Comfort Ellen Gould Harmon White,1996

Gems of Thought from the Pen of Ellen G. White Ellen Gould Harmon White,Donald Ernest Mansell,1973

Food for Thought Ellen G. White,2013-09-05 As a co-founder of the Seventh-day Adventist Church in 1863, Ellen G. White and her prophetic ministry served to guide and inspire millions of followers throughout the world. In this book, editor Robert Cohen presents Ellen G. White's most insightful thoughts on all aspects of life, from building strong character and recognizing the importance of family ties to dealing with disappointments and respecting the rights of animals. Here, then, are over 400 inspiring quotations from the writings of Ellen G. White that provide practical and moral guidance, as well as inspirational insights. Paired with each of White's thoughts are the voices of such noteworthy individuals as William Shakespeare, Florence Nightingale, Mother Teresa, and Oprah Winfrey, who provide further food for thought. To help you find the most relevant passages, Ms. White's quotations are arranged topically and alphabetically, making this book as wonderfully easy to use as it is illuminating.

Woven in the Loom of Heaven Ellen G. White,2004-01-01

Peace Ellen Gould Harmon White,1997

Quotes by Ellen G. White Lilith Regan,2020-04-12 The Bible is our rule of faith and doctrine.Talk unbelief, and you will have unbelief; but talk faith, and you will have faith. According to the seed sown will be the harvest.The words of the Bible, and the Bible alone, should be heard from the pulpit.But God will have a people upon the earth to maintain the Bible, and the Bible only, as the standard of all doctrines and the basis of all reforms.

Joy Ellen Gould Harmon White,1996

Praying for Others Ellen Gould Harmon White,Kenneth R. Wade,Debby Wade,1997

Ellen G. White A Psychobiography Steve Daily,2020-12-16 This explosive work contains a great deal of highly documented material on the life and movement of Ellen G. White that Adventists in general, to say nothing of the public, will not know. The book is not a classic psychobiography, although history and psychology are the primary disciplines employed.

It also contains a sprinkling of theology and personal reflection to make it a unique blend. The most striking evidence presented raises major questions about the prophet's mental and moral health. It is a must read for anyone who truly wants to understand Seventh-Day Adventism and its prophetic founder. A devastating work. What Numbers and Rea started, your book will finish! —John Dart (1936-2019), longtime religion editor, Los Angeles Times I enjoyed the writing and the stories. The anecdotes you included enriched the content. Your writing was personal, and I think readers will feel that you are writing to them, and makes the book of increased value. There is the same question with Joseph Smith. Why do people stay in the face of such documentation? What are the forces that keep them tied to source documentation of fraud? —Dr. Robert Anderson, psychiatrist, author, *Inside the Mind of Joseph Smith: Psychobiography and the Book of Mormon* I found the material fascinating, a powerful polemic! —Ronald Numbers, William Coleman professor of History, University of Wisconsin-Madison, author, *Prophetess of Health*

Some Quotations from Ellen White Regarding Faith, Evidence, Inquiry Arthur Graham Maxwell, Ellen Gould Harmon White, 197?

Assurance Ellen Gould Harmon White, 1995-01-01

Power of Prayer Ellen G. White, 2011-05-04 What is more important in this life than prayer? Prayer is our connection with God—our strength, our bridge to heaven! It is when men begin to call upon the name of the Lord that they find Him. We are told that He heareth prayer. What a promise that is! As we pray, the Holy Spirit Himself unites in our petitions and maketh intercession for us. We are not alone in the battle of life; all heaven is on our side! Each of these 80 sections (containing one to three pages each) are compiled from Ellen G. White's writings. Her quotes bring together in one book all that she had to say on prayer. Topics include: The Privilege of Prayer, The Early and Latter Rain, Goals for Prayer, and Prayer Defeats Satan.

Tithing In The Writings of Ellen G. White Angel M Rodriguez, *TITHING IN THE WRITINGS OF ELLEN G. WHITE* STW 1060 by Angel Rodríguez, is a comprehensive and inspirational study in which Dr. Rodríguez, looks at the primary influence that shaped Ellen White's understanding of tithing—the Word of God. He illuminates the basic theological concepts that she discovered and shared with her readers. Topics include such subjects as the motivation for tithing and the spiritual life, the logistics of tithing, and the uses of tithe. This small volume, attractively bound and designed, is an important read and vital study that you will want to keep at hand.

Angels Ellen Gould Harmon White, 1995-01-01

Seventh-Day Adventists, Ellen G. White, and Salvation R. Van Orden, 2018-06-11 This book started out as an intense personal study by the author to evaluate and confirm his beliefs about God and salvation in regard to the teaching of the Seventh-Day Adventist Church. Why is it that so many Seventh-Day Adventists do not have the assurance of salvation? What

criteria in the Bible and what specifically in Ellen G. White's writings might lead someone to believe they were not fit for heaven, that they did not qualify to be there, that God would not forgive them, and there was more required than just relying on Jesus's sacrifice to cover their sins? If they did not meet a strict set of rules, would God cast them aside in the end? In this book, you will find out just who are the saved, who are the lost, and what happens to them in the end and what end-times will look like according to Ellen G. White and the SDA Church. The author estimates he has spent well in excess of ten thousand hours and has read over fifteen thousand pages of material over a seven-year period in the preparation of this book. It is the author's hope and prayer that this book will make the reader question, not their belief in the saving grace of God and the loving sacrifice of Jesus but rather question anything that might have come between them and that grace.

Ellen Harmon White Terrie Dopp Aamodt, Gary Land, Ronald L. Numbers, 2014 In America, as in Britain, the Victorian era enjoyed a long life, stretching from the 1830s to the 1910s. It marked the transition from a pre-modern to a modern way of life. Ellen White's life (1827-1915) spanned those years and then some, but the last three months of a single year, 1844, served as the pivot for everything else. When the Lord failed to return on October 22, as she and other followers of William Miller had predicted, White did not lose heart. Fired by a vision she experienced, White played the principal role in transforming a remnant minority of Millerites into the sturdy sect that soon came to be known as the Seventh-day Adventists. She and a small group of fellow believers emphasized a Saturday Sabbath and an imminent Advent. Today that flourishing denomination posts twenty million adherents globally and one of the largest education, hospital, publishing, and missionary outreach programs in the world. Over the course of her life White generated 50,000 manuscript pages and letters, and produced 40 books that have enjoyed extremely wide circulation. She ranks as one of the most gifted and influential religious leaders in American history, and Ellen Harmon White tells her story in a new and remarkably informative way. Some of the contributors identify with the Adventist tradition, some with other Christian denominations, and some with no religious tradition at all. Taken together their essays call for White to be seen as a significant figure in American religious history and for her to be understood her within the context of her times.

From the Heart Ellen G. White, 2010 Ellen G. Whites regular contact with Seventh-day Adventist church members during much of her ministry was through the articles she wrote for the various church journals. Woven throughout every message was her earnest desire to lead searching hearts and minds to Jesus and to prepare each believer for His soon return. Drawn exclusively from those thousands of articles, her words of encouragement, guidance, and caution will inspire you to an ever closer walk with God.
