

Keala Settle This Is Me Lyrics

Ben Hodges, Scott Denny

No More Bad Days Gary Miracle, 2023-10-10 Gary Miracle's life was forever changed by an infection that caused him to lose his arms and legs. He could have given up, but he chose to live and share his story, helping others respond to their own setbacks. In December 2019, Gary Miracle's life was forever changed by an infection that caused him to lose his arms and legs. One year later, the Christian band MercyMe shared his story with the world in their song "Say I Won't," which has garnered more than 5.7 million views on YouTube alone. Knowing that God works through all circumstances, Gary is committed to living life to the fullest and helping others do the same in spite of setbacks. In the light of eternity in Christ, there are no more bad days. Each day can be a new beginning.

Power Kemi Nekvapil, 2023-09-19 This book is a miraculous event. -Elizabeth Gilbert, from the foreword A transformative path for women to reclaim their power in a world all too eager to strip it away Women know what it's like to feel powerless. We have had power taken from us and used over us, and sometimes we have had to give it away for our own safety. But when power is built internally, it is stronger and more enduring than that bestowed externally. In *Power*, renowned leadership coach Kemi Nekvapil introduces a new framework for cultivating your power from the inside out. When you tap into the power that comes from within, you have the capacity to rebuild yourself. You give yourself the opportunity to break free from chronic people-pleasing and start making choices that align with your needs and values. You stop living and leading with apology, and instead use your power as a force for good. Through the principles of Presence, Ownership, Wisdom, Equality, and Responsibility, *Power* invites you to stop waiting for power to be handed to you and instead choose it for yourself and on your own terms. Drawing on stories from her own life as a Black woman in a society where power is often used as a tool for fear and obedience, and from the lives of leaders, gamechangers, and everyday women who've learned to step into their power, Nekvapil shows you how to practice, build, and feel your inner force.
