son is still alive. In possession of crucial and potentially lethal information, he's now on the run—and off the grid. The feds know who to call: Jonathan Grave and his elite rescue team at Security Solutions. Their mission is simple: find the boy and keep his information out of the wrong hands. But simple doesn't mean easy. The boy has a bodyguard with unusual talents, and she's not giving up without a fight. Only by bringing them both back alive can Grave expose the traitor in the highest levels of power—and prevent an all-out nuclear war.

Fort Niagara Patricia Kay Scott,William Edward Utley,2023-08-27 Fort Niagara is located at the northern mouth of the Niagara River about twelve miles from Niagara Falls. This scenic river and world-famous tourist area, which is now shared by

the United States and Canada, was Iroquois territory in the 18th century being fought over by France and England. Fort Niagara: The British Occupation 1759-1796 dramatically portrays how the British Army took Fort Niagara from the French and Indians in 1759 and held it for thirty-seven years while Indian, French, British, and American warriors and diplomats vied for control of the Niagara River and its portage route into the Great Lake. If the men who garrisoned Fort Niagara joined up to "see the world," they probably didn't anticipate being stationed at this isolated frontier post. It is doubtful that few, if any, of the thousands who served at Fort Niagara recalled their time there as the best part of their military life, even as one British officer wrote home that it wasn't as bad as he had expected. Some died at the fort, in raids out of the fort, or by accidents in the icy cold and volatile waters of the Great Lakes. Others, thinking they were on their way home for a welcomed leave, were unexpectedly rerouted to Boston in 1775 and fought in the battles of Lexington and Concord, Bunker Hill, and other famous battles of the Revolution. This second book about Fort Niagara by Patricia Kay Scott and William E. Utley carries on the history presented in Fort Niagara, the Key to the Indian Oceans and the French Movement to Dominate North America, published in 2019.
