**Gregory of Nyssa, Ancient and (Post)modern** Morwenna Ludlow,2007-09-20 The fourth-century Christian thinker, Gregory of Nyssa, has been the subject of a huge variety of interpretations over the past fifty years. Morwenna Ludlow analyses these recent readings, and asks: What do they reveal about modern and postmodern interpretations of the Christian past? What do they say about the nature of Gregory's writing?

Giving the Church Michael Moynagh, 2024-05-30 The nucleus of the church's vocation is to join the Spirit in giving communion in Christ to others, in the form of new Christian communities, for the benefit of the world. But can the church be a welcome gift?" In *Giving the Church* leading ecclesialogist Michael Moynagh draws together recent thinking from the worlds of ecclesiology and missiology with significant sociological work on the idea of 'gift', to provide a much-needed theological rationale for some of the key missiological and ecclesiological movements in today's church. Part 1 reworks some of the big themes in ecclesiology from this giving perspective - the nature of the church, the four marks, the visible/hidden church and inclusion/exclusion. Part 2, meanwhile, draws on the extensive literature on gifts to offer an ethical framework for giving the church to others, and uses this framework to provide fresh readings of liberationist, herald and eucharistic models of the church. It concludes by arguing that giving the church away can be a route to making the church a more attractive gift.

*The Thought of Jonathan Edwards* Miklos Veto, 2021-01-25 Jonathan Edwards is the greatest theologian of colonial America as well as its first important philosopher. As a theologian, he represents without any concession Calvinistic Orthodoxy, re-thought and re-lived through the experience of the Great Awakening. The large majority of his writings are of a theological character, yet this theology is articulated and expressed through a systematic philosophical reflection. Edwardsian thought covers three major areas: First, being, grace, and glory; then, the doctrine of the will extending to the study of the original sin and evil; finally, an entirely original theory of knowledge synthesizing spirituality, aesthetics, and epistemology. The present book, the first edition of which appeared in French almost thirty years ago, is a uniquely comprehensive study of the work of Jonathan Edwards. It discusses all the aspects of his thought over against the

background of classical Protestant theology and of seventeenth- and eighteenth-century Western philosophy. Our time witnesses a significant renewal of interest in Jonathan Edwards. Professor Veto's book should prove to be a major contribution to assist and to guide the readers of America's Theologian.

**The "SUPERWHELMING", "GLORIOUSTOUNDING", "MEGAMIRACULOUS" Return of the King of Kings and Pretentious Interloper** Cedric Fisher, 2024-06-19 Complaints are replete on social media, and everywhere people gather to sip coffee and opine about the world's ills. Something is wrong with American society. A few years ago, people were saying, I don't know how it can get worse. It is worse and going to get worse. The reality and angst of watching it disintegrate have pressed many people into apathy. They have latched onto the belief that God will not permit them to suffer the consequences of the world's wicked rebellion. Instead, Christ will snatch them off the earth and out of danger during a split-second secret coming. There is an alternative to apathy and fantastical notions. It is the central focus of biblical eschatology, the superwhelming, glorioustounding, megamiraculous return of the King of kings.

The Complete Works of C. H. Spurgeon, Volume 52 Spurgeon, Charles H., Volume 52 Sermons 2968-3019 Charles Spurgeon (19 June 1834 - 31 January 1892) is one of the church's most famous preachers and Christianity's foremost prolific writers. Called the "Prince of Preachers," he was one of England's most notable ministers for most of the second half of the nineteenth century, and he still remains highly influential among Christians of different denominations today. His sermons have spread all over the world, and his many printed works have been cherished classics for decades. In his lifetime, Spurgeon preached to more than 10 million people, often up to ten times each week. He was the pastor of the congregation of the New Park Street Chapel (later the Metropolitan Tabernacle) in London for 38 years. He was an inexhaustible author of various kinds of works including sermons, commentaries, an autobiography, as well as books on prayer, devotionals, magazines, poetry, hymns and more. Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration, and his oratory and writing skills held his audiences spellbound. Many Christians have discovered Spurgeon's messages to be among the best in Christian literature. Edward Walford wrote in *Old and New London: Volume 6* (1878) quoting an article from the Times regarding one of Spurgeon's meetings at Surrey: "Fancy a congregation consisting of 10,000 souls, streaming into the hall, mounting the galleries, humming, buzzing, and swarming—a mighty hive of bees—eager to secure at first the best places, and, at last, any place at all. After waiting more than half an hour—for if you

wish to have a seat you must be there at least that space of time in advance—Mr. Spurgeon ascended his tribune. To the hum, and rush, and trampling of men, succeeded a low, concentrated thrill and murmur of devotion, which seemed to run at once, like an electric current, through the breast of every one present, and by this magnetic chain the preacher held us fast bound for about two hours. It is not my purpose to give a summary of his discourse. It is enough to say of his voice, that its power and volume are sufficient to reach every one in that vast assembly; of his language, that it is neither high-flown nor homely; of his style, that it is at times familiar, at times declamatory, but always happy, and often eloquent; of his doctrine, that neither the 'Calvinist' nor the 'Baptist' appears in the forefront of the battle which is waged by Mr. Spurgeon with relentless animosity, and with Gospel weapons, against irreligion, cant, hypocrisy, pride, and those secret bosom-sins which so easily beset a man in daily life; and to sum up all in a word, it is enough to say of the man himself, that he impresses you with a perfect conviction of his sincerity." More than a hundred years after his death, Charles Spurgeon's legacy continues to effectively inspire the church around the world. For this reason, Delmarva Publications has chosen to publish the complete works of Charles Spurgeon.
