Stories to Tell Richard Marx,2022-07-12 In Stories to Tell, Marx uses this same engaging, straight-talking style to look back on his life and career. He writes of how Kenny Rogers changed a single line of a song he'd written for him then asked for a 50% cut --which inspired Marx to write one of his biggest hits. He tells the uncanny story of how he wound up curled up on the couch of Olivia Newton-John, his childhood crush, watching Xanadu. He shares the tribulations of working with the all-female hair metal band Vixen and appearing in their video. Yet amid these entertaining celebrity encounters, Marx offers a more sobering assessment of the music business as he's experienced it over four decades -- .

Eight Points of the Compass Don Levin,2009-12-30 Why are so many people wandering aimlessly through life? Why has there been such a shift in values from generation to generation? Facing imminent mobilization during the first Persian Gulf War, a father was faced with these questions as well as the challenge of who would teach his children the attributes that he most valued and wished to pass on to their generation. In Eight Points of the Compass the attributes of Integrity (True North), Gratitude, Character, Balance, Commitment, Abundance, Vision, and Relationships are presented in anecdotal fashion so as to make them a lasting and timeless legacy of direction and wisdom for each succeeding generation. A must read for every parent. Chris Sorensen, author of The Greatest Discovery

with me. Understood? Handsome, charismatic, and blessed with a voice that brings thousands of fans to their knees, Trent Donovan is a walking cliché. But he has another thing coming if he thinks he can charm his way into my panties. I don't care if he's rich and famous because I'm not here to bag a rock star. I'm here to pave my own way. To prove I belong center stage. There's just one problem. The more time I spend on the road with the band, the more I realize Trent's nothing like the arrogant playboy I expected. We share a love of music, and if I'm honest so much more. I came on this tour to follow my dreams, but if I'm not careful he's bound to lead them off track--right along with my heart.

To Walk on Water Timothy Paul Neller,2019-11-12 Terry thought that his life would change drastically when he became a Christian, and it did, but not in the way that he thought it would. Instead of life being easier, it became much harder, each day filled with temptations that were challenges to his newfound faith. His feelings about himself and those around him intensified, and when he felt himself sliding back into his old habits, his closest friends, Lolly and Nick, assured him that they were always there to support him, urged him not to lose his faith, and reminded that God would always give him the strength

and wisdom to handle any problem. He wasn't so sure about that when his girlfriend Jenny came back from New York City after trying out for the New York Ballet and would no longer talk to him. After her trip to New York, Jenny too was struggling with her faith and began to question whether or not God even existed. She shut herself off from those around her, began to hate her father, and felt hopelessly lost. It was only through her friend, Lolly, that she again began to see things more clearly. But Terry continued to struggle, and it was only when the lives of all his friends had been threatened and he seemed to have lost everything did he come to know God and to understand his true purpose.

Winter Kills Richard Condon,2013-11-25 A whistleblower looks too deeply into a president's assassination in this darkly satiric conspiracy thriller from the author of *The Manchurian Candidate*. It has been more than a decade since the assassination of US President Timothy Kegan, who was gunned down while riding in a motorcade through the streets of Philadelphia. The "lone gunman" responsible was arrested and convicted, and the country has moved on. President Kegan's half-brother Nick tries to move on as well—until he overhears the deathbed confession of a man who claims to have been a second shooter. Suddenly Nick's embroiled in a Kafkaesque conspiracy that stretches from Washington DC to Cuba and all the way into England's Court of St. James. He's surrounded by mobsters, oil magnates, crooked cops, religious leaders, CIA "spooks," Hollywood celebrities, and international power brokers—including the renowned Washington hostess, fixer, and femme fatale, Lola Camonte—all of whom seem intent upon doing him in. And the closer Nick comes to the startling truth about the assassination, the less he really wants to know. *Winter Kills* is an outrageously dark and funny take on the John F. Kennedy assassination and the conspiracy furor that followed it, from the master storyteller who brought you *The Manchurian Candidate* and *Prizzi's Honor*.

The Plan Kelly Bennett Seiler,2016-09-20 A dynamic and heartwarming love story between two individuals with seemingly little in common: a woman who is left alone after the deaths of her husband and children and a trilateral amputee on the other side of the globe. The only survivor of a brutal car crash that claimed the life of her entire family, she struggles to find a reason to wake up each morning. On the other side of the Atlantic, Irishman Callum Fitzgerald's actual birth was deemed a tragedy. Born a trilateral amputee, no one expected his life to amount to anything. Now in his thirties, Callum has defied the odds. Victorious over his own limitations, he's built a life

He assures the tens of thousands who flock from all around the world to hear his inspirational message that nothing occurs by happenstance—there’s always a greater plan. Claire and Callum.
