**Poulenc: The Life in the Songs** Graham Johnson, 2020-06-23 One of the greatest modernist composers comes alive in this illuminating biography, a must-have for musicians and music-lovers alike. Francis Poulenc (1899-1963) is widely acknowledged as one of the twentieth century's most significant masters of vocal music —solo, choral, and operatic— quite apart from his achievements in instrumental spheres. But what it cost him, and the determined bravery it took for his unusual talent to thrive, has always been underestimated. In this seminal biography, which will serve as the definitive guide to the songs, acclaimed collaborative pianist Graham Johnson shows that it is in Poulenc's extraordinary songs, and seeing how they fit into his life —which included crippling guilt on account of his sexuality— that we discover Poulenc heart and soul. With Jeremy Sams's vibrant new song translations, the first in over forty years, and the insight that comes from a lifetime of performing this music, Johnson provides an essential volume for singers, pianists, listeners, and readers interested in the artistic milieu of modernism in the first half of the twentieth century.

**The Music of Francis Poulenc (1899-1963)** Carl B. Schmidt, 1995-10-19 The name of Francis Poulenc (1899-1963) was first brought to prominence in the 1920s as a member of Les Six, a group of young French composers encouraged by Satie and Cocteau. His subsequent fame spread well beyond France, and he is coming to be regarded as one of this century's most significant composers. His compositions are heard constantly in concert halls the world over, and numerous recordings, including complete sets of songs and piano music, have been released. Books, articles and more than a dozen doctoral dissertations have discussed his music. Carl Schmidt's catalogue of Poulenc's works represents the first comprehensive attempt to list an oeuvre which numbers approximately 185 compositions written from his teenage years until his death at the age of 63. The Catalogue identifies a number of unpublished works, and adds a small group of compositions to his musical canon for the first time. Each work, whether complete or unfinished, published or unpublished, is described fully. Catalogue entries list and describe all known printed editions (including reprints) and manuscript copies of each work. In addition, they provide detailed compositional histories based on numerous letters, documents, and press accounts, many of which have not been published previously. Russian interest in Poulenc's music, manifested in press runs exceeding one million copies, is also revealed for the first time.

**Les Six** Robert Shapiro, 2014-07-01 The absorbing, comprehensive story of an absolutely unique experiment in classical music, involving many key figures of the Dada and Surrealist movements Les Six were a group of talented composers who came together in a unique collaboration that has never been matched in classical music, and here their remarkable story is told for the first time. A musical experiment originally conceived by Erik Satie and then built upon by Jean Cocteau, Les Six were also born out of the shock of the German invasion of France in 1914—an avant-garde riposte to German romanticism and Wagnerism. Les Six were all—and still are—respected in music circles, but under the aegis of Cocteau, they found themselves moving among a whole new milieu: the likes of Picasso, René Clair, Blaise Cendrars, and Maurice Chevalier all appear in the story. But the story of Les Six goes on long after the heyday of Bohemian Paris—the group never officially disbanded and it was only in the last 20 years that the last member died; moreover, their spouses, descendants, and associates are still active, ensuring that the remarkable legacy of this unique group survives.

*Jean Cocteau, Guillaume Apollinaire, Paul Claudel et le groupe des six* Catherine Miller, 2003 A la fin de la Première Guerre mondiale à Paris, se constitue le groupe des Six autour d'Erik Satie, puis Jean Cocteau. Au contact des écrivains de cette époque (Cocteau, Claudel, Apollinaire), les Six engagent leur production dans une voie qui privilégie la musique vocale sous toutes ses formes et écrivent près de 900 pièces apparentées au genre mélodique.

**J'écris ce qui me chante** Francis Poulenc, Nicolas Southon, 2011-10-26 Le compositeur Francis Poulenc (1899-1963) a toujours aimé les mots, comme en témoignent ses mélodies et opéras sur des textes de grands écrivains de son temps. Il a saisi également toutes les occasions qui lui étaient données de s'exprimer. À côté de sa correspondance, sa verve inimitable a fait merveille dans de nombreux articles et entretiens, rassemblés dans ce volume : près de cent vingt textes, dispersés dans la presse et dans la musicographie des années 1920 à 1960, que Nicolas Southon s'est employé à réunir et à enrichir de commentaires éclairants. Le portrait vivant et brillant de Poulenc se dessine, tandis qu'il prend position dans le débat de la vie musicale et artistique. Souvenirs, critiques, billets d'humeur, études, conférences, hommages, lettres ouvertes, entretiens... Des textes servis par un ton familier, une plume alerte et un art suprême du récit qui ont fait de Poulenc une figure du Tout-Paris artistique, en plus d'un créateur apprécié du large public comme des spécialistes. L'ensemble offre une connaissance approfondie de l'œuvre et de la pensée du compositeur, mais aussi de la vie musicale de son temps – la littérature, la peinture ou la danse étant également présentes. On y retrouve les nombreuses facettes de la personnalité complexe et attachante de Poulenc, que son esprit facétieux et son humour célèbres sont loin de résumer. Le commentaire explicite au lecteur les allusions de ces écrits et permettent d'en mesurer la portée : né à l'extrême fin du XIXe siècle, Poulenc reste en prise avec son époque à chaque étape de sa carrière, il en accompagne l'évolution, non sans réticence

parfois, mais toujours avec une acuité de jugement et une sensibilité qui n'appartiennent qu'à lui. Ces textes sont complétés de la réédition de trois ouvrages importants de Poulenc : Chabrier, Entretiens avec Claude Rostand et Moi et mes amis. Nicolas Southon est docteur en musicologie, docteur et ancien élève du Conservatoire de Paris (prix d'Histoire de la musique, d'Esthétique et d'Analyse musicale). Ses travaux portent sur la musique en France aux XIXe et XXe siècles. Il a écrit dans des revues spécialisées et a contribué notamment au Dictionnaire encyclopédique Wagner ainsi qu'aux Éléments d'esthétique musicale (Actes Sud). Il est également conseiller et rédacteur de l'édition critique des Œuvres complètes de Gabriel Fauré (Bärenreiter). Il enseigne à l'université, écrit dans Diapason et apparaît régulièrement comme producteur sur l'antenne de France-Musique.

**Musique et modernité en France (1900-1945)** Université de Montréal. Observatoire international de la création musicale, 2006 Dans la première moitié du XXe siècle, les milieux artistiques français foisonnent de réalisations, les artistes se connaissent, se côtoient et mettent en commun une énergie créatrice exceptionnelle. Il n'est donc pas étonnant de constater que les collaborations des musiciens français à des projets collectifs ont rarement été aussi nombreuses et aussi étroites qu'à cette époque. Dans une perspective multidisciplinaire, le présent ouvrage propose une série d'études dans le but d'approfondir un certain nombre de questions entourant les formes et les genres qui naissent à l'époque dans ce climat d'intense activité artistique. Les études de ce livre témoignent des rapports nouveaux qu'établissent les artistes avec une société en profonde mutation et qui entraînent une redéfinition de la pratique artistique, des liens qu'entretiennent le public et les artistes à l'art, à sa contemplation et sa consommation. Elles accordent une place centrale à la musique et aux liens que celle-ci entretient avec la littérature, la danse, le cinéma et le théâtre. L'ensemble de ces relations et mutations constitue les bases d'une modernité dont les prolongements n'ont cessé tout au long du siècle et viennent même secouer la postmodernité à l'orée du XXIe siècle.
