Christmas Quotations Daniel Linton,2023-11-16 Without a doubt, Charles Spurgeon had a way with words that few other preachers could match. This book contains over 300 of his quotes about Christmas which have been collected from his sermons and books. The quotes have been categorized by each of the events surrounding the birth of Jesus to make it easy to find topical quotes. They have also been numbered for ease of reference. The birth of Jesus is the grandest light of history, the sun in the seasons of all time. It is the pole-star of human destiny, the hinge of chronology, the meeting place of the waters of the past and the future. - Charles Spurgeon

Next Level David Komolafe,2017-01-31 No matter how painful your past experiences have been, you don't have to operate forever from a disadvantaged position. You are fearfully, wonderfully made, and destined in Christ to soar higher than you can imagine, but you must be strategic in your efforts to take hold of all that God has promised you.

Wells of Living Waters Dennis Lee,2019-03-18 Before the church can arise and shake the world for the Lord, it must bring back the truth of God's Word. The church needs to make the declaration to Tell the truth, the whole truth, and nothing but the truth, so help us God. Wells of Living Waters is a message of the Holy Spirit for the church to remain strongly rooted in the foundational truths inherent in God's Word. Its purpose is to bring back those foundational teachings that Satan has been trying to stop or cover over within the church. In its desire to stay current and culturally relevant, the church has left behind some of the great biblical teachings in order not to offend those who attend. In the process, however, the church has dug all these new wells of teaching only to find many of them dry or worse, filled with poisonous water. Instead of trying to come up with all these new culturally relevant teachings, the church needs to go back and reopen those foundational truths where the true living waters of God's word can be found that has brought life and revival to millions. In Jeremiah 6:16, the Lord said, Stand in the ways and see, and ask for the old paths, where the good way is, and walk in it; then you will find rest for your souls. Wells of Living Waters deals with the foundational truths of holiness, faithfulness, repentance, the blood of Jesus, judgment, hell, Satan, the person and purpose of the Holy Spirit, the authority of the Scriptures, fasting, and stewardship. This book is soundly based on scriptural authority as well as Pastor Lee's long-term experience in the discipling of God's people to all who seek to bring pure, living water to a thirsty world.

Our Cry for Revival Nick Harrison,2024-11-05 What Christian isn't hungering for revival? Not just an emotional display of faith, but a revival that changes lives, renews churches, and can even change history. Such revivals as the Great Awakening, the Welsh Revival, and the Jesus Movement have earned their place in church history and are evidence that God is still alive and active. Even smaller revivals such as the recent revival at Asbury University in Wilmore, Kentucky, caught the attention of the world as upwards of fifty thousand Christians traveled to the college campus to witness this move of God. The recent movie, The Jesus Revolution was a surprise success at the box office as, once again, Christians flocked to hear about revival. Make no mistake, there is a worldwide hunger for revival, and especially so among American Christians. The great news is that every Christian has a part to play in bringing about revival. That part is first, last, and always prayer. Revivals are born from prayer. But will Christians pray? Do they really want revival? If recent events are indications of that

fresh hunger for God in our midst, then the answer is a resounding yes! With daily Scripture readings, reflections, prayer prompts, and quotes from classic Christian leaders, this 365-day guide will aid you in your quest to experience both personal and widespread revival through persistent prayer. Yes, revival is on its way. Will you be one of the prayer warriors to usher in this next great move of God?

RePresent Jesus Dharius Daniels, 2014-10-07 Discover the joy and power of walking in the footsteps of Jesus. There is an image of Jesus we often possess in our minds, and there is a Jesus of the Scriptures. Unfortunately the two aren't always consistent. Often the emphasis in preaching, teaching, and writing is placed on Christ's death and resurrection. These aspects of Jesus's ministry are obviously essential, but so is His life. Through Christ's death we received forgiveness and reconciliation; however, His life provides us with something that is equally essential: an example. Without His example, godliness becomes a nebulous notion that can mutate into a religion that doesn't reflect its founder. Re-Present Jesus identifies twelve core character traits of Jesus and coaches the reader into discerning how these traits can be applied to their own lives and contexts. Covering attributes such as His love, wisdom, grace, generosity, and humility, Daniels presents a picture of Jesus that people will want to follow.

Turn the Tide Michael L. Brown, 2024-05-07 With the power of the Holy Spirit, we can change the world instead of the world changing us. This book will provide the information you need so you can be effectively used by the Holy Spirit to bring reformation to our society in the wake of spiritual revival. You will see how God can use you in both big and small ways to fulfill His great commission. How can a spiritual outpouring in the church become a cultural awakening in the society? How can we move from revival to reformation? In Turn the Tide, Michael L. Brown, PhD, lays out the key steps believers must take in this new season of revival—from the prayer room to the home, from the schools and universities to the worlds of finance and politics—to see lasting cultural change. Drawing from historical revivals and scriptural insights, Brown challenges readers to move beyond the boundaries of the church walls and engage in a transformative journey that permeates every aspect of society. He addresses topics such as how to: deepen our prayer base infiltrate the educational system be grounded in apologetics raise up godly leaders in politics engage the culture wars in the power of the Spirit walk in God's love and truth without becoming the morality police Turn the Tide is an urgent call to believers to rise above complacency and embrace their role as catalysts for societal transformation. It is an essential guidebook for those who long to see their homes, cities, and nations transformed by the power of God.

When I Sit in Darkness Tabbie Chamberlain, 2015-12-04 In the darkness, the battle we fight can be very detrimental, very costly. It isn't how long or how short the battle is, but how well equipped we are for fighting the enemy. The night is long, the battle sore, No time to stop and tally score. Keep fighting on, don't give up ground, For soon you'll wear the victor's crown. Our trust must be in God's ability to see us through the darkest times, not in His desire to let us escape the night.

When I Sit In Darkness is a beacon that will cast a light into your world, giving you strength for today and hope for tomorrow. From its pages, I trust that you can feel the Spirit of the Lord as the words sink deep into your soul, and bring assurance that you will survive your darkness.

Defying Normal Skip Heitzig, 2015-10-27 Skip Heitzig, pastor of a 15,000 member mega-church, shows readers how to defy the pressures of this worldly life, and soar above the status quo to experience the divine.
